RE: Complaint filed by Knox Township verses Buffalo & Pittsburgh Railroad Inc. involving roadway clearance issues and falling concrete from abandoned railroad overpasses at public crossings (DOT 863 298 X), (DOT 863 296 J) and (DOT 863 302 K) where T-841, T-420, and T-405 cross, below grade, the right of way of Buffalo & Pittsburgh Railroad Inc., located in Knox Township, Jefferson County.
Docket No.: C-2019-3009358
Our File No.: 000239394.0396125

Dear Secretary Chiavetta:

This office represents Buffalo & Pittsburgh Railroad, Inc. ("BPRR"). Pursuant to your letter of September 10, 2019, BPRR completed the concrete work on the three (3) structures by October 22, 2019. It is BPRR's understanding that the required signage has not yet been furnished and/or installed by Knox Township. I have spoken with counsel for Knox Township, Jeff Gordon, and he has communicated with the township so that the signage installation can be completed.

Thank you.

Sincerely,

Scott D. Clements
