RE: Docket #C-2020-3015296

PUC #A-8920031

Dear Ms. Chiavetta,

Please be advised that in response to the captioned complaint, I have determined the cause of the error, and taken corrective action.

The error was originally caused by the insurance companys failure to issue proper filings with the PUC. Form E Liability had been filed, while Form H Cargo had not. Each time I was notified of the issue, I was assured by the insurance company that the filing(s) had been made.

Upon recognizing in the Complaint that it was one out of two filings that had been neglected, I contacted the insurance company, and convinced them to re-file the Form H for Cargo. I followed up the next day to confirm that all necessary filings had been completed and accepted by PUC.

I apologize for the confusion, and hope that this provides a satisfactory resolution.

Respectfully,

Harold F. Sweet, Owner
