Dear Mr. Chafee:

On October 30, 2019, the Commission received your Application of EnergyMark, LLC. for approval to supply electric generation services to the public in the Commonwealth of PA. Upon initial review, the Application has been determined to be deficient for the following reasons:

- No \$350.00 filing fee (cover letter states it is included in the confidential envelope, but was not located)
- No Business Entity and/or Department of State filings for Pennsylvania

Pursuant to 52 Pa. Code §1.4, you are required to correct these deficiencies. Failure to do so within 20 days of the date of this letter will result in the Application being returned unfiled.

Please return your items to the above listed address and address to the attention of Secretary Chiavetta.

Should you have any questions pertaining to your application, please contact our Bureau at 717-772-7777.

Sincerely,

A handwritten signature in black ink that reads "Rosemary Chiavetta".
