C-2019-3012358

Dear Judge Eranda Vero

I am writing to request a continuance on the court matter of a billing dispute. I am requesting this continuance base on my medical condition that I have had for the last six years fighting to keep my eyesight. I get injections in both my eyes each month during different times of the month and I can never miss an appointment in fear of me losing my eyesight in going blind. I have a eye retina disease, I have diabetes 2. Struggling with many health concerns. I have an appointment scheduled on 10/16/2019 at 10:30 at the Plymouth Meeting Office on the same date of the hearing. I am asking you to grant me a continuance of another date that I may be able to attend.

Best Regards

Ms. Botak,

The above- captioned matter is scheduled for a hearing tomorrow morning, October 16, 2019, at 10:00 a.m. I was not able to find a notice of appearance for a new PECO attorney in this matter so I am forwarding Ms. Crawford's request for continuance to you. As you can see, our office received her request this morning.

Please let me know as soon as possible who is the attorney in this matter and whether PECO has an objection to her request.

Thank you!

Re - C-2019 - 3012358

Dear Judge Eranda Vero

I am writing to request a continuance on the court matter of a billing dispute with Peco schedule for October 31, 2019.

That notice that was sent out for the October 31 date. I did not get this notice till October 26, so there was little time for me to know ahead of time of this date. Not sure why these notices are not given more time in between, than short just notices.

I am requesting a continuance based on my medical condition of many doctor appointments that must be kept according to my health issues. Some dates I am not available right now are as follows

November 4

November 7

November 14

And there are others, I am requesting, as I was informed, that a phone conference can be accepted. If that is the case, It may be to my best interest to ask for a date on a Friday cause most doctors appts I have are not on Fridays.

I have an Appt on November 8, 2019

November 15, 2019 I can be available then if that works for everyone.

Best Regards
