**Re: A- 6421798 and A-2019-3008444**

To Whom It May Concern:

My name is Irina Bezpalaia and I received a Certificate of Public Convenience on July 22, 2019. I was given 180 days to complete a Safety Fitness Review with a PUC enforcement officer. I am requesting a 90-day extension. We have not begun our business yet and are determining which insurance companies would utilize our service; this process will take several months. I spoke with an agent this morning and they advised me that an extension was possible but recommended that I submit a written request. If possible, may we have until April 30, 2020 to provide the required safety documentation?

Very Sincerely,

Irina Bezpalaia
