18. **BONDING:** In accordance with 66 PA. C.S. Section 2809(C) (1)(I), the Applicant is:

- Furnishing a copy of initial bond , letter of credit or proof of bonding to the Commission in the amount of \$250,000.
- Furnishing proof of other initial security for Commission approval, to ensure financial responsibility.
- Filing for a modification to the \$250,000 and furnishing a copy of an initial bond, letter of credit or proof of bonding to the Commission for the amount of **\$10,000**. Applicant is required to provide information supporting an amount less than \$250,000.

**Satori will not be taking customer deposits, will not be taking title to the electricity, and will not be supplying electricity to any customers.**

At the conclusion of Applicant's first year of operation it is the intention of the Commission to tie security bonds to a percentage of Applicant's gross receipts resulting from the sale of generated electricity consumed in Pennsylvania. The amount of the security bond will be reviewed and adjusted on an annual basis.

19. **FINANCIAL FITNESS:**

**Please see attachment 4.**

B. Applicant must provide the following information:

- Identify Applicant's chief officers including names and their professional resumes.
- Provide the name, title, address, telephone number and FAX number of Applicant's custodian for its accounting records.

**Please see attachment 5.**

20. **TECHNICAL FITNESS:** To ensure that the present quality and availability of service provided by electric utilities does not deteriorate, the Applicant shall provide sufficient information to demonstrate technical fitness commensurate with the service proposed to be provided. Examples of such information which may be submitted include the following:

- The identity of the Applicant's officers directly responsible for operations, including names and their professional resumes.
- Proposed staffing and employee training commitments
- Business plans
- Documentation of membership in ECAR, MAAC or other regional reliability councils shall be submitted if applicable to the scope and nature of the applicant's proposed services.
- An affidavit stating that you will adhere to the reliability protocols of the North American Electric Reliability Council, the appropriate regional reliability council(s), and the Commission, and that you agree to comply with the operational requirements of the control area(s) within which you provide retail service.

**Please see attachment 6.**

21. **TRANSFER OF LICENSE:** The Applicant understands that if it plans to transfer its license to another entity, it is required to request authority from the Commission for permission prior to transferring the license. See 66 Pa. C.S. Section 2809(D). Transferee will be required to file the appropriate licensing application.

22. **ASSESSMENT:** The Applicant acknowledges that Title 66, Chapter 5, Section 510 grants to the Commission the right to make assessments to recover regulatory expenses and that as a supplier of electricity or an electric generation supplier it will be assessed under that section of the Pennsylvania Code. The Applicant also acknowledges that the continuation of its license as a supplier of electricity or an electric generation supplier will be dependent upon the payment of all prior years assessments.

23. **UNIFORM STANDARDS OF CONDUCT AND DISCLOSURE:** As a condition of receiving a license, Applicant agrees to conform to any Uniform Standards of Conduct and Disclosure as set forth by the Commission.

24. **REPORTING REQUIREMENTS:** Applicant agrees to provide the following information to the Commission or the Department of Revenue, as appropriate:

- a. **Reports of Gross Receipts:** Applicant shall report its Pennsylvania intrastate gross receipts to the Commission on a quarterly and year to date basis no later than 30 days following the end of the quarter.

- b. The Treasurer or other appropriate officer of Applicant shall transmit to the Department of Revenue by March 15, an annual report, and under oath or affirmation, of the amount of gross receipts received by Applicant during the prior calendar year.
- c. Applicant shall report to the Commission the following information on an annual basis:
  - the percentages of total electricity supplied by each fuel source

**Applicant will be required to meet periodic reporting requirements as may be issued by the Commission to fulfill the Commission's duty under Chapter 28 pertaining to reliability and to inform the Governor and Legislature of the progress of the transition to a fully competitive electric market.**

- 25. **FURTHER DEVELOPMENTS:** Applicant is under a continuing obligation to amend its application if substantial changes occur in the information upon which the Commission relied in approving the original filing.
- 26. **FALSIFICATION:** The Applicant understands that the making of false statement(s) herein may be grounds for denying the Application or, if later discovered, for revoking any authority granted pursuant to the Application. This Application is subject to 18 Pa. C.S. §§4903 and 4904, relating to perjury and falsification in official matters.
- 27. **FEE:** The Applicant has enclosed the required initial licensing fee of \$350.00 payable to the Commonwealth of Pennsylvania.

**David C. Wiers, President – Satori Energy**  
**Past-President – Texas Electricity Professionals Association (TEPA)**  
**Founding Member– Illinois Energy Professionals Association (ILEPA)**

With over 11 years of consulting experience, including over 9 years in the energy business, Mr. Wiers has participated in many deregulated markets from the inception of electric deregulation. Wiers launched his professional career as a consultant for Andersen Consulting. He moved into the deregulated power markets in 2000 with Chicago-based Sieben Energy Associates. There, he conducted and supervised supplier negotiations, reviewed contracts, performed rate optimization studies and undertook billing audits for a variety of clients. Shortly after the retail electricity market deregulated in Texas, Wiers became Vice President and a minority partner in Dallas based Power Brokers L.P., where he helped create a full-service electricity brokering firm. Mr. Wiers was responsible for constructing business plans for entering new markets, formulating and refining mass market approaches for specific markets, establishing risk management parameters and benchmarks, developing and adapting service offerings for large individual clients, and delivering customized solutions to various clients.

In 2006, Mr. Wiers started his own customer centric energy consulting firm, **Satori Energy**. Based in Chicago, Satori Energy provides supply-side procurement, risk management, market monitoring services, and overall energy management solutions to clients in deregulated markets nationwide.

Mr. Wiers is founding member and Past-President of the **Texas Electricity Professionals Association (TEPA)**, a non-profit organization created in 2005. TEPA's mission statement and goals are aimed at upholding the integrity and maintaining honor in the deregulated electricity business in Texas ([www.tepatexas.org](http://www.tepatexas.org)). Under his leadership, TEPA has grown from nine founding members to a roster of more than 35 aggregators, brokers, consultants and retail electric providers. In 2007, Mr. Wiers became a founding member the **Illinois Energy Professionals Association (ILEPA)**, a non-profit organization similar to the Texas organization ([www.ilepa.org](http://www.ilepa.org)).

Wiers is a Magna Cum Laude graduate of Carthage College, where he earned degrees in business administration and marketing with an emphasis in economics. He is President of the Carthage College Alumni Association and is a former board member of the Young Executives Club of Chicago.
