TO ALL PARTIES OF RECORD:

Re: *Lipsoss Corp Constructors v. Duquesne Light Company*

Docket No. C-2019-3012350

Dear Parties:

Enclosed please find a copy of Complainant's Petition for Permission to Withdraw Complaint Without Prejudice, which document was hand-delivered to my office today from Anastasios Smalis in the above-referenced Formal Complaint proceeding.

Mr. Smalis provided a Certificate of Service which indicates he provided a copy by hand-delivery to the presiding officer and by mail delivery to the attorney for Duquesne Light Company. However, the Certificate of Service does not indicate if a copy was provided to the Secretary's Bureau or to Complainant's counsel. Therefore, I am providing a copy herein and have caused a copy of the document and this letter to be filed in the Secretary's Bureau.

The Initial Hearing scheduled for January 15, 2020, will be cancelled in light of the Petition.

Sincerely,

Katrina L. Dunderdale
Administrative Law Judge

PETITION FOR PERMISSION TO WITHDRAW COMPLAINT WITHOUT PREJUDICE

AND NOW, comes complainant in filling this Petition for permission to withdraw complaint without prejudice due to the following reasons.

1. On December 13 2019 I have requested Attorney Craig Maracich to withdraw complaint without prejudice. As of today I have not had reply from Mr. Maravich and no petition to withdraw complaint was filed by attorney Maravich. Therefore it is believed that Mr. Maravich is no longer representing Anastasios Smalis and Lipsoss Corp Constructors.
2. The original Complaint was filed by Anastasios Smalis and Lipsoss Corp Constructors with 3 addendums to the complaint. The PUC without explanation only has Lipsoss Corp Constructors as a Complainant without explanation. The Secretary Rosemary Chiavettas office informed Anastasios Smalis that both names are on the Complian.
3. In contacting the office of Administrative Judge Katrina L. Dunderdale office response was negative as to why Anastasios Smalis was not a party to the Complaint as originally submitted.
4. Complainant believes the actions of legal counsel Emily Farah has not been properly cooperative to the fact an addendum is not recognized by the PUC and a new complaint has to be filed. Complainant believes these tactics by DLC counsel is the same tactics as Donna Murphy advising

Anastasios Smalis that DLC was here first and Anastasios Smalis built the building after. Complainant believes these are fraud tactics and counsel for DLC attempt by phone with attorney Craig Maravich was a fraud tactic and had no intentions in resolving fraud actions by DLC wires over complainants' roof less than 6 feet bare wires 23,000 volts with refusal since 2010 by letter from complainant to remove wires over complainants roof which prevented complainant from properly repair and replace roof and repair and replace back wall due to high-tension wires over the roof and less than 1 foot secondary wires. The fraud actions by the PUC, Secretatary Rosemary Chiavetta, DLC, Donna Murphy and its CEO and president Steven Malnight have committed fraud due to no recognition of the codes since 2010 in violation of complainants' 5th Amendment of the Taking clause, violation of the 14th Amendment and violation of 42 U. S. C 1983 against the above Rosemary Chiavetta, Steven Malnight president and CEO, Donna Murphy paralegal, PUC and DLC are defendants in the filling of Complaint in the U S District Court for the Western District of Pennsylvania.

5. By this petition complainant request approval of the petition to withdraw of complaint without prejudice is proper.

Respectfully Submitted
