**RE: Regional Resources Energy Group, LLC
Application to Serve as a Natural Gas Broker**

Dear Ms. Simone,

Based on your assertion that Regional Resources Energy Group, LLC (“Regional”) is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division (“UGIU”) has concluded that Regional will not need to post security with UGIU. This is based on the declaration that Regional will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Regional wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,
