RE: Annual Compliance Filing of Direct Energy Business, LLC for Continuation of 5% Reduction in Security Requirements; Docket No. A-110025; Utility Code 110025

Dear Secretary Chiavetta:

Direct Energy Business, LLC ("Direct Energy") received authority to reduce its security with the Pennsylvania Public Utility Commission from 10% to 5% of Direct Energy's most recent twelve months of revenue, pursuant to the Secretarial Letter dated October 5, 2015. The Commission granted Direct Energy continuations of that 5% reduction in security requirements in 2016, 2017, 2018 and 2019. Direct Energy's current financial security reduction is effective until June 17, 2020. Direct Energy files this Annual Compliance Filing to renew its security at the reduced level of 5% based on its most recent twelve months of revenue.

Direct Energy provides the following information and documentation in support of its Annual Compliance Filing:

- 1) A spreadsheet of Direct Energy's gross receipts in Pennsylvania for the most-recent 12 months (February 2019 through January 2020) attached hereto as Appendix A (**CONFIDENTIAL**);
- 2) A copy of Direct Energy's confirmation from the Pennsylvania Department of Revenue that it has prepaid gross receipts, attached as Appendix B (**CONFIDENTIAL**);
- 3) A letter from the AEPS Administrator confirming Direct Energy's compliance with AEPS requirements attached hereto as Appendix C (**CONFIDENTIAL**); and
- 4) Direct Energy is compliant with the Commission's annual and supplemental fee requirements.

To satisfy the financial security requirements, Direct Energy will maintain its current letter of credit on file with the Commission, which does not have an expiration date.

Direct Energy requested a Tax Status Letter from the Pennsylvania Department of Revenue to evidence that it is current with its tax liabilities to the Commonwealth. Upon receipt of the Tax Status Letter, Direct Energy will supplement this Annual Compliance Filing.

The deadline for Direct Energy to file the Annual Compliance Filing to renew its security reduction request with the Commission falls very close to the March 15th due date for paying estimated gross receipts tax. This presents challenges for Direct Energy to obtain the necessary tax documents for the Annual Compliance Filing. Consequently, Direct Energy respectfully requests that the Commission consider adjusting Direct Energy's security reduction expiration date so that the deadline for the Annual Compliance Filing is at the end of March in future years.
