Dear Carrier Official:

As a result of receiving your P.U.C. certificate and as part of the process to retain your authority you have agreed to undergo a Safety Fitness Review by the Motor Carrier Enforcement Division.

If you have obtained a PASS rating as a result of a USDOT Safety Audit / Compliance Audit within the past two years will be accepted as your review but you must submit a copy to the address listed above within 5 days of receipt of this letter.

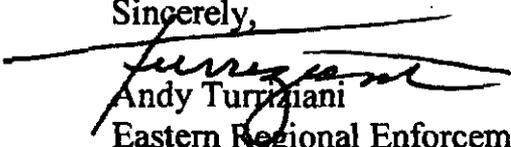

Also attached is a Property Carrier cancellation form in the event you no longer want to retain your certificate. Please copy this office with the actual form being mailed to the Secretary's Bureau, so we can close your Safety Fitness Review assignment.

The review will consist of a records / document examination and it is designed to assist you in being compliant with the regulations. I have enclosed a list of the documents you will need for the review and have included some blank copies if needed. You will need to obtain a current copy or have access to the Federal Motor Carrier Safety Regulations parts 40, 303, 325, and 350-399.

After reading this, please call Supervisor Tom Kepping at 717-433-7866 to schedule the date / time of your Safety Fitness Review. It will be held at the **Sheraton Hotel, (1<sup>st</sup> Floor), Harrisburg at 4650 Lindle Road, Harrisburg, PA 17111. The dates for the reviews are December 16, 17, 18, 19, and 20, 2019.**

I wish to thank you in advance for your cooperation and look forward to meeting you at the Sheraton. Thank you...

Sincerely,

Andy Turriziani

Eastern Regional Enforcement Manager
