AUS CONSULTANTSCurriculum Vitae (CV) of David G. Weiler

Valuation Services Group of AUS Consultants - Mr. Weiler, Vice President, joined the Valuation Services Group in 1984. Since that time, he has concentrated on all aspects of modern financial valuation. He has provided service to industrial, financial and utility clients in many diverse assignments.

Mr. Weiler has concentrated in the valuation of business enterprises and closely-held common stock. The business enterprise assignments include valuation opinions for possible sale, merger and condemnation. Common stock valuation assignments relate to estate tax matters, Employee Stock Ownership Plans, fairness opinions and sales of minority interest holdings.

The identification and valuation of intangible property in purchase price allocations for Federal Income Tax purposes, for collateral consideration in commercial lending, for liquidation purposes and to measure equity contributions to joint ventures are also a part of Mr. Weiler's experience. Some intangible property valued include patents, trademarks, core deposits, copyrights, proprietary know-how, software, license agreements and customer bases. He has also performed statistical studies on the economic remaining life of this intangible property.

Managing Director of RoyaltySource7 Intellectual Property Database. Mr. Weiler established the RoyaltySource Intellectual Property Database in June 1997. Since that time he has continuously investigated and developed the searchable database of technology and trademark sale and licensing transactions. The database is accessed worldwide by major accounting firms, law firms, and consultants in evaluating licensing and sale transactions involving intellectual property.

Utility Services Group of AUS Consultants. Mr. Weiler performed extensive financial analyses relating to industrial and public utility companies utilizing reference material, Standard & Poor's Compustat Services and other financial data bases and software. He was responsible for cost of capital studies as well as related testimony in public utility rate making proceedings for utilities providing water, natural gas, electric and telephone service.
