Regarding C-2019-3014839

I was behind on my insurance payments to the agent, I did make two payments on November 07, 2019 knowing that cancellation was to happen on November 27, 2019 but the agent cancelled the policy anyway. I had a balance of \$2,642.77 which I paid in December, the check was held until after the New Year. The insurance policy ran from January 05 2019 to January 05 2020.

There has not or was not any activity or movement of vehicles since October of 2019.

The business has been closed as of December 31, 2019 and all vehicle plates have been turned in to the Bradford PA notary for submission to the PA Dept. of Motor Vehicles.

Also, I sent in the \$500.00 money order to Ms. Chiavetta, Secretary on 12-19-19
