RE: Amended Application including responses to Data Requests for ALL American Power and Gas PA, LLC for a License to Supply Electricity under Docket A-2019-3012812.

To Whom it May Concern,

All American Power and Gas PA, LLC ("AAP&G") respectfully requests the Pennsylvania Public Utility Commission to find the enclosed amended application including Exhibit's 9 and 9-a (Disclosures and Terms and Conditions) for a license to supply electricity in the Commonwealth of Pennsylvania. Also, please find enclosed the requested information to the Data Requests received for Docket No. A-2019-3012812.

Please keep under seal as "Confidential" and not make part of the public record Exhibits 9 and 9-a along with Data request No. 2 and Data request No. 4. The electric utility business is highly competitive, and it is imperative that public disclosure of the confidential information contained in the documents identified above be avoided. AAP&G is privately held and not a publicly traded company therefore, all its information is highly confidential. The public disclosure of AAP&G's information as disclosed in response to the questions and provided exhibits noted above would create a hardship for AAP&G because it would give an unfair advantage to AAP&G's competitors and would likely result in economic damages to AAP&G.

Thank you for your time and consideration.

Sincerely

Jason Danko  
President
