Docket No. C-2018-3006031

STATUS REPORT FOR MICHAEL T. JENNINGS V. WEST PENN POWER COMPANY

Date: December 29, 2019

Dear Honorable Judge Watson,

On August 12, 2019, Your Interim Order Providing for Third Revised Litigation Schedule was entered, revising the litigation schedule in this proceeding. Item number 4 established that on or before December 31, 2019 the parties shall file a status report and serve the opposing Party and the undersigned Presiding Officer. The submission of this Status Report for *Michael T. Jennings v. West Penn Power Company* fulfills item number 4 of the Litigation Schedule.

I filed my testimony and the testimonies of my witnesses, which was due on November 1, 2019, on November 25, 2019 as I was waiting for West Penn Power to sign the Protective Order which Your Honor entered on October 24, 2019. West Penn Power did not sign and file the Acknowledgement of Protective Order until November 13, 2019.

During this time, my son's health is and was a huge factor, resulting in another visit to the ER on November 20, 2019. Once this particular health crisis eased, I was able to gather all of the testimonies and exhibits and appropriately prepare them for filing and mailing. This was no small task due to the size of the material, the amount of copies, and putting the documents on

flash drives because of the requirements for confidential information and filings over 250 pages.

On November 4, 2019 I received a letter from West Penn Power stating they would not be serving advance rebuttal testimony because of my late filed testimonies. I would still like to have the rebuttal testimony and said as much to West Penn Power.

I have fulfilled all of the items of the Third Revised Litigation Schedule with the submission of my Status Report.

Complainant's Certificate of Service has been filed with the Commission's Secretary, in accordance with Commission Regulations.

Respectfully Submitted,

Michael T. Jennings, Complainant
