In re: Application of Chevron Appalachia, LLC for approval to alter the public crossing (DOT 367 800 C) by installation of underground armored three metal clad multi-conductor electric cable where East Riverside Road (T-305) crosses, below grade, the track of Norfolk Southern Railway Company located in Luzerne Township, Fayette County.

To whom it may concern:

The above-captioned application filed on October 18, 2019 with the Commission and installation plans subsequently filed on November 26, 2019, requesting approval to alter the crossing by the installation of an underground armored three metal clad multi-conductor electric cable through the public crossing where East Riverside Road (T-305) crosses, below grade, the track of Norfolk Southern Railway Company located in Luzerne Township, Fayette County.

It is requested that each party in interest review the application and notify the Commission by letter of any objection to the application before February 3, 2020. If any objection to the application is not filed with the Commission by the above stated date, the Commission will approve the application permitting Chevron Appalachia, LLC, to install its facilities through the public crossing listed in the above caption.

Very truly yours,
