v.

Docket No. C – 2019 – 3014903

**Philadelphia Gas Works
Preliminary Objections and Motion to Strike**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objections to the Complaint filed in the above captioned matter on the grounds that the Commission lacks jurisdiction over the subject matter of the Complaint, and that the Complaint includes impertinent matter in its requested relief to refund the amount collected in satisfaction of a municipal lien, and moves to strike the requested relief as “impertinent matter” pursuant to 52 Pa. Code §§5.101(a)(1) and (2).

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about September 23, 2019, the Complainant filed a formal complaint against PGW with the Commission under the above captioned matter, regarding Parts and Labor refund for 2816 S. 65th Street, Philadelphia, Pennsylvania (Subject Property).

2. The Complainant purchased the Parts and Labor Plan on November 1, 2018. This plan covered the house heater and central air conditioner system and check and adjustment for the Subject Property.

3. On May 29, 2019, a PGW technician arrived at the Subject Property for an air conditioner order. The technician noted that there was no line voltage to the outdoor unit and referred the Complainant to a contractor.

4. The Complainant states that a contractor referred her to an HVAC technician.

5. The Complainant states that an HVAC technician replaced the capacitor and charged her \$250.

6. The Complaint requests relief in the form of a Commission order to have PGW apply a \$250 credit to her account.

7. The Commission lacks jurisdiction over PGW's PLP as it is considered an unregulated activity.

8. Pursuant to 52 Pa. Code §5.101, PGW objects to the Complaint on the grounds that the Commission is without authorization to grant the Complainant's request from compensation for damages for an alleged break of the PLP contract. PGW therefore moves to strike the Complainant's request for compensation as "impertinent matter" pursuant to 52 Pa. Code §§5.101(a) (1) and (2).

9. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

(1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.

52 Pa. Code §5.101(a) (2)¹

10. Pennsylvania appellate courts have repeatedly held that the Commission is without power to award monetary damages to a private litigant. *Feingold v. Bell of Pennsylvania*, 383 A.2d 791 (1977); *West Penn Power Co. v. Pa. Public Utility Commission*, 479 A.2d 548 (1984)

¹ 52 Pa. Code §5.101(a) (2) emphasis added.

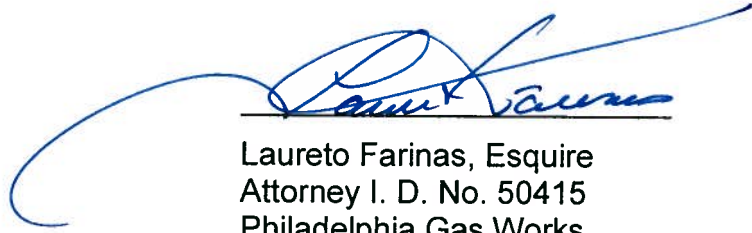

11. A prayer for relief in the form of monetary compensation for damages is not recoverable in the cause of action before this Commission as the Commission is without authorization to award compensation for damages. The request for relief is irrelevant to the instant cause of action and therefore "impertinent matter" within the use and meaning of 52 Pa. Code §5.101(a) (2).

12. The Complainant's request for compensation for damages as a form of relief should be stricken from the Complaint pursuant to Pa. Code §5.101(a) (2).

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objections to the Complaint and dismiss the Complaint for lack of jurisdiction and strike off the requested relief as impertinent matter.

Respectfully submitted,
