Re: Interexchange Telecommunications Carriers (IXC)
D&E Systems, Inc., d/b/a D&E Long Distance
Docket No. M-00051869

Dear Secretary McNulty:

Act 183, effective December 1, 2004, amends Title 66 of the Pa. Consolidated Statutes by enacting an amended version of the original Chapter 30 legislation. Pursuant to section 3018 (a) all interexchange services provided by IXCs are now deemed competitive. IXCs have the option to cancel their respective tariffs already filed with the Commission.

D&E Systems, Inc., d/b/a D&E Long Distance ("D&E") requests that Tariff – Telephone – PA PUC No. 4, D&E's Intrastate Long Distance tariff, be canceled in its entirety. D&E understands that by canceling its tariff, D&E is now governed by state contract law and the applicable requirements set forth in the state consumer protection law. D&E discloses to the public, the respective rates, terms and conditions of its service via the company's website, <http://www.decommunications.com>.

Kindly acknowledge receipt of this filing by stamping the enclosed copy and returning it in the envelope we provided.
