To Whom It May Concern:

C-2019-3009486

I'm writing this letter due to the fact that PECO has not honored my payment arrangement. I'm asking to have my balance broken in parts to make the payment somewhat easier. I have been getting different information regarding this request depending which representative I get.

I also notice that my bill changes every month. I can never get a straight answer on that either. I have three children and a single mother, I barely make enough money to stay afloat. PECO is not the only person I have to pay, I can't get assistance for any agency because my balance is so high.

I went to court (over the summer) to have the issue resolved and the matter still stands. I don't agree with their recommendations. I can't afford this either. I need some more assistance. I just like this issue to be resolved so I can manage my account. If there any further information that's needed please don't hesitate to contact me.

RE: Myesha Brown vs. PECO Energy Company
Docket Number: C-2019-3009486

To All Parties of Record:

On November 1, 2019 my office received Exceptions to the Initial Decision of Administrative Law Judge Eranda Vero in the above captioned matter.

Our review of the filing revealed that no Certificate of Service or other indication that the parties of record to the case were served with the Exceptions.

Therefore, we have enclosed a copy of the Exceptions to constitute service for purposes of 52 Pa. Code §5.533.

Due to the failure of Myesha Brown to provide service on all the parties of record to the case, and in order to avoid prejudice to any party pursuant to 52 Pa. Code §5.535, the Respondent shall have until Monday, November 18, 2019 to file Reply Exceptions.

Sincerely,

Rosemary Chiavetta
