RE: Eisenbach Consulting, LLC  
File Number: 800339877

It has been our pleasure to file the articles of organization and issue the enclosed certificate of organization evidencing the existence of the newly created limited liability company.

Unless exempted, limited liability companies are subject to state tax laws, including franchise tax laws. Shortly, the Comptroller of Public Accounts will be contacting the company at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the company. The first year franchise tax return will be due a year and ninety days following organization. Thereafter, an annual franchise tax return is due in May of each year. If you need to contact the Comptroller about franchise taxes, you may contact the agency by calling (800) 252-1381, by e-mail to [tax.help@cpa.state.tx.us](mailto:tax.help@cpa.state.tx.us) or by writing P. O. Box 13528, Austin, TX 78711-3528. Telephone questions regarding other business taxes, including sales taxes, should be directed to (800) 252-5555.

Limited liability companies do not file annual reports with the Secretary of State. Documents will be filed with the Secretary of State if the company needs to amend one of the provisions in its articles of organization. It is important for the company to continuously maintain a registered agent and office in Texas. Failure to maintain an agent or office or file a change to the information in Texas may result in involuntary dissolution of the company.

If we can be of further service at any time, please let us know.

Sincerely,

Corporations Section

Dear Angela Miles:

We are pleased that Eisenbach Consulting, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Eisenbach Consulting, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Eisenbach Consulting, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Eisenbach Consulting, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Eisenbach Consulting, LLC changes in the future, Columbia Gas might deem it appropriate to require Eisenbach Consulting, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4980 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Dear Ms. Eisenbach:

We are pleased that Eisenbach Consulting, LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples Natural Gas Company LLC – Equitable Division, and Peoples Gas Company LLC (formerly Peoples TWP) (“the Companies”).

Since Eisenbach Consulting, LLC is not currently serving customers on the Peoples systems, we have determined at this time that Eisenbach Consulting, LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company’s exposure to Eisenbach Consulting, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6931 or by email at [Carol.Scanlon@peoples-gas.com](mailto:Carol.Scanlon@peoples-gas.com).

Re: Eisenbach Consulting, LLC

Dear Angela,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Eisenbach Consulting, LLC (EC) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EC must furnish acceptable security to each utility where EC will do business. As such, under its tariff, NFGDC could require EC to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that EC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EC will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, EC does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EC change in the future, NFGDC reserves the right to require security from EC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Yours truly,

Re: Broker Requirements

Dear Eisenbach Consulting, LLC:

PECO is aware that Eisenbach Consulting, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, Eisenbach Consulting, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Eisenbach Consulting, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Eisenbach Consulting, LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Eisenbach Consulting, LLC the creditworthiness requirement for PECO's exposure to Eisenbach Consulting, LLC changes in the future, PECO reserves the right to require Eisenbach Consulting, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

**RE: Eisenbach Consulting, LLC  
Application to Serve as a Natural Gas Broker**

Dear Ms. Miles,

Based on your assertion that Eisenbach Consulting, LLC ("Eisenbach") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Eisenbach will not need to post security with UGIU. This is based on the declaration that Eisenbach will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Eisenbach wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.
