PETITION FOR RECONSIDERATION

Dear Sir/Madam:

I just received the revised CRP payment amount. It is almost exactly as the first amount that they sent me even with less income than before! Why? I request another hearing on this matter; because this was not the financial understanding that I had with the representatives from PGW, at our December 12, 2019 phone conference.

Sincerely;

A handwritten signature in blue ink that reads "Waliyyuddin S. Abdullah" followed by a horizontal line.
