Dear Robert,

Unfortunately for me, I fell and was injured preparing the house my mother lives in September 2018, hospitalized and had surgery on my shatter wrist/hand. I was not able to fulfill the requirement for license and insurance. I did NOT apply, operate, advertise, and promote B&C Limousine.

Under the direction of my attorney, I had to file for chapter 11. I have done so and started the repay payment process.

I currently work 3 part time jobs; the car service was a passion of mine. Now the whole industry is bastard with a four letter word in neon. I can and will do the right thing. Unfortunately again for me, I do NOT have any extra income or the desire to compete with an app with no boundaries, rules or regulations.

So please! Let me know how I can satisfy the PUC.

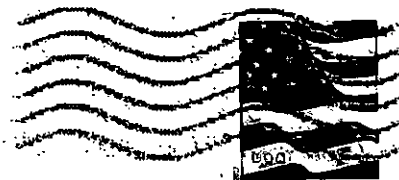

Benjamin Zulli
