Docket No. C-2019-3014260

METROPOLITAN EDISON COMPANY

**REPLY TO NEW MATTER OF METROPOLITAN EDISON COMPANY
TO THE ANSWER OF RESPONDENT**

Mark E. Chronister (Complainant) hereby submits his Reply to New Matter filed by Metropolitan Edison Company (Respondent).

11. Denied in part. Complainant does, as a person, have a direct and substantial interest in the subject matter of the Complaint filed. As we are all aware, having internet in today's world has become a necessity. When the one internet provider (Comcast) is willing to provide such service and is unreasonably interfered with, the P.U.C. should provide relief to its rural constituents. The Complainant tried through contact with Met-Ed up to the corporate level to request they cease with their unreasonable interference. All I was given was the "run around" and rudeness.

12. Denied. Complainant at no time has stated I am filing on behalf of Comcast.

WHEREFORE, Complainant, Mark E. Chronister, requests for the parties work towards a solution via the Office of Administrative Law Judge's Mediation Unit.

Respectfully submitted.

Mark E. Chronister
