**Re: Christopher L. Macey v. West Penn Power Co.
Docket no. C-2019-3012705**

Dear Administrative Law Judge Johnson:

Currently there is a telephonic hearing scheduled for January 28, 2020 at 10 AM on this case. I want to request that the parties be present in your chambers for the hearing, as opposed to the telephonic hearing.

If there is an issue regarding scheduling for the West Penn Power attorneys, I certainly am quite willing to have the hearing re-scheduled to accommodate their convenience. For your information to assist in scheduling, I have no other commitments scheduled through the end of February that I could not change given a week's notice.

Very truly yours,

Christopher L. Macey, Complainant
