**NEGOTIATED LIQUEFIED NATURAL GAS SERVICE - RATE LNG-N**

(C)

Rate: Applicable to all Negotiated Liquefied Natural Gas Services rendered pursuant to this Rate Schedule as described below.

AVAILABILITY

Available at the Company's sole discretion when Customer and Company have executed a customer agreement ("Customer Agreement") for service under this Rate Schedule. The Customer must be able to arrange for the withdrawal/delivery of the commodity (via pipeline, transport vehicle, exchange services, or other delivery mechanisms agreed to by the parties) from the Company's Liquefied Natural Gas facilities. If the Customer is providing the commodity, then the Customer must also be able to arrange for the transportation of the commodity (via pipeline to Company's City Gate or via transport vehicle or pipeline) to the Company's Liquefied Natural Gas facilities.

RATES and TERMS OF SERVICE

Service under this schedule is for Negotiated Liquefied Natural Gas services and may include, but is not limited to: 1) the provision of the commodity; 2) transportation of natural gas from the Company's City Gate to the Company's Liquefied Natural Gas facilities; 3) the liquefaction of the natural gas by the Company's Liquefied Natural Gas facilities; 4) the injection of the Customer's liquefied natural gas into the Company's Liquefied Natural Gas facilities; 5) the storage of liquefied natural gas; 6) the vaporization of liquefied natural gas; 7) the withdrawal of the liquefied natural gas via transport vehicle; and 8) the delivery of commodity from the Company's Liquefied Natural Gas facilities via pipeline, exchange services, or other delivery mechanism.

A Customer Agreement stipulating the negotiated rate(s) and negotiated terms of service shall be entered into between the Company and Customer when the Company, in its sole discretion, deems such offering to be economically advantageous to the Company. Depending on the negotiated terms, service under this rate will be either on a firm basis, which shall be interrupted only in cases of operating emergencies determined by the Company in its sole discretion, or on an interruptible basis in which case the Company reserves the right to interrupt service at Company's discretion pursuant to criteria set forth in the Customer Agreement. The negotiated rate(s) shall be in excess of the Company's incremental costs to provide service to the Customer.
