BEFORE THE  
PENNSYLVANIA PUBLIC UTILITY COMMISSION

JEFFREY ARMSTRONG	:	
	:	
v.	:	Docket No. C-2020-3019011
	:	
WEST PENN POWER COMPANY	:	

**PRELIMINARY OBJECTIONS TO THE  
FORMAL COMPLAINT OF JEFFREY ARMSTRONG**

West Penn Power Company (West Penn or Company), by and through its attorneys, Reger Rizzo & Darnall LLP, pursuant to 52 Pa. Code § 5.101, hereby files its Preliminary Objections to the Formal Complaint of Jeffrey Armstrong (Complainant) filed in the above-captioned proceeding.

West Penn avers the subject of the Formal Complaint is beyond the jurisdiction of the Pennsylvania Public Utility Commission (Commission) who is without authorization to grant the Complainant's request for damages. The Formal Complaint includes impertinent matter in its requested relief. Therefore, West Penn requests that this Preliminary Objection be granted and that the Commission: (1) grant its Preliminary Objections and strike the Complainant's requests for monetary damages; (2) expressly prohibit the Complainant from introducing any testimony or exhibits at any evidentiary hearing regarding alleged damages; and (3) grant the Company such other relief as may be just and reasonable under the circumstances.

In support of its preliminary objections, West Penn states as follows:

## **I. Procedural Background**

1. West Penn is an electric distribution company certificated as a public utility permitted to operate within the Commonwealth in Pennsylvania and provides residential electric service to the Complainant under Account No. 100095925077.

2. The Complainant resides at 439 Butler Street, Springdale, Pennsylvania (Service Location). He filed a Formal Complaint alleging a power surge caused damage to personal property. He seeks “restitution in the amount of \$1,438.33 to cover replacing/repairing damaged property” for January 5, 2020 event at the Service Location. Formal Complaint, at ¶ 5.

3. In its Answer and New Matter being served contemporaneously with this Preliminary Objection, West Penn denied that the January 5, 2020 event was within the Company’s control.

4. Pursuant to 52. Pa. Code § 5.101, West Penn objects to the relief requested, to the extent that the Complainant seeks compensation from West Penn for the alleged damage to his property. The Commission lacks jurisdiction to award monetary damages.

## **II. Argument**

5. The Commission’s Rules of Practice and Procedure permit parties to file preliminary objections. The grounds for preliminary objections are limited to those set forth in 52 Pa. Code § 5.101(a) as follows:

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.
- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.
- (3) Insufficient specificity of a pleading.
- (4) Legal insufficiency of a pleading.
- (5) Lack of capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action.
- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution.
- (7) Standing of a party to participate in the proceeding.

6. Commission's procedure regarding the disposition of preliminary objections is similar to that utilized in Pennsylvania civil practice. *Equitable Small Transportation Intervenors v. Equitable Gas Company*, Docket No. C-00935435 (Opinion and Order entered July 18, 1994).

7. In the instant Formal Complaint, the Complainant requests, *inter alia*, to be compensated for the alleged damaged personal property.

8. Clearly, that requested relief sought through the Formal Complaint is an award of monetary damages from the Company.

A. Impertinent Matter

9. The Commission's procedural regulations allow a party to object to pleadings that fail to comply with the rules of administrative practice or that include scandalous or impertinent matters. See 52 Pa. Code § 5.102(a)(2).

10. It is well-established under Pennsylvania law that the enforcement powers of the Commission do not include the power to award money damages. *Elkin v. Bell Tel. Co. of PA.*, 420 A.2d 371 (Pa. 1980); *Feingold v. Bell of Pa.*, 383 A.2d 791 (Pa. 1978); see *Nagy v. Bell Tel. Co. of PA.*, 436 A.2d 701 (Pa. Super. 1981).

11. In *Feingold*, the Pennsylvania Supreme Court explained:

. . . the statutory array of PUC remedial and enforcement powers does not include the power to award damages to a private litigant for breach of contract by a public utility. Nor can we find an express grant of power from which the power to award such damages can be fairly implied. Thus, it can be concluded that the Legislature did not intend for the PUC to have such a power.

*Feingold*, 383 A.2d at 794.

12. The Court of Common Pleas retains original jurisdiction over suits for monetary damages. *Behrend, supra*.

13. A prayer for damages, which are not legally recoverable in the cause of action, is “impertinent matter” in the sense that it is irrelevant to that cause of action and is correctly challenged through a motion to strike the requested relief as impertinent matter. *Third Avenue Realty Limited Partners v. Pennsylvania-American Water Co.*, Docket No. C-2010-2167286 (Final Order entered September 30, 2010) (citing *Hudock v. Donegal Mut. Ins. Co.*, 264 A.2d 668 (Pa. 1970)).

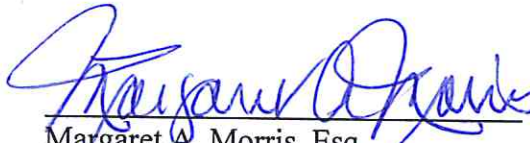

14. The Complainant’s requested relief of damages is irrelevant to the instant cause of action and therefore an “impertinent matter.”

15. Therefore, in accordance with Pennsylvania law, this Commission does not have the power to award monetary damages and the Complainant's request for money damages is an impertinent matter that must be stricken within the use and meaning of Commission regulation at 52 Pa. Code § 5.101(a)(2).

**WHEREFORE**, Respondent, West Penn Power Company, requests that the requested relief for compensation be stricken from the Formal Complaint filed by Jeffrey Armstrong for lack of subject matter jurisdiction.

Respectfully submitted,
