APPENDIX A

AFFIDAVIT

RECEIVED

DEC 16 2019

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

[Commonwealth/State] of Pennsylvania:

County of Dauphin

:
: ss.

Andrew M. Kenworthy, Affiant, being duly sworn or affirmed according to law, deposes and says that:

Affiant is the Chief Operating Officer (Office of Affiant) of Herbert, Rowland & Grubic, Inc. (Name of Applicant);

That Affiant is authorized to and does make this affidavit for said Applicant;

That Herbert, Rowland & Grubic, Inc., the Applicant herein, has the burden of producing information and supporting documentation demonstrating technical fitness to be registered as a Utility Valuation Expert pursuant to Section 1329. 66 Pa. C.S. § 1329.

That Herbert, Rowland & Grubic, Inc., the Applicant herein, acknowledges that it has answered the questions on the application correctly, truthfully and completely and has provided supporting documentation as required.

That Herbert, Rowland & Grubic, Inc., the Applicant herein, acknowledges that it is under a duty to update information provided in answer to questions on this application and contained in supporting documents.

That Herbert, Rowland & Grubic, Inc., the Applicant herein, verifies that neither the UVE nor the UVE's firm, including affiliates, have a conflict of interest that would compromise, or have the appearance of compromising, the UVE's professional judgement and ability to perform the valuation in an unbiased manner.

That the facts above set forth are true and correct to the best of Affiant's knowledge, information, and belief, and that Affiant expects said Applicant to be able to prove the same at hearing.

Signature of Affiant

Sworn and subscribed before me this 5th day of December, 2019.

Department of State

To All to Whom These Presents Shall Come, Greeting:

Whereas, In and by Article VIII of the Business Corporation Law, approved the fifth day of May, Anno Domini one thousand nine hundred and thirty-three, P. L. 364, as amended, the Department of State is authorized and required to issue a

CERTIFICATE OF AMENDMENT

evidencing the amendment of the Articles of Incorporation of a business corporation organized under or subject to the provisions of that Law, and

Whereas, The stipulations and conditions of that Law pertaining to the amendment of Articles of Incorporation have been fully complied with by

HERBERT ASSOCIATES, INC.,
name changed to
HERBERT, ROWLAND & GRUBIC, INC.,

Therefore, Know Ye, That subject to the Constitution of this Commonwealth and under the authority of the Business Corporation Law, I do by these presents, which I have caused to be sealed with the Great Seal of the Commonwealth, extend the rights and powers of the corporation named above, in accordance with the terms and provisions of the Articles of Amendment presented by it to the Department of State, with full power and authority to use and enjoy such rights and powers, subject to all the provisions and restrictions of the Business Corporation Law and all other applicable laws of this Commonwealth.

Given under my Hand and the Great Seal of the Commonwealth, at the City of Harrisburg, this 30th day of December in the year of our Lord one thousand nine hundred and eighty and of the Commonwealth the two hundred and fourth.

William R. Davis

Secretary of the Commonwealth

Commonwealth of Pennsylvania
Department of State

Office of the
Secretary of the Commonwealth

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, Under the provisions of the Business Corporation Law, approved the 5th day of May, Anno Domini, one thousand nine hundred and thirty-three, P. L. 364, as amended, the Department of State is authorized and required to issue a

CERTIFICATE OF INCORPORATION

evidencing the incorporation of a business corporation organized under the terms of that law.

AND WHEREAS, the stipulations and conditions of that law have been fully complied with by the persons desiring to incorporate as

HERBERT ASSOCIATES, INC.

THEREFORE, KNOW YE, That subject to the Constitution of this Commonwealth and under the authority of the Business Corporation Law, I do by these presents, which I have caused to be sealed with the Great Seal of the Commonwealth, create, erect, and incorporate the incorporators of and the subscribers to the shares of the proposed corporation named above, their associates and successors, and also those who may thereafter become subscribers or holders of the shares of such corporation, into a body politic and corporate in deed and in law by the name chosen and hereinbefore specified, which shall exist perpetually and shall be invested with, and have and enjoy all the powers, privileges, and franchises incident to a business corporation and be subject to all the duties, requirements, and restrictions specified and enjoined in and by the Business Corporation Law and all other applicable laws of this Commonwealth.

GIVEN under my Hand and the Great Seal of the
Commonwealth, at the City of Harrisburg,
this 5th day of June
in the year of our Lord one thousand nine
hundred and sixty-two and of
the Commonwealth the one hundred and
eighty-sixth

E. James Trunarchi Jr.

Herbert, Rowland & Grubic, Inc.
Engineering & Related Services

AN EMPLOYEE-OWNED COMPANY

[BUILDING RELATIONSHIPS.
DESIGNING SOLUTIONS.]

Schedule A

Relevant Experience

During Herbert, Rowland & Grubic, Inc.'s (HRG) fifty plus year history, our professionals have successfully delivered engineering and financial solutions to diverse clients throughout the Mid-Atlantic region. Our team of professionals have engineering, accounting and related backgrounds, allowing us to fully integrate engineering and financial principles to achieve an in-depth, comprehensive utility analysis. We have experience designing, implementing and operating water and wastewater distribution, collection, conveyance and treatment facilities and have assisted a wide range of municipal and authority clients in: 1) weighing advantages and disadvantages of selling or leasing their utilities, 2) providing valuation of facilities for selling or leasing to private companies or other authorities, and 3) assisted in sale or lease negotiations on behalf of our clients.

Combining this experience and knowledge allows us to not only apply industry standards, but to evaluate the fair value of the utility using various industry approved methods including cost, market and income approaches. This provides a more balanced range of values that will be used to determine the utility's *fair market value*.

EXTENSIVE FINANCIAL SERVICES EXPERIENCE

The extensive background of our project team yields over 80 years of experience in engineering and financial consulting and includes the following financial services:

- Utility Valuation Studies
- Revenue Requirement Studies
- Cost of Service Studies
- Utility Rate Studies and Long Term Capital Financing Plans
- Rate Design Bond Feasibility Studies
- Capital Charge Studies
- Expert Testimony on Charge Related Matters
- Tax Exempt Bonds, Bank Loans and other Agency and Developer Financings
- Grant Administration and Compliance
- Comprehensive System Reviews
- Economic Impact/Feasibility Studies
- Utility Accounting and Budgeting

HRG has assisted numerous clients with valuations of utility for the purpose of selling or leasing the system. The following projects demonstrate our experience in working with municipalities and/or authorities in Pennsylvania to value system assets for the purpose of sale or lease:

[SCHEDULE OF VALUATION ASSIGNMENTS]

**Herbert, Rowland & Grubic, Inc.
Organizational Reporting Structure**

Schedule C

Schedule D

Robert C. Grubic, P.E. *Chief Executive Officer*

Mr. Grubic is the Chief Executive Officer (CEO) of HRG and has over 40 years of professional experience. He has served as President from 1989 – 2018 and under his direction, the firm significantly expanded its services and currently operates nine regional offices across Pennsylvania, West Virginia, and Ohio.

Mr. Grubic also continues to support many public and private sector clients, participating in all phases of project development from feasibility studies through financing, design, construction, and operations and maintenance.

As an active member of the engineering and business community, Mr. Grubic has held leadership positions in several organizations, including the Pennsylvania State Registration Board for Professional Engineers, Land Surveyors, and Geologists; the Harrisburg chapter of the Pennsylvania Society of Professional Engineers; the Harrisburg Regional Chamber of Commerce; the Harrisburg Builders Exchange, the Board of Directors of Central Penn College, and Mid Penn Bank.

AREAS OF EXPERTISE

- Municipal engineering
- Land use and land development
- Water resources engineering
- Roadway and bridge design

RELATED EXPERIENCE

Mr. Grubic previously served as vice president and executive vice president of HRG from 1981 to 1988. He originally joined the firm as a project engineer in 1973 and has been a shareholder since 1978. Prior to joining HRG, Mr. Grubic performed civil engineering services for the Pennsylvania Department of Environmental Resources, Bureau of Natural Resources. There, he completed investigations, studies, and reports in conjunction with water resource programs in Pennsylvania.

Education

- B.C.E., Civil Engineering, Villanova University, 1973
- M.B.A., Business Administration, The Pennsylvania State University, 1980

Licenses & Certifications

- Professional Engineer, PA
- Professional Engineer, MD
- Professional Engineer, DE

Affiliations & Involvement

- Mid-Penn Bank – Chairman of the Board of Directors
- American Society of Civil Engineers
- National Society of Professional Engineers

[BUILDING RELATIONSHIPS. DESIGNING SOLUTIONS.]

Jason A. Fralick, P.E.

President

Mr. Fralick oversees the daily operations of a multi-million dollar civil engineering firm operating throughout the Mid-Atlantic Region. He leads the development and implementation of the company's strategic business plans. He also leads initiatives related to client development and engagement, marketing, operations, finance, human resources, and administrative operations. He is an HRG shareholder and a member of the HRG board of directors. He is also actively involved in the communities he serves through various board positions, volunteer programs, and youth sports (as a coach).

Mr. Fralick has been with HRG for more than 25 years and has held various leadership positions since joining the firm as an intern in 1991. He has served clients across all of HRG's geographic markets and service areas. As a result of his strong interpersonal and communication skills, his career advanced quickly from Staff Engineer to Project Manager, then from Land Development Service Group Manager to State College Office Manager, and, most recently, Western Region Vice President.

Education

- BS, Civil Engineering, Bucknell University, 1993

Licenses & Certifications

- Professional Engineer, PA

Affiliations & Involvement

- Leadership Centre County Class of 2007
- Leadership Centre County Board of Directors President (2008-Present)
- Foxdale Village Board of Directors (2007-2011)
- Halfmoon Township Park and Recreation Board (2008-2012)
- Centre Soccer - Coach

AREAS OF EXPERTISE

- Land development and site design
- Water systems engineering
- Wastewater systems engineering
- Municipal engineering

RELATED EXPERIENCE

With more than 20 years of progressive civil engineering experience, Mr. Fralick provides client and project management services related to facilities planning, design, and construction administration, for a variety of civil engineering project types. He serves as consulting engineer to several municipal authorities and municipalities.

In addition, Mr. Fralick has a diverse background and expertise in civil engineering practice related to the land development, water and wastewater, transportation, and municipal sectors. He is very knowledgeable of regional ordinances and regulatory requirements for development projects as well as cost-effective and aesthetically pleasing site layout and infrastructure design. He is also well-versed in environmental regulations, project financing, and construction and contract administration. Also, Mr. Fralick has extensive expertise in the design of roadway and stormwater improvements for municipalities.

Over the years, Mr. Fralick has provided land development and site design services to a broad range of clients, including economic development agencies, retirement communities, residential developers, school districts, commercial retailers, and cellular communications companies.

He has also provided engineering services on dozens of sewer line, water treatment plant, and wastewater treatment plant projects. In addition, Mr. Fralick serves as the municipal engineer for several townships and boroughs, designing roadway and stormwater improvements and providing general review services.

Andrew M. Kenworthy, P.E. *Chief Operating Officer*

Mr. Kenworthy directs all technical and project delivery operations for a multi-million-dollar civil engineering firm. He works with technical practice area leaders to develop and implement service group quality management plans that conform to HRG's policies and the industry standard of care. He supports assistant vice presidents in each of HRG's regions on tasks related to administration, staffing, business development, marketing, and client management.

Mr. Kenworthy has experience in municipal and public engineering projects; private land development, subdivision, and zoning; planning; bidding; and construction administration as well as business management and strategic development. These activities utilize his comprehensive management skills to complete technical projects; secure local, state, and federal permits; maintain budgets and schedules; present expert testimony; enhance client-consultant relations; and maintain regional operations.

He provides plan review, capital improvement, and consulting services to several municipalities. His projects have included new construction and expansions, master planning, and civil engineering services related to various types of development.

AREAS OF EXPERTISE

- Municipal engineering and representation
- Planning, zoning, and land-use applications
- Infrastructure
- Land development and site design
- Water resources
- Private developments
- Transportation
- Project Funding
- Business Management

RELATED EXPERIENCE

Prior to joining HRG, Mr. Kenworthy was a project engineer with a development firm in Wayne, PA. His responsibilities included residential and commercial subdivisions and land developments.

Education

- B.S., Civil Engineering, Villanova University, 1992

Licenses & Certifications

- Professional Engineer, PA

Affiliations & Involvement

- American Society of Civil Engineers
- International Council of Shopping Centers (ICSC)
- Holy Spirit Hospital Corporation Board
- St. Catherine Laboure Church and School Volunteer

Prior Affiliations

- Greater Harrisburg Association of Realtors
- Dauphin County Land Bank Authority
- Rotary Club of Harrisburg

Bruce A. Yerger

Vice President/Chief Financial Officer

Mr. Yerger is vice president and chief financial officer with Herbert, Rowland & Grubic, Inc. (HRG) overseeing the Accounting Services Group. He is a senior executive with over 30 years of comprehensive experience including both technical and broad managerial responsibilities.

AREAS OF EXPERTISE

- Operations, administrative and financial management
- Strategic Planning
- Managing change/organizational transition
- Cash forecasting and financial reporting and analysis
- Policy/procedure development and systems development

RELATED EXPERIENCE

Mr. Yerger has amassed diverse experience in the corporate sector. His expertise ranges from project management and employee development to high-level strategic planning and financial management.

He currently oversees the financial operations of HRG. Mr. Yerger utilizes his strong technical and management skills to ensure the future stability and growth of the firm.

His past vast experience includes coordination of corporate operations and management of corporate administrative and maintenance functions and the professional liability program. In addition, he has been responsible for capital expenditures, preparation of corporate budgets, fleet management, lease negotiations and execution, legal counsel coordination, cost and expense control, and coordinating audits external auditors.

Mr. Yerger has shared his expertise through various publications and presentations, including:

Publications:

Yerger, Bruce A. "Prescription for Success." Beyond Computing Magazine, April 1996.
Yerger, Bruce A. "Consultants in the Workplace: Are They Worth the Price?" Best Week-P/C Edition, June 12, 1995.

Yerger, Bruce A. "Don't Let Consultants Run Away With Your Company", Best's Review - P.C., October 1995.

Presentations:

Yerger, Bruce A. "Energy Deregulation in Maryland", Maryland Energy Institute, March 9, 2000.

Yerger, Bruce A. "Energy Deregulation in Maryland", County Engineers' Association of Maryland, May 11, 2000.

Yerger, Bruce A. "Energy Deregulation in Pennsylvania", National Association of Women in Construction, Central Pennsylvania Chapter, January 18, 2000.

Education

- Studies, Accounting, The Pennsylvania State University

Licenses & Certifications

- Certificate of Insurance, Insurance Institute of America

Affiliations & Involvement

- Member, Leadership Harrisburg Area Alumni Association
- Graduate, Allied Arts Associate Program, Class of 1995

Wendy Jewell

Corporate Secretary/Director of Administration

Ms. Jewell is HRG's Director of Administration with over 30 years of professional experience. She is responsible for providing leadership and direction to HRG's Administrative Services Group. Included in these responsibilities are the management and coordination of HRG's administrative personnel, ensuring excellence in serving external clients, promoting the development and implementation of HRG standards to ensure consistency of operations and efficiency of workflow while providing quality-driven, time-efficient support to HRG's internal clients. Ms. Jewell selects, trains, motivates and evaluates administrative personnel and is responsible for the development and implementation of administrative objectives and priorities, based on organizational and internal client directives.

Ms. Jewell is responsible for facility management of the Harrisburg office and serves as liaison to regional offices for guidance and support in the acquisition building services and maintenance. She also provides coordination and assistance with opening new offices, office relocations and closures.

Education

- B.S., Education, West Georgia College, Carrollton, GA, 1977

Licenses & Certifications

- Pennsylvania Notary

AREAS OF EXPERTISE

- Planning, organization and scheduling
- Program development and implementation
- Facility management
- Travel planning and event coordination
- Supplier selection and coordination

Ms. Jewell also serves as the company's corporate secretary, responsible for maintaining corporate records.

[BUILDING RELATIONSHIPS. DESIGNING SOLUTIONS.]

Brian D. Emberg, P.E.

Senior Vice President/Chief Technical Officer

Mr. Emberg began his career more than 30 years ago and has amassed diverse experience through the successful design and management of hundreds of infrastructure projects. His understanding of project management and keen sense of business practices has lead him to his current position as Senior Vice President and Chief Technical Officer at Herbert, Rowland & Grubic, Inc. (HRG). In this role, he is responsible for the management and oversight of the firm's technical service groups and marketing, client management, and the maintenance and execution of quality management plans. Additionally, he possesses responsibility for technical service line development, sales and marketing, and client service.

AREAS OF EXPERTISE

- Quality Assurance/Quality Control
- Project Management
- Aviation
- Bridge Design
- Bridge Inspection
- Rail Design
- Roadway Design
- Structural Engineering
- Project Funding

RELATED EXPERIENCE

Mr. Emberg has played an integral role in HRG's success over his 27 year tenure. During his time with HRG, he served in several leadership roles, ranging from project manager to director of the company's transportation related initiatives to his current position as chief technical officer.

Mr. Emberg has completed a broad range of infrastructure improvement projects for diverse clients such as local and state government entities, airports, and land developers. Specifically, he has designed or inspected bridges ranging in size from single-span, municipally and county owned structures to multi-span bridges owned by the state (including historical landmark structures). His past experience also includes the design of dozens of roadway reconstruction and rehabilitation projects, ranging from single intersections to miles of arterial highway and interstate interchanges. In addition, he has provided structural engineering services for several maintenance garages and engineering services for a wide variety of transportation land development projects such as rest areas, service plazas, and parking facilities.

Adrienne M. Vicari, P.E.

Financial Services Practice Area leader

Ms. Vicari has over 15 years of experience in a broad range of financial, project management, and engineering design services for municipal wastewater, water, and stormwater clients. Ms. Vicari uses asset management and capital improvement planning as tools in completing long range strategic financial planning for clients, which includes the obtainment of federal, state and local project financing, and the development of user rates and charges.

As the Financial Services Practice Area Leader for HRG, Ms. Vicari takes pride in helping clients find long-term solutions to address budget shortfalls, including analyses to determine if complex financial transactions such as the creation of a stormwater authority or leasing of utilities achieves short-term gains and meets the long term needs of a community.

Her comprehensive knowledge of available funding programs results in the design of unique financing packages including, bonds, loans and grants to fit project goals. Ms. Vicari is skilled in rate and cost of service studies, tapping fee studies, wholesale user charges, surcharge analysis and the like. In addition, Ms. Vicari has designed water, wastewater and stormwater infrastructure projects and has experience with feasibility studies, environmental plans and reports, permit applications, and construction administration.

Ms. Vicari has worked with over 90 municipalities in Pennsylvania on Stormwater Utility/Authority feasibility analysis, authority implementation or regional stormwater management initiatives.

Her expertise includes Utility Valuation Expert (UVE) services and related valuation/Cost Benefit Analyses for municipalities throughout the Commonwealth.

Education

- B.S., Civil Engineering, Valparaiso University, 2001

Licenses & Certifications

- Professional Engineer, PA
- Professional Engineer, OH

Affiliations & Involvement

- Pennsylvania Water Environment Association (PWEA)
- Pennsylvania Municipal Authorities Association (PMAA)
- Society of Women Environmental Professionals

AREAS OF EXPERTISE

- Long-range capital plans and funding strategies
- Grant and loan financing/administration
- Utility rate studies/cost of service studies
- Act 57 capital charge studies
- Asset management plans
- Stormwater authority development
- Valuation studies/utility sales & lead analysis
- Program management
- Expert testimony on charge related matters
- Budget assistance and review
- Inter-municipal agreements/wholesale service fee development
- Economic impact studies
- Impact fees/assessment programs/Act 13
- Act 47 recovery plans
- Infrastructure management

Kevin M. Fox, P.E.

Financial Services Service Group Manager

As a financial services team leader, Mr. Fox he and his staff provide financial consulting services to water and wastewater utilities, municipalities, and municipal authorities, and provide grant administration and compliance services to the Commonwealth of Pennsylvania.

Mr. Fox has close to 30 years of experience in the engineering field, with a particular emphasis on water and sewer utilities. He has extensive experience calculating water and sewer rates and assisting with the management of utility budgets. He also has a master's degree in both engineering and business administration.

His expertise includes Utility Valuation Expert (UVE) services and related valuation/Cost Benefit Analyses for municipalities throughout the Commonwealth.

AREAS OF EXPERTISE

- Self-liquidating debt reports
- Budget preparation
- Valuation studies/utility sales
- Capital charge studies/Act 57 tapping fee evaluations
- Financial analysis and reporting
- Wastewater collection and treatment design
- Water distribution planning and design
- Act 57 capital charge studies
- Site remediation

Education
