RE: **Docket Nos. F-2019-3008809 and F-2019-3008832**

Accompanying this letter for correct filing is *COMPLAINANTS' MOTION IN OPPOSITION TO RESPONDENT, PPL ELECTRIC UTILITIES' MOTION IN LIMINE* in the above-referenced proceeding. This document was served to the parties of record via electronic mail on April 16, 2020 and originally, but improperly, was submitted to the Office of the Secretary for filing on April 17, 2020 with eFiling Confirmation Number 1876907.

A corrected filing of this document was submitted on April 20, 2020 with eFiling Confirmation Number **1877138**. However, this *corrected* filing was rejected pursuant to the reason given in the following message:

"Your eFiling that was filed on Mon Apr 20 16:04:23 EDT 2020 on Docket Number F-2019-3008809 has been rejected due to the following reason.

Other : Filer already filed corrected version.

Following documents were rejected as a part of Filing

Supporting Documentation-Motion.pdf"

The reason given in the message above apparently is in error. Accordingly, please address this matter such that the above-identified document is properly filed. As previously indicated, a true and correct copy of that document is herewith re-submitted and accompanies this letter for that purpose.

Thank you.

Respectfully submitted,

John Holder, Janet Holder
