The nature of services provided is also defined by the FERC account descriptions in Attachments 2 and 3.

- c. The contracts describe the basis on which charges are made to CPA. Below is a description of the bases used to allocate NCSC charges:

**BASIS 1**

**GROSS FIXED ASSETS AND TOTAL OPERATING EXPENSES**

Fifty percent of the total charges will be allocated on the basis of the relation of the affiliate's gross fixed assets to the total gross fixed assets of all benefited affiliates; the remaining 50% will be allocated on the basis of the relation of the affiliate's total operating expenses to the total operating expenses of all benefited affiliates. All companies may be included in this allocation.

**BASIS 2**

**GROSS FIXED ASSETS**

Charges will be allocated to each benefited affiliate on the basis of the relation of its total gross fixed assets to the sum of the total gross fixed assets of all benefited affiliates. All companies may be included in this allocation.

**BASIS 3**

**NUMBER OF METERS SERVICED**

All companies may be included in this allocation.

**BASIS 7**

**GROSS DEPRECIABLE PROPERTY AND TOTAL OPERATING EXPENSE**

Fifty percent of the total charges will be allocated on the basis of the relation of the affiliate's total operating expenses to the total of all the benefited affiliates' total operating expense; the remaining 50% will be allocated on the basis of the relation of the affiliate's gross depreciable property to the gross depreciable property of all benefited affiliates. All companies may be included in this allocation.

**BASIS 20**

**SERVICE COMPANY BILLING (DIRECT AND ALLOCATED) COSTS**

Charges will be allocated to each benefited affiliate on the basis of the relation of its Service Corporation billing costs, in total or by functional group (e.g. IT, Legal, HR, Finance, Audit), to the corresponding total of all Service Company billing costs, (i.e. in total or by functional group). The calculation of Basis 20 will include only those billings for services provided to all NiSource affiliates, excluding Business Unit specific shared service functions (i.e. functions that serve only one particular Business Unit). All companies may be included in this allocation.

The preferred method for billing any affiliate is "direct charge." Under this method, all labor, materials and related expenses for the benefit of a specific affiliate are billed, as incurred, directly to the affiliate; therefore, no allocations are used. An allocated charge is a charge that occurs for the benefit of two or more affiliates who share the cost in accordance with an allocation basis. Guidelines have long been established which indicate that labor time and expenses should be charged directly to the affiliate receiving the benefits. In accordance with corporate guidelines, allocations are used only when direct charging is impractical.

When it is impractical or inappropriate to charge an affiliate directly, the Company allocates costs in accordance with the Allocation Bases, which are filed annually with the FERC. The Company works cooperatively with department sponsors or project leaders through informal meetings and discussions to ensure costs are properly allocated to the affiliates that will benefit from the service provided.

- d. Provided in Table 22(d) below are the allocation bases used to allocate costs to CPA by NCSC. Appendix A of Attachment B supplies detailed descriptions of these bases. Charges labeled "Direct Billed" relate to services rendered directly to CPA. "NCSC Overheads" are costs related to maintaining NCSC.

Re: Columbia Gas of Pennsylvania, Inc.  
Affiliated Interest Filing

Docket No. \_\_\_\_\_

Dear Secretary McNulty:

Enclosed for filing are an original and three copies of a verified summary of an affiliated interest arrangement between Columbia Gas of Pennsylvania, Inc. and several affiliated companies. This arrangement is submitted for the Commission's review and approval under Section 2102 of the Public Utility Code (66 Pa. C. S. § 2102).

This document reflects a long-standing arrangement under which Columbia Gas of Pennsylvania has obtained various goods and services from its sister companies. The arrangement has been filed with the Commission in past rate proceedings, and Columbia believes that it was approved by the Commission at one time. The Company has not, however, been able to locate a Commission order approving this arrangement, and therefore files it for approval at this time in order to remove any uncertainty.

If you have any questions, please contact me at (412) 572-7159 or Mark Kempic, Senior Attorney, at (412) 572-7142.

Sincerely,

Kenneth W. Christman

Service Agreement  
BETWEEN  
NISOURCE CORPORATE SERVICES COMPANY  
AND  
COLUMBIA GAS OF PENNSYLVANIA, INC.

Dated January 1, 2015

(To Take Effect Pursuant to Article 3 Hereof)

## SERVICE AGREEMENT

This SERVICE AGREEMENT (the "Service Agreement" or "Agreement") is made and entered into effective the 1<sup>st</sup> day of January, 2015 by and between Columbia Gas of Pennsylvania, Inc., its subsidiaries, affiliates and associates ("Client", and together with other associate companies that have or may in the future execute this form of Service Agreement, the "Clients") and NiSource Corporate Services Company ("Company").

### WITNESSETH:

WHEREAS, each Company and Client is a direct or indirect wholly owned subsidiary of NiSource Inc., a Delaware corporation and a "holding company" as defined in the Public Utility Holding Company Act of 2005 ("Act") that is subject to regulations adopted by the Federal Energy Regulatory Commission ("FERC") pursuant to the Act;

WHEREAS, the Client is an affiliate of the Company; and

WHEREAS, the Company and Client agree to enter into this Service Agreement whereby the Client may seek certain services from the Company and the Company agrees to provide such services upon request and upon the Company's conclusion that it is able to perform such services. Further, the Client agrees to pay for the services as provided herein at the lower of cost or market; and

WHEREAS, the rendition of such services set forth in Article 2 of Appendix A on a centralized basis enables the Clients to realize economic and other benefits through (1) efficient use of personnel and equipment, (2) coordination of analysis and planning, and (3) availability of specialized personnel and equipment which the Clients cannot economically maintain on an individual basis.

NOW THEREFORE, in consideration of the premises and the mutual agreements herein contained, the parties to this Service Agreement covenant and agree as follows:

## ARTICLE 1

### SERVICES

1.1 The Company shall furnish to Client, as requested by Client, upon the terms and conditions hereinafter set forth, such of the services described in Section 2 of Appendix A hereto (the "Services"), at such times, for such periods and in such manner as Client may from time to time request and that the Company concludes it is able to perform. The Company shall also provide Client with such services, in addition to those services described in Appendix A hereto, as may be requested by Client and that the Company concludes it is able to perform. In supplying such services, the Company may arrange, where it deems appropriate in consultation with Client, for the services of such experts, consultants, advisers, and other persons with necessary qualifications as are required for or pertinent to the provision of such services ("Additional Services").

1.2 Client shall take from the Company such of the Services, and such Additional Services, whether or not now contemplated, as are requested from time to time by Client and that the Company concludes it is able to perform.

1.3 The cost of the Services described herein or contemplated to be performed hereunder shall be allocated to Client in accordance with Exhibit A, which is filed annually with the FERC. Client shall have the right from time to time to amend or alter any activity, project, program or work order provided that (i) Client pays and remunerates the Company the full cost for the services covered by the activity, project, program or work order, including therein any expense incurred by the Company as a direct result of such amendment or alteration of the activity, project, program or work order, and (ii) Client accepts that no amendment or alteration of an activity, project, program or work order shall release Client from liability for all costs already incurred by or contracted for by the Company pursuant to the activity, project, program or work order, regardless of whether the services associated with such costs have been completed.

1.4 The Company shall hire, train and maintain an experienced staff able to perform the Services, or shall obtain experience through third-party resources, as it shall determine in consultation with Client.

1.5 The Company routinely makes payments on behalf of affiliates on an ongoing basis, including payroll, employee benefits, corporate insurance, leasing, and external audit fees. Each affiliate receives on a monthly basis a Convenience Bill for its proportional share of the payments made in that respective month. As the name implies, convenience billing is intended as a convenience to vendors because it eliminates the need for a separate invoice to be generated for each affiliate entity receiving the same services. Therefore, the Company makes the payment to the vendor and the charges for the services are recorded directly on the books of the affiliate and not by the Company.

## ARTICLE 2

### COMPENSATION

2.1 As compensation for the Services to be rendered hereunder, Client shall compensate and pay to the Company all costs, reasonably identifiable and related to particular Services performed by the Company for or on Client's behalf. The methods for allocating the Company costs to Client, as well as to other associate companies, are set forth in Appendix A.

2.2 It is the intent of this Service Agreement that charges for Services shall be billed, to the extent reasonably possible, directly to the Client or Clients benefiting from such Service. Any amounts remaining after such direct billing shall be allocated using the methods identified in Appendix A. The methods of allocation of cost shall be subject to review annually, or more frequently if appropriate. Such methods of allocation of costs may be modified or changed by the Company without the necessity of an amendment to this Service Agreement; provided that, in each instance, all services rendered hereunder shall be at actual cost and include compensation for use of capital thereof, fairly and equitably allocated. The Company shall review with the

Client any proposed change in the methods of allocation of costs hereunder and the parties must agree to any such changes before they are implemented.

2.3 The Company shall make available monthly billing information to the Client that shall reflect all information necessary to identify the costs charged and Services rendered for that month. Client shall undertake a review of the charges and identify all questions or concerns regarding the charges reflected within a reasonable period of time. Client shall remit to the Company all charges billed to it within a period of time not exceeding 30 days of receipt of the monthly billing information.

2.4 Client agrees to provide the Company, from time to time, as requested such financial and statistical information as the Company may need to compute the charges payable by Client consistent with the method of allocation set forth on Appendix A.

2.5 It is the intent of this Service Agreement that the payment for services rendered by the Company to Client under this Service Agreement shall cover all the costs of its doing business including, but not limited to, salaries and wages, office supplies and expenses, outside services employed, insurance, injuries and damages, employee and retiree pensions and benefits, taxes, miscellaneous general expenses, rents, maintenance of structures and equipment, depreciation and amortization, and reasonable compensation for use of capital.

### **ARTICLE 3**

#### **TERM**

3.1 This Service Agreement shall become effective as of the date first written above, subject only to the receipt of any required regulatory approvals from the State Commissions and federal agencies as needed, and shall continue in force until terminated by the Company or Client, upon not less than one year's prior written notice to the other party. **Re: Columbia Gas of Pennsylvania, Inc. – Affiliate Transaction**

Dear Mr. McNulty:

Enclosed for filing pursuant to 66 Pa. C.S.A §2102, are three copies of a "Base Contract for Sale and Purchase of Natural Gas" between Columbia Gas of Pennsylvania, Inc. ("CPA") and an affiliated company, Columbia Gas of Virginia, Inc. ("CVA"). The Commission has previously approved an affiliate agreement authorizing CPA and CVA to exchange goods and services (*See* Docket G-00000794, Order Entered October 25, 2000). However, CPA is filing the attached agreement because it explains the sale and exchange of gas in greater detail than the prior affiliate agreement. If this filing is deemed to be duplicative by the Commission, please inform me of that fact.

I have included an extra copy of the document. Please date stamp it and return it to me in the enclosed envelope. If you have any questions about the enclosed document or if I may be of any assistance, please do not hesitate to contact me at 412.572.7142.

Sincerely,

Mark R. Kempic

- (iv) Have a liquidator, administrator, receiver or trustee appointed with respect to it or any substantial portion of its property or assets; or
- (v) Fail to pay or perform, when due, any material obligation to the other Party (the "Non-Defaulting Party"), whether under this agreement, or in connection with credit support obligations or otherwise and such failure is not cured within two (2) Business Days after written notice thereof to the Defaulting Party; or
- (vi) Fail to provide adequate assurance of its ability to perform all of its outstanding obligations to the Non-Defaulting Party under this Base Contract;

then in any such event the Non-Defaulting Party shall have the right to designate an early termination date ("Early Termination Date") as any date on or after the event of default under this Section 4.2. Upon the Early Termination Date, the Non-Defaulting Party shall have the right to liquidate any and all Transactions under this Contract (including any portion of a Transaction not yet fully delivered) then outstanding by:

- (i) Closing out each Transaction being liquidated at its Market Value, as defined below, so that each Transaction is canceled and a settlement payment in an amount equal to the difference between such Market Value and the Contract Value, as defined below, of such Transaction shall be due to the Buyer under the Transaction if such Market Value exceeds the Contract Value and to the Seller if the opposite is the case; and
- (ii) Discounting each amount then due under clause (i) above to present value in a commercially reasonable manner as at the time of liquidation (to take account of the period between the date of liquidation and the date on which such amount would have otherwise been due pursuant to the relevant Transaction); and
- (iii) Setting off or aggregating, as appropriate, any or all settlement payments (discounted as appropriate) and (at the election of the non-defaulting Party) any or all other amounts owing between the Parties under this Contract so that all such amounts are aggregated and/or netted to a single liquidated amount payable by one Party to the other. The net amount due any such liquidation shall be paid by the close of business on the Business Day following the Early Termination Date.

For purposes of this Section 4.2, "Contract Value" means the amount of the Gas remaining to be delivered or purchased under a Transaction multiplied by the Contract Price per unit, and "Market Value" means the amount of Gas remaining to be delivered or purchased under a Transaction multiplied by the market price per unit determined by the non-defaulting Party in a commercially reasonable manner using the Cover Standard. The rate of interest used in calculating net present value shall be determined by the non-defaulting Party in a commercially reasonable manner. The Parties agree that a Transaction under this Section 4.2 shall constitute a "forward contract" within the meaning of the United States Bankruptcy Code.

4.3 The Non-Defaulting Party's rights under this Section are in addition to, and not in limitation or exclusion of, any other rights which the Non-Defaulting Party may have (whether by agreement, operation of law or otherwise) subject to the Non-Defaulting limitation set forth in Section 4.4. If a default occurs, the Non-Defaulting Party may (at its election) from time to time set off any or all amounts which the Defaulting Party owes to it (whether under this Base Contract, any Forward Contract or otherwise and whether or not then due), provided that any amount not then due which is included in such setoff shall be discounted to present value as of the time of setoff (to take account of the period between the date of setoff and the date on which such amount would have otherwise been due).

4.4 In no event will either Party be responsible, either under this Article IV or under any other term or provision of this Contract, for incidental, consequential, special, or punitive damages.

#### ARTICLE V TRANSPORTATION

5.1 Seller shall have the sole responsibility and bear the full cost and expense of transporting the Gas, or ensuring that the Gas is transported, to the Delivery Point. Buyer shall have the sole responsibility and bear the full cost and expense of transporting the Gas, or ensuring that the Gas is transported at and after the Delivery Point.

5.2 If the supply or transportation necessary to deliver or receive the Contract Quantity is unavailable for any reason, the Party responsible for or having notice of such interruption shall promptly notify the other Party by facsimile. Seller and Buyer shall then cooperate in all reasonable actions to avoid Imbalance Charges imposed by the Transporter(s). Notwithstanding the above, any notice of interruption shall not be considered an amendment of the Performance Obligation set forth in an applicable Transaction Confirmation.

#### ARTICLE VI QUANTITY, SCHEDULING AND IMBALANCES

6.1 Seller agrees to sell and deliver, or cause to be delivered, and Buyer agrees to purchase and receive or cause to be received, the Contract Quantity for a particular Transaction in accordance with the terms of this Contract.

6.2 The Parties shall coordinate their Scheduling requirements by telephone with immediate confirmation in writing by facsimile. Ample time must be given to meet the Scheduling deadlines of the affected Transporter(s). Each Party shall give the other Party timely prior notice, sufficient to meet the requirements of all Transporter(s) involved in the Gas delivery to Buyer, of the quantities of Gas to be delivered and purchased each Day. Should either Party become aware that actual deliveries at the Delivery Point(s) are greater or lesser than the Scheduled Gas, such Party shall notify immediately the other Party by telephone to be followed up with written facsimile notice within twenty-four hours. Notice provisions shall be waived if mutually agreed upon.

6.3 The Parties shall use commercially reasonable efforts to avoid imposition by any Transporter of Imbalance Charges. If Buyer or Seller receives an invoice from a Transporter that includes Imbalance Charges, the Parties shall determine the validity as well as the cause of such Imbalance Charges. If the Imbalance Charges were incurred as a result of Buyer's actions or inactions (which shall include, but shall not be limited to, Buyer's failure to accept quantities of Gas equal to the Scheduled Gas), then Buyer shall pay for such Imbalance Charges or reimburse Seller for such Imbalance Charges paid by Seller to the Transporter. If the Imbalance Charges were incurred as a result of Seller's actions or inactions (which shall include, but shall not be limited to, Seller's failure to deliver quantities of Gas equal to the Scheduled Gas), then Seller shall pay for such Imbalance Charges, or reimburse Buyer for such Imbalance Charges paid by Buyer to the Transporter.

6.4 Seller shall be responsible for allocating gas tendered to Transporter(s) among Buyer and other buyers for each point(s) of delivery. Seller shall not retroactively change any allocation information which Seller has previously provided to Transporter(s) without Buyer's express written concurrence.

#### ARTICLE VII QUALITY

7.1 All Gas delivered by Seller shall meet the quality and heat content requirements of Transporter(s)' tariff(s), as may be amended from time to time.

#### ARTICLE VIII DELIVERY PRESSURE

8.1 Gas delivered hereunder shall be at commercial operating pressures sufficient to deliver such quantities at the Delivery Point(s).

#### ARTICLE IX MEASUREMENT

9.1 The unit of quantity measurement for purposes of this Contract shall be one Dth (dry).

9.2 Measurement of Gas quantities hereunder shall be in accordance with the tariff of the first Transporter immediately downstream of the Delivery Point(s).

#### ARTICLE X TAXES

10.1 Seller shall pay or cause to be paid, all taxes, fees, levies, penalties, licenses or charges imposed by any government authority ("Taxes") on or with respect to the Gas prior to its delivery at the Delivery Point(s). Buyer shall pay or cause to be paid, all Taxes on or with respect to the Gas at or after its delivery at the Delivery Point(s). If a Party is required to remit or pay Taxes which are the other Party's responsibility hereunder, such Party shall promptly reimburse the other Party for such Taxes. If Buyer is entitled to an exemption of such Gas from any such Taxes or charges, Buyer shall furnish Seller any necessary exemption or resale certificate covering the Gas delivered hereunder at the Delivery Point(s).

10.2 Neither the Contract Price to be paid for Gas nor any other provision of this Contract shall be affected by an increase or decrease in the rate or amount of any tax or the repeal of an existing tax imposed on either Party, by the enactment of a new tax, or by the subsequent application hereto of any existing tax.

#### ARTICLE XI BILLING, PAYMENT AND AUDIT

11.1 On or before the tenth day following the Month of deliveries of Gas hereunder, Seller shall deliver to Buyer a statement for the preceding Month properly identified as to the Delivery Point and applicable Transaction Confirmation showing the total quantity of Gas delivered and the amount due. If the actual quantity delivered is not available by the contractual billing date, billing will be prepared based on the Scheduled quantities. The Scheduled quantity will then be corrected to the actual quantity on the following Month's billing or as soon thereafter as actual delivery information is available.

11.2 Buyer shall remit by wire transfer the amount due pursuant to Seller's invoice instructions, by the later of the 25th day of the Month in which the statement was rendered or ten calendar days after receipt of the statement by Buyer; provided that if the due date is not a Business Day, payment is due on the next Business Day following that date. If Buyer fails to remit the full amount payable by Buyer when due, interest on the unpaid portion shall accrue at a rate equal to the lower of (i) the then-effective prime rate of interest published under "Money Rates" by The Wall Street Journal, plus two percent per annum from the date due until the

date of payment, or (ii) the maximum applicable lawful interest rate. If Buyer, in good faith, disputes the amount of any such statement or any part thereof, Buyer will pay to Seller such amount as it concedes to be correct; provided, however, if Buyer disputes the amount due, Buyer must provide supporting documentation acceptable in industry practice from its Transporter to verify the amount paid. If it is ultimately determined that Buyer owes the disputed amount, Buyer will pay Seller that amount with interest as determined above immediately upon such determination. Any payments due the Buyer hereunder shall be made in accordance with this Section 11.2.

11.3 Either Party shall have the right at its own expense, upon reasonable notice and at reasonable times, to examine the books and records of the other Party to the extent reasonably necessary to verify (i) the accuracy of any statement, charge, payment, computation or other documentation made under the Contract or (ii) any curtailment of service under Section 3.2. Any such audit and any claim based upon errors in (i) or (ii), immediately above, must be made within two years of the date of such statement or any revision thereof or the last Day of the Month during which any such alleged unauthorized curtailment occurs. Following such two year period, a billing statement as adjusted shall be final. Errors in a Party's favor shall be rectified in full, with interest as calculated above, by such Party within 30 days of notice and substantiation of such inaccuracy.

11.4 The receipt of any invoice, statement, information concerning a Transaction or the act of payment or partial payment shall not constitute accord and satisfaction, waiver, release, full payment, satisfaction, laches, estoppel or other defense to a claim by or against the Seller or Buyer for the true and actual amount accurately due and payable for the full period of two years in arrears.

11.5 Each Party shall have the right of recoupment against any and all amounts due or to become due to the other Party hereunder. Each right of recoupment may be exercised at any time and in the ordinary course of business without demand on or notice to the other Party, its affiliates, parent or its guarantor. The right of recoupment shall not be deemed to be waived by any conduct of either Party, by any failure to exercise such right, or by any neglect or failure in so doing.

#### ARTICLE XII TITLE, WARRANTY AND INDEMNITY

12.1 Title to the Gas shall pass from Seller to Buyer at the Delivery Point(s). Seller shall have responsibility for and assume any liability with respect to the Gas prior to its delivery to Buyer at the specified Delivery Point(s). Buyer shall have responsibility for and any liability with respect to said Gas at and after its delivery to Buyer at the Delivery Point(s).

12.2 Seller warrants that it will have good and merchantable title to or will have the right to deliver all Gas sold hereunder and/or delivered by it to Buyer, free and clear of all liens, encumbrances, and claims.

12.3 Seller and Buyer each warrants that it is engaged in the direct commercial use of Gas in the ordinary course of its business, as producer, processor, merchant, or consumer or otherwise has knowledge of the practices associated with the purchase or sale of Gas. Each further warrants that it has and will maintain all the regulatory authorizations, certificates, and documentation as may be necessary and legally required to transport, buy, or make sales for resale of Gas sold or purchased hereunder.

12.4 If any claim related to the title to the Gas sold and/or delivered hereunder is asserted at any time, Buyer may withhold payment of up to the amount of such claim without interest, as security for the performance of Seller's obligations hereunder until such claim has been finally determined, or until Seller has furnished a bond or other acceptable assurances to Buyer under terms and conditions reasonably satisfactory to Buyer, and in an amount with surety reasonably satisfactory to Buyer.

12.5 Seller agrees to indemnify Buyer and save it harmless from all suits, actions, debts, accounts, damages, costs, losses, liabilities and expenses arising from or out of claims of title, personal injury or property damage from any or all persons to said Gas or other charges thereon which attach before title passes to Buyer. Buyer agrees to indemnify Seller and save it harmless from all suits, actions, debts, accounts, damages, costs, losses, liabilities and expenses arising from or out of claims regarding payment, personal injury, death or property damage from said Gas or other charges thereon which attach at and after title passes to Buyer, subject to Seller's obligation regarding quality as set forth in Section 7.1.

#### ARTICLE XIV FORCE MAJEURE

14.1 Except with regard to a Party's obligation to make payments due under the Contract, neither Party shall be liable to the other for a failure to perform its obligations hereunder, if such failure was caused by Force Majeure. As used herein, the term "Force Majeure" shall mean an unforeseen occurrence or event beyond the control of the Party claiming excuse which partially or entirely prevents that Party's performance of its obligations as further defined in Section 14.3.

14.2 The Party whose performance is prevented by Force Majeure must provide notice to the other Party. Initial notice may be given orally; however, written notification with particulars of the event or occurrence is required as soon as reasonably possible. Upon providing written notification of Force Majeure to the other Party, the affected Party will be relieved of its obligation to make/accept delivery of Gas to the extent and for the duration of Force Majeure and neither Party shall be deemed to have failed in such obligations to the other during such occurrence or event.

14.3 Force Majeure shall include but not be limited to the following: (i) physical events such as acts of God, landslides, lightning, earthquakes, fires, storms or storm warnings which result in evacuation of the affected area, floods, washouts, explosions, breakage or accident or necessity of repairs to machinery or equipment or lines of pipe, weather related events such as hurricanes or freezing or failure of wells or lines of pipe which affects an entire geographic region; (ii) acts of others such as strikes, lockouts, or other industrial disturbances, riots, sabotage, insurrections or wars; (iii) governmental actions such as necessity for compliance with any court order, law, statute, ordinance, or regulation promulgated by a governmental authority having jurisdiction; and (iv) any other causes, whether of the kind herein enumerated or otherwise not reasonably within the control of the affected Party. Seller and Buyer shall make reasonable efforts to avoid Force Majeure and to resolve the event or occurrence once it has occurred in order to resume performance.

14.4 Neither Party shall be entitled to the benefit of the provisions of Force Majeure to the extent performance is affected from any or all of the following circumstances: (i) the sole or contributory negligence of the Party claiming excuse; (ii) the Party claiming excuse failed to remedy the condition and to resume the performance of such covenants or obligations with reasonable dispatch; and (iii) economic hardship. Force Majeure shall not excuse a Party's responsibility for Imbalance Charges, as set forth in Section 6.3. As soon as possible after the Force Majeure event shall have been remedied, the Party claiming suspension shall likewise give notice to the effect that the same has been remedied and that such Party has resumed, or is then in a position to resume, the performance of such covenants or obligations.

14.5 Notwithstanding anything to the contrary herein, the Parties agree that the settlement of strikes, lockouts or other industrial disturbances shall be entirely within the discretion of the Party experiencing such disturbance.

#### ARTICLE XV GOVERNMENTAL REGULATION

15.1 This Contract and all provisions herein will be subject to all present and future applicable and valid statutes, rules, orders and regulations of any Federal, State, or local governmental authority having jurisdiction over the Parties, their facilities, or Gas supply, this Base Contract or Transaction Confirmation or any provisions thereof.

15.2 Each Party certifies that, during the performance of this contract, its employment practices, pertaining to employees and applicants, shall comply with all applicable federal, state and local laws and regulations regarding discrimination because of race, color, religion, national origin, sex, age, disability or veteran status, including but not limited to the provisions of the Civil Rights Act of 1964, Fair Labor Standards Act of 1938, Americans with Disabilities Act of 1990, Executive Order 11246 of September 24, 1965, Family and Medical Leave Act of 1993, Code of Federal Regulations (CFR); 41 CFR Part 60-1, 41 CFR Part 60-250, and 41 CFR Part 60-741, all provisions as amended, and all provisions thereof being incorporated herein by reference.

15.3 Each Party hereby represents and warrants that it will, to the greatest extent practical, consistent with efficient contract performance, provide small business concerns and small business concerns owned and controlled by socially and economically disadvantaged individuals with the opportunity to participate in performing contracts or subcontracts related to this contract. Each Party further states that it shall ensure timely payment of amounts due to any such contractor or subcontractor.

15.4 Neither Party will be held in default for failure to perform under this Contract, if such failure is due to compliance with such rules, regulations, laws, orders or directives of any State, Federal or other governmental regulatory authority.

#### ARTICLE XVI TERM

16.1 This Base Contract shall remain in effect for one month from the date hereof and from Month to Month thereafter unless terminated by either Party on thirty (30) Days advance written notice; provided, however, that, except as provided in Section 4.2, if one or more Transaction Confirmations are in effect, termination shall not be effective until the expiration of the latest Delivery Period of such Transaction Confirmation(s). The obligations of a Party to make any payment due hereunder and the obligation of Seller to indemnify Buyer, and Buyer to indemnify Seller, pursuant hereto shall survive the termination or cancellation of the Contract or Transaction Confirmation.

#### ARTICLE XVII DISPUTE RESOLUTION

17.1 In the event a dispute arises between Buyer and Seller, or the successors or assigns of either of them, regarding the application or interpretation of any provision of this Base Contract or a Transaction Confirmation, the aggrieved Party shall promptly notify the other Party of its intent to invoke this dispute resolution procedure after such dispute arises. If the Parties shall have failed to resolve the dispute within ten Business Days after delivery of such notice, each Party shall, within five Business Days thereafter nominate an officer of its company to meet at a mutually agreed location to resolve the dispute.

#### ARTICLE XVIII MISCELLANEOUS

18.1 This Contract shall be binding upon and inure to the benefit of the successors, assigns, personal representatives, and heirs of the respective Parties hereto, and the covenants, conditions, and obligations of this Contract shall run for the full term of this Contract. No assignment of this Contract, in whole or in part, will be made without the prior written consent of the non-assigning Party, which consent will not be unreasonably withheld or delayed; provided, however, that either Party may, without the consent of the other Party and without relieving itself from liability hereunder, (i) transfer, sell, pledge, encumber or assign this Contract or the accounts, revenues or proceeds hereof in connection with any financing or other financial arrangements, (ii) transfer or assign this Contract to an affiliate of such Party which affiliate's creditworthiness is comparable to or higher than that of such Party, or (iii) transfer or assign this Contract to any person or entity succeeding to all or substantially all of the assets of such Party; provided, however, that in each such case, any such assignee shall agree to in writing to be bound by the terms and conditions hereof.

18.2 If any provision in this Contract is determined to be invalid, void or unenforceable by any court having jurisdiction, such determination shall not invalidate, void, or make unenforceable any other provision, agreement or covenant of this Contract.

18.3 No waiver of any breach of this Contract shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Contract shall be taken and construed as cumulative.

18.4 This Contract sets forth all understandings between the Parties respecting the subject matter of each transaction and any prior contracts, understandings and representations, whether oral or written, representing this subject matter are merged into and superseded by the Base Contract and any effective Transaction Confirmation(s). This Contract may only be amended in writing.

18.5 This Contract may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. As used herein, the singular of any term shall include the plural.

18.6 The interpretation and performance of this Contract shall be governed by the laws of Virginia excluding, however, any conflict of laws rule which would apply the law of another jurisdiction.

18.7 This Contract was prepared jointly by Seller and Buyer, and, in the event of doubt or ambiguity in the language of any of its provisions, shall be construed with equal strength in favor of both Parties.

18.8 The terms of this Contract and of any Transaction Confirmation entered into pursuant hereto, including but not limited to the Contract Price, the Contract Quantity, the Delivery Period, the identified Transporter(s), and all other material terms thereof shall be kept confidential by the Parties hereto for one year from the expiration of such Transaction, except to the extent that any information must be disclosed to a third Party for the purpose of effectuating transportation of Gas subject to the Contract or to meet New York Mercantile Exchange requirements or governmental agency requirements or requests or requests in civil or regulatory proceedings where necessary.

18.9 Compliance with the confirmation procedures of Article I satisfies any "writing" requirements imposed under the Uniform Commercial Code or any other applicable contract law.

IN WITNESS WHEREOF, Parties hereto have caused their names to be signed and executed in duplicate on this 3<sup>rd</sup> day of April, 2002.

## BASE CONTRACT FOR SALE AND PURCHASE OF NATURAL GAS

This Base Contract, made and entered into this 1<sup>st</sup> day of October, 1998, by and between Columbia Gas of Ohio, Inc., an Ohio corporation with offices located at 200 Civic Center Drive, Columbus, Ohio 43215, and Columbia Gas of Pennsylvania, Inc., a Pennsylvania corporation with offices located at 200 Civic Center Drive, Columbus, Ohio 43215.

### ARTICLE I PURPOSE AND PROCEDURES

1.1 This Base Contract establishes the terms governing purchases, sales and/or exchanges of Gas during the period this Base Contract is in effect. The Base Contract anticipates that the role of a party may change from time to time and that role may in some cases be that of the Seller and in other cases be that of the Buyer. As used herein, the term "Buyer" refers to the party receiving Gas and the term "Seller" refers to the party delivering Gas.

1.2 The terms and conditions incorporated in this Base Contract are intended to facilitate the entering into by Buyer and Seller of a variety of types of transactions with specific pertinent terms and durations. The types of transactions covered by this Base Contract are defined in Section 3.1:

- (i) Interruptible (I)
- (ii) Secondary Firm (SF)
- (iii) Primary Firm (PF) or
- (iv) Exchange of Futures For Physicals (EFP)

1.3.1 The parties will use the following Transaction Confirmation procedure. Should the parties come to an agreement regarding a Gas purchase or sale transaction for a particular Delivery Period, Seller will, and Buyer may, record that agreement on a Transaction Confirmation and facsimile or hand deliver such Transaction Confirmation to the other party by the close of the Business Day following the date of agreement.

1.3.2 If a sending party's Transaction Confirmation is contrary to the receiving party's understanding of the agreement, such receiving party shall notify via facsimile the sending party before the close of the second Business Day following receipt if such receiving party has not previously sent a Transaction Confirmation to the sending party. The receiving party's failure to so notify sending party in writing within the aforementioned time period constitutes receiving party's agreement to the terms of the transaction described in the sending party's Transaction Confirmation.

1.4 The entire agreement between the parties shall be governed by those provisions contained in the Base Contract and any effective Transaction Confirmation ("Contract"). In the event of a conflict between the terms of any Transaction Confirmation and the terms of this Base Contract, the terms of the Transaction Confirmation shall govern.

### ARTICLE II DEFINITIONS

2.1 "British Thermal Unit" or "Btu" shall mean the amount of heat required to raise the temperature of one pound of pure water from 59° Fahrenheit to 60° Fahrenheit at a constant pressure of 14.73 pounds per square inch absolute (psia).

2.2 "Business Day" shall mean any day except Saturday, Sunday or bank holidays.

2.3 "Contract" shall mean the legally-binding relationship established by (i) this Base Contract and (ii) the provisions contained in any effective Transaction Confirmation(s).

2.4 "Contract Quantity" shall mean the quantity of Gas to be delivered and taken as set forth in the Transaction Confirmation.

2.5 "Cover Costs" shall have the meaning set forth in Section 4.1.

2.6 "Cover Standard" shall mean that if there is an unexcused failure to take or deliver any quantity of Gas pursuant to this Contract, then the non-defaulting party shall use commercially reasonable efforts to obtain or sell Gas at a price reasonable for the delivery or production area, as applicable, consistent with the amount of notice provided by the defaulting party with consideration for the immediacy of the Buyer's Gas consumption needs or Seller's Gas sales requirements, as applicable, the quantities involved and the anticipated length of failure by the defaulting party.

2.7 "Day" shall mean a period of twenty-four (24) consecutive hours, coextensive with a "day" as defined in the tariff of the Transporter delivering Gas to the Delivery Point, or the Transporter receiving Gas if there is no Transporter delivering Gas, in a particular transaction.

2.8 "Delivery Period" shall be the period during which deliveries are to be made as set forth in the Transaction Confirmation.

2.9 "Delivery Point" shall mean the downstream side of such location(s) as are mutually agreed upon between Seller and Buyer as set forth in the Transaction Confirmation.

2.11 "Imbalance Charges" shall mean any scheduling penalties, imbalance penalties, overpull or unauthorized overrun penalties, operational flow order penalties, Cash Out Charges, banking charges, or similar penalties, fees or charges assessed by a Transporter for failure to satisfy the Transporter's balance and/or nomination requirements.

2.12 "MMBtu" shall mean one million British Thermal Units.

2.13 "Month" shall mean the period beginning on the first day of the calendar month and ending on the first day of the next calendar month.

2.14 "Schedule", "Scheduling", "Scheduled" or "Nominations" shall refer to the act of Seller, Buyer, and the Transporter(s) notifying, requesting, and confirming to each other the quantity of Gas to be delivered hereunder on any given Gas Day during the Delivery Period.

2.15 "Transaction Confirmation" shall mean the form attached in Exhibit A.

2.16 "Transporter(s)" shall mean all Gas pipeline companies, or the physical facilities thereof, transporting Gas for Seller or Buyer upstream or downstream, respectively, of the Delivery Point pursuant to a particular Transaction Confirmation.

### ARTICLE III PERFORMANCE OBLIGATION

3.1 The Performance Obligation shall be designated in each Transaction Confirmation from one of the following:

3.1.1 "Interruptible" shall mean that either party may interrupt its performance at any time for any reason except for reasons of price, whether or not caused by an event of force majeure, with no liability, except such interrupting party is responsible for any Imbalance Charges as set forth in Section 6.3 related to its interruption after the nomination is made to the Transporter.

3.1.2 "Secondary Firm" shall mean that either party may interrupt its performance to the extent that such performance is prevented for reasons of Force Majeure or curtailment of such party's interruptible transportation and/or storage, transportation between secondary firm points or recallable firm transportation, with no liability except such interrupting party is responsible for any Imbalance Charges, as set forth in Section 6.3, related to its interruption after the nomination is made to the Transporter. If a party interrupts for any other reason the non-breaching party's exclusive remedy shall be that it may recover its Cover Costs.

3.1.3 "Primary Firm" shall mean that either party may only interrupt its performance to the extent that such performance is prevented for reasons of Force Majeure or curtailment of firm transportation and/or storage between primary firm points, with no liability except that such interrupting party is responsible for any Imbalance Charges, as set forth in Section 6.3, related to its interruption after the nomination is made to the Transporter. If a party interrupts for any other reason the non-breaching party's exclusive remedy shall be that it may recover its Cover Costs.

3.1.4 "EFP" shall mean the purchase, sale or exchange of natural Gas as the "physical" side of an exchange for physical transaction involving futures contracts on the New York Mercantile Exchange. EFP shall incorporate the meaning and remedies of Primary Firm.

3.2 If a party interrupts its performance, such party will curtail each customer group in a fair and reasonable manner giving similar treatment to similarly affected customers.

### ARTICLE IV DEFAULTS AND REMEDIES

4.1 Subject to Section 4.3, the exclusive and sole remedy of the parties in the event of a breach of the Performance Obligation shall be recovery of the following Cover Costs: (i) in the event of a breach by Seller, payment by Seller to Buyer in an amount equal to the difference between the Contract Price and the purchase price paid by Buyer utilizing the Cover Standard for replacement Gas, adjusted for reasonable incremental transportation costs to or from the Delivery Point(s), multiplied by the quantity of Gas agreed upon but not delivered by Seller ("Buyer's Cover Costs"); or (ii) in the event of a breach by Buyer, payment by Buyer to Seller in an amount equal to the difference between the Contract Price and the price received by Seller utilizing the Cover Standard from the resale of such Gas, adjusted for reasonable incremental transportation costs to or from the Delivery Point(s), multiplied by the quantity of Gas agreed upon but not taken by Buyer ("Seller's Cover Costs"); (iii) in the event that Buyer has used commercially reasonable efforts to replace the Gas or Seller has used commercially reasonable efforts to sell the Gas to a third party, and no such replacement or sale is available, then the exclusive remedy of the non-breaching party shall be the difference between the Contract Price and the price that would have been paid or received utilizing the Cover Standard multiplied by the quantity of Gas agreed upon but not delivered by Seller or taken by Buyer.

4.2 In no event will either party be responsible, either under this Article IV or under any other term or provision of this Contract, for incidental, consequential, special, or punitive damages.

4.3 In the event that the non-defaulting party terminates the Contract under Section 15.2, the non-defaulting party shall have the right to designate an early termination date ("Early Termination Date") as any date on or after the event of default under Section 15.2. Upon the Early Termination Date, the non-defaulting party shall have the right to liquidate any and all Transactions under this Contract (including any portion of a Transaction not yet fully delivered) then outstanding by:

- (i) Closing out each Transaction being liquidated at its Market Value, as defined below, so that each such Transaction is canceled and a settlement payment in an amount equal to the difference between such Market Value and the Contract Value, as defined below, of such Transaction shall be due to the Buyer under the Transaction if such Market Value exceeds the Contract Value and to the Seller if the opposite is the case; and
- (ii) Discounting each amount then due under clause (i) above to present value in a commercially reasonable manner as at the time of liquidation (to take account of the period between the date of liquidation and the date on which such amount would have otherwise been due pursuant to the relevant Transaction); and
- (iii) Setting off or aggregating, as appropriate, any or all settlement payments (discounted as appropriate) and (at the election of the non-defaulting party) any or all other amounts owing between the parties under this Contract so that all such amounts are aggregated and/or netted to a single liquidated amount payable by one party to the other. The net amount due any such liquidation shall be paid by the close of business on the Business Day following the Early Termination Date.

For purposes of this Section 4.3, "Contract Value" means the amount of the Gas remaining to be delivered or purchased under a Transaction multiplied by the Contract Price per unit, and "Market Value" means the amount of Gas remaining to be delivered or purchased under a Transaction multiplied by the market price per unit determined by the non-defaulting party in a commercially reasonable manner using the Cover Standard. The rate of interest used in calculating net present value shall be determined by the non-defaulting party in a commercially reasonable manner. The parties agree that a Transaction under this Section 4.3 shall constitute a "forward contract" within the meaning of the United States Bankruptcy Code.

The non-defaulting party's rights under this Section 4.3 and to Cover Costs accrued prior to the termination date are the sole and exclusive remedy of the non-defaulting party. The non-defaulting party shall give notice that a liquidation pursuant to this Section 4.3 has occurred to the defaulting party no later than the Business Day following such liquidation, provided that failure to give such notice shall not affect the validity or enforceability of the liquidation or give rise to any claim by the defaulting party against the non-defaulting party.

### ARTICLE V TRANSPORTATION

5.1 Seller shall have the sole responsibility and bear the full cost and expense of transporting the Gas, or ensuring that the Gas is transported, to the Delivery Point. Buyer shall have the sole responsibility and bear the full cost and expense of transporting the Gas, or ensuring that the Gas is transported at and after the Delivery Point.

5.2 If the supply or transportation necessary to deliver or receive the Contract Quantity is unavailable for any reason, the party responsible for or having notice of such interruption shall promptly notify the other party by facsimile. Seller and Buyer shall then cooperate in all reasonable actions to avoid penalties imposed by the Transporter(s). Notwithstanding the above, any notice of interruption shall not be considered an amendment of the Performance Obligation.

**ARTICLE VI QUANTITY, SCHEDULING AND IMBALANCES**

6.1 Seller agrees to sell and deliver, and Buyer agrees to receive and purchase, the Contract Quantity for a particular transaction in accordance with the terms of this Contract.

6.2 The parties shall coordinate their Scheduling requirements by telephone with immediate confirmation in writing by facsimile. Ample time must be given to meet the Scheduling deadlines of the affected Transporter(s). Each party shall give the other party timely prior notice, sufficient to meet the requirements of all Transporter(s) involved in the Gas delivery to Buyer, of the quantities of Gas to be delivered and purchased each Day. Such notice shall be at least twenty-four hours prior to the earliest regularly scheduled nomination deadline of the Transporters receiving or delivering Gas commencing on the first Day of a Month, and two hours earlier than such deadline for any subsequent nomination if intra-month changes are authorized. Should either party become aware that actual deliveries at the Delivery Point(s) are greater or lesser than the Scheduled Gas, such party shall notify immediately the other party by telephone to be followed up with written facsimile notice within twenty-four hours. Notice provisions shall be waived if mutually agreed upon.

6.3 The parties shall use all reasonable efforts to avoid imposition by any Transporter of Imbalance Charges. If, during any Month, Buyer or Seller receives an invoice from a Transporter which includes Imbalance Charges, the parties shall use their reasonable efforts to promptly determine the validity as well as the cause of such Imbalance Charges. If the parties determine that the Imbalance Charges were incurred as a result of Buyer's actions or inactions (which shall include, but shall not be limited to, Buyer's failure to accept quantities of Gas equal to the Scheduled Gas), then Buyer shall pay for such Imbalance Charges or reimburse Seller for such Imbalance Charges paid by Seller to the Transporter. If the parties determine that the Imbalance Charges were incurred as a result of Seller's actions or inactions (which shall include, but shall not be limited to, Seller's failure to deliver quantities of Gas equal to the Scheduled Gas), then Seller shall pay for such Imbalance Charges, or reimburse Buyer for such Imbalance Charges paid by Buyer to the Transporter.

6.4 Seller shall be responsible for allocating gas tendered to Transporter(s) among Buyer and other buyers for each point(s) of delivery. Seller shall not retroactively change any allocation information which Seller has previously provided to Transporter(s) without Buyer's express written concurrence.

**ARTICLE VII QUALITY**

7.1 All Gas delivered by Seller shall meet the quality and heat content requirements of Transporter(s) tariff(s), as may be amended from time to time.

**ARTICLE VIII DELIVERY PRESSURE**

8.1 Gas delivered hereunder shall be at commercial operating pressures sufficient to deliver such quantities at the Delivery Point(s).

**ARTICLE IX MEASUREMENT**

9.1 The unit of quantity measurement for purposes of this Contract shall be one MMBtu.

9.2 Measurement of Gas quantities hereunder shall be in accordance with the tariff of the first Transporter immediately downstream of the Delivery Point(s).

**ARTICLE X PRICE**

10.1 The Contract Price for all Gas delivered hereunder shall be expressed in U.S. Dollars per million British Thermal Units (\$/MMBtu). The price shall be agreed to by Buyer and Seller for each specific transaction and shall be included in the Transaction Confirmation.

**ARTICLE XI TAXES**

11.1 Seller shall pay or cause to be paid, all taxes, fees, levies, penalties, licenses or charges imposed by any government authority ("Taxes") on or with respect to the Gas prior to its delivery at the Delivery Point(s). Buyer shall pay or cause to be paid, all Taxes on or with respect to the Gas at or after its delivery at the Delivery Point(s). If a party is required to remit or pay Taxes which are the other party's responsibility hereunder, such party shall promptly reimburse the other party for such Taxes. If Buyer is entitled to an exemption of such Gas from any such Taxes or charges, Buyer shall furnish Seller any necessary exemption or resale certificate covering the Gas delivered hereunder at the Delivery Point(s).

11.2 Neither the price to be paid for gas nor any other provision of this Contract shall be affected by an increase or decrease in the rate or amount of any tax or the repeal of an existing tax imposed on either party, by the enactment of a new tax, or by the subsequent application hereto of any existing tax.

**ARTICLE XII BILLING, PAYMENT AND AUDIT**

12.1 On or before the tenth day following the Month of deliveries of Gas hereunder, Seller shall deliver to Buyer a statement for the preceding Month properly identified as to the Delivery Point and applicable Transaction Confirmation showing the total quantity of Gas delivered and the amount due. If the actual quantity delivered is not available by the contractual billing date, billing will be prepared based on the Scheduled quantities. The Scheduled quantity will then be corrected to the actual quantity on the following Month's billing or as soon thereafter as actual delivery information is available.

12.2 Buyer shall remit by wire transfer the amount due pursuant to Seller's invoice instructions, by the later of the 25th day of the Month in which the statement was rendered or ten calendar days after receipt of the statement by Buyer; provided that if the due date is not a Business Day, payment is due on the next Business Day following that date. If Buyer fails to remit the full amount payable by Buyer when due, interest on the unpaid portion shall accrue at a rate equal to the lower of (i) the then-effective prime rate of interest published under "Money Rates" by The Wall Street Journal, plus two percent per annum from the date due until the date of payment, or (ii) the maximum applicable lawful interest rate. If Buyer, in good faith, disputes the amount of any such statement or any part thereof, Buyer will pay to Seller such amount as it concedes to be correct; provided, however, if Buyer disputes the amount due, Buyer must provide supporting documentation acceptable in industry practice from its Transporter to verify the amount paid. If it is ultimately determined that Buyer owes the disputed amount, Buyer will pay Seller that amount with interest as determined above immediately upon such determination.

12.3 The parties shall have the right, upon reasonable notice and at reasonable times, to examine the books and records of the other party to the extent reasonably necessary to verify (i) the accuracy of any statement, charge, payment, computation or other documentation made under the Contract or (ii) any curtailment of service under Section 3.2. Any such audit and any claim based upon errors in (i) or (ii), immediately above, must be made within two years of the date of such statement or any revision thereof or the last Day of the Month during which any such alleged unauthorized curtailment occurs. Following such two year period, a billing statement as adjusted shall be final. Errors in a party's favor shall be rectified in full, with interest as calculated above, by such party within 30 days of notice and substantiation of such inaccuracy.

12.4 The receipt of any invoice, statement, information concerning a transaction or the act of payment or partial payment shall not constitute accord and satisfaction, waiver, release, full payment, satisfaction, laches, estoppel or other defense to a claim by or against the Seller or Buyer for the true and actual amount accurately due and payable for the full period of two years in arrears.

**ARTICLE XIII TITLE, WARRANTY AND INDEMNITY**

13.1 Title to the Gas shall pass from Seller to Buyer at the Delivery Point(s). Seller shall have responsibility for and assume any liability with respect to the Gas prior to its delivery to Buyer at the specified Delivery Point(s). Buyer shall have responsibility for and any liability with respect to said Gas at and after its delivery to Buyer at the Delivery Point(s).

13.2 Seller warrants that it will have good and merchantable title to or will have the right to deliver all Gas sold hereunder and delivered by it to Buyer, free and clear of all liens, encumbrances, and claims.

13.3 Seller and Buyer each warrants that it is engaged in the direct commercial use of natural Gas in the ordinary course of its business, as producer, processor, merchant, or consumer or otherwise has knowledge of the practices associated with the purchase or sale of natural Gas. Each further warrants that it has and will maintain all the regulatory authorizations, certificates, and documentation as may be necessary and legally required to transport, buy, or make sales for resale of Gas sold or purchased hereunder.

13.4 If any claim related to the title to the Gas sold hereunder is asserted at any time, Buyer may withhold payment of up to the amount of such claim without interest, as security for the performance of Seller's obligations hereunder until such claim has been finally determined, or until Seller has furnished a bond or other acceptable assurances to Buyer under terms and conditions satisfactory to Buyer, and in an amount with surety satisfactory to Buyer.

13.5 Seller agrees to indemnify Buyer and save it harmless from all suits, actions, debts, accounts, damages, costs, losses, liabilities and expenses arising from or out of claims of title, personal injury or property damage from any or all persons to said Gas or other charges thereon which attach before title passes to Buyer. Buyer agrees to indemnify Seller and save it harmless from all suits, actions, debts, accounts, damages, costs, losses, liabilities and expenses arising from or out of claims regarding payment, personal injury or property damage from said Gas or other charges thereon which attach at and after title passes to Buyer, subject to Seller's obligation regarding quality as set forth in Section 7.1.

#### ARTICLE XV FINANCIAL RESPONSIBILITY

15.1 Either party may request the following credit evaluation data of the other party; (i) a copy of the other party's current financial statement prepared within the twelve months; (ii) a copy of the other party's most recent Annual Report, and, if applicable, most recent Forms 10-Q and 10-K; provided that if the other party has no Annual Report or Forms 10-Q or 10-K it must provide its most recent audited financial statement and financial report, any current filings with regulatory agencies that discuss the other party's financial condition, and a detailed business description that includes the other party's corporate form, the number of years or months it has been in business, the nature of its business, and number of employees; (iii) a list of the other party affiliates, including any parent or subsidiary companies; (iv) the names, addresses and telephone numbers of three trade references with whom reasonable inquiry into the other party's credit-worthiness, and copies of any available reports from credit reporting and bond rating agencies.

15.2 When reasonable grounds for insecurity of payment arise either party may demand adequate assurance of performance. Adequate assurance shall mean sufficient security in the form and for the term reasonably acceptable to the demanding party, including, but not limited to, a standby irrevocable letter of credit, a prepayment or a guarantee by a credit worthy entity. In the event either party shall (i) make an assignment or any general arrangement for the benefit of creditors; (ii) default in the payment obligation to the other party; (iii) file a petition or otherwise commence, authorize, or acquiesce in the commencement of a proceeding or cause under any bankruptcy or similar law for the protection of creditors or have such petition filed or proceeding commenced against it; (iv) otherwise become bankrupt or insolvent (however evidenced); (v) be unable to pay its debts as they fall due; or (vi) fail to give adequate assurance of its ability to perform its obligations under the Contract within forty-eight (48) hours of a reasonable request by the other party, then the other party shall have the right to either withhold and/or suspend deliveries, or terminate the Contract without prior notice, in addition to any and all other remedies available hereunder.

15.3 Each party reserves to itself all rights, set-offs, counterclaim, and other defenses which it is or may be entitled to arising from or out of the Contract.

#### ARTICLE XVI FORCE MAJEURE

16.1 Except with regard to a party's obligation to make payments due under the Contract, neither party shall be liable to the other for a failure to perform its obligations hereunder, if such failure was caused by Force Majeure. As used herein, the term "Force Majeure" shall mean an unforeseen occurrence or event beyond the control of the party claiming excuse which partially or entirely prevents that party's performance of its obligations, except the obligation to make payments due under any transaction.

16.2 The party whose performance is prevented by Force Majeure must provide notice to the other party. Initial notice may be given orally; however, written notification with particulars of the event or occurrence is required as soon as reasonably possible. Upon providing written notification of Force Majeure to the other party, the affected party will be relieved of its obligation to make/accept delivery of Gas to the extent and for the duration of Force Majeure and neither party shall be deemed to have failed in such obligations to the other during such occurrence or event.

16.3 Force Majeure shall include but not be limited to the following: (i) physical events such as acts of God, landslides, lightning, earthquakes, fires, storms or storm warnings which result in evacuation of the affected area, floods, washouts, explosions, breakage or accident or necessity of repairs to machinery or equipment or lines of pipe, weather related events such as hurricanes or freezing or failure of wells or lines of pipe which affects an entire geographic region; (ii) acts of others such as strikes, lockouts, or other industrial disturbances, riots, sabotage, insurrections or wars; (iii) governmental actions such as necessity for compliance with any court order, law, statute, ordinance, or regulation promulgated by a governmental authority having jurisdiction; and (iv) any other causes, whether of the kind herein enumerated or otherwise not reasonably within the control of the affected party. Seller and Buyer shall make reasonable efforts to avoid Force Majeure and to resolve the event or occurrence once it has occurred in order to resume performance.

16.4 Neither party shall be entitled to the benefit of the provisions of Force Majeure to the extent performance is affected from any or all of the following circumstances: (i) the sole or contributory negligence of the party claiming excuse; (ii) the party claiming excuse failed to remedy the condition and to resume the performance of such covenants or obligations with reasonable dispatch; (iii) economic hardship. Force Majeure shall not excuse the party's, claiming Force Majeure, responsibility for Imbalance Charges, as set forth in Section 6.3. As soon as possible after the Force Majeure event shall have been remedied, the party claiming suspension shall likewise give notice to the effect that the same has been remedied and that such party has resumed, or is then in a position to resume, the performance of such covenants or obligations.

16.5 Notwithstanding anything to the contrary herein, the parties agree that the settlement of strikes, lockouts or other industrial disturbances shall be entirely within the discretion of the party experiencing such disturbance.

#### ARTICLE XVII GOVERNMENTAL REGULATION

17.1 This Contract and all provisions herein will be subject to all present and future applicable and valid statutes, rules, orders and regulations of any Federal, State, or local governmental authority having jurisdiction over the parties, their facilities, or Gas supply, this Base Contract or Transaction Confirmation or any provisions thereof.

17.2 Each party certifies that, during the performance of this contract, its employment practices, pertaining to employees and applicants, shall comply with all federal, state and local laws and regulations regarding discrimination because of race, color, religion,

national origin, sex, age, disability or veteran status, including but not limited to the provisions of the Civil Rights Act of 1964, Fair Labor Standards Act of 1938, Americans with Disabilities Act of 1990, Executive Order 11246 of September 24, 1965, Family and Medical Leave Act of 1993, Code of Federal Regulations (CFR): 41 CFR Part 60-1, 41 CFR Part 60-250, and 41 CFR Part 60-741, all provisions as amended, and all provisions thereof being incorporated herein by reference.

17.3 Each party hereby represents and warrants that it will, to the greatest extent practical, consistent with efficient contract performance, provide small business concerns and small business concerns owned and controlled by socially and economically disadvantaged individuals with the opportunity to participate in performing contracts or subcontracts related to this contract. Each party further states that it shall ensure timely payment of amounts due to any such contractor or subcontractor.

17.4 Neither party will be held in default for failure to perform under this Contract, if such failure is due to compliance with such rules, regulations, laws, orders or directives of any State, Federal or other governmental regulatory authority.

#### ARTICLE XVIII TERM

18.1 This Base Contract shall remain in effect for one month from the date hereof and from month to month thereafter unless terminated by either party on thirty (30) days advance written notice; provided, however, that, except as provided in Section 4.3 if one or more Transaction Confirmations are in effect, termination shall not be effective until the expiration of the latest Delivery Period of such Transaction Confirmation(s). The obligations of Buyer to make payment hereunder for Gas which has been delivered and the obligation of Seller to indemnify Buyer, and Buyer to indemnify Seller, pursuant hereto shall survive the termination or cancellation of the Contract or Transaction Confirmation.

#### ARTICLE XIX DISPUTE RESOLUTION

19.1 In the event a dispute arises between Buyer and Seller, or the successors or assigns of either of them, regarding the application or interpretation of any provision of this Base Contract or a Transaction Confirmation, the aggrieved party shall promptly notify the other party of its intent to invoke this dispute resolution procedure after such dispute arises. If the parties shall have failed to resolve the dispute within ten Business Days after delivery of such notice, each party shall, within five Business Days thereafter nominate an officer of its company to meet at a mutually agreed location to resolve the dispute.

#### ARTICLE XX MISCELLANEOUS

No assignment of this Contract, in whole or in part, will be made without the prior written consent of the non-assigning party, which consent will not be unreasonably withheld.

20.4 This Contract sets forth all understandings between the parties respecting the subject matter of each transaction and any prior contracts, understandings and representations, whether oral or written, representing this subject matter are merged into and superseded by the Base Contract and any effective Transaction Confirmation(s). This Contract may only be amended in writing.

20.5 This Contract may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. As used herein, the singular of any term shall include the plural.

20.6 The interpretation and performance of this Contract shall be governed by the laws of Ohio, excluding, however, any conflict of laws rule which would apply the law of another jurisdiction.

20.7 This Contract was prepared jointly by Seller and Buyer, and, in the event of doubt or ambiguity in the language of any of its provisions, shall be construed with equal strength in favor of both parties.

20.8 The terms of this Contract and of any Transaction Confirmation entered into pursuant hereto, including but not limited to the Contract Price, the Contract Quantity, the Delivery Period, the identified Transporter(s), and all other material terms thereof shall be kept confidential by the parties hereto for one year from the expiration of such Transaction, except to the extent that any information must be disclosed to a third party for the purpose of effectuating transportation of Gas subject to the Contract or to meet New York Mercantile Exchange requirements or governmental agency requirements or requests or requests in civil or regulatory proceedings where necessary.

20.9 No party shall record any discussion between the parties' without first obtaining the written consent of the other party. The parties agree that any unauthorized recording may not be used in any proceedings between the parties.

20.10 Compliance with the confirmation procedures of Article I satisfies any "writing" requirements imposed under the Uniform Commercial Code or any other applicable contract law.

IN WITNESS WHEREOF, parties hereto have caused their names to be signed and executed in duplicate on this 26<sup>th</sup> day of October, 1998.

## ARTICLE II.

### Preparation and Filing of Tax Returns: Allocation of Taxes

#### Section 2.1 Federal Returns.

(a) A Consolidated Return shall be prepared and filed by NiSource for each Taxable Period in respect of which this Agreement is in effect and for which the Consolidated Group is required or permitted to file a consolidated U.S. federal income tax return. NiSource and all its Members shall execute and file such consents, elections and other documents that may be required or appropriate for the proper filing of such returns.

Exhibit A  
Page 4 of 10

(b) The U.S. federal Consolidated Tax Liability of the Consolidated Group for each Taxable Period of the Consolidated Group shall be borne by the Members in an amount equal to each Member's Standalone Return Tax Liability. If any Member's Standalone Return Tax Liability does not result in a positive tax liability, the amount of such Standalone Return Tax Liability will be treated as zero. The general effect of the foregoing is that each Member will pay its Standalone Return Tax Liability.

(c) The amounts determined for each Member under Section 2.1(b) shall be used in determining the amounts to be paid (as provided in Sections 3.2(a) and 3.4 of this Agreement) by each Member to NiSource with respect to each Member's share of the Consolidated Group's U.S. federal Consolidated Tax Liability.

(d) In the case of any Member whose Standalone Return Tax Liability for such Taxable Period is greater than zero, such Member shall make a payment of its Standalone Return Tax Liability for such Taxable Period to NiSource, pursuant to Section 3.2(a) hereof.

(e) For purposes of calculating a Member's Standalone net operating loss ("NOL") for any Taxable Period under this Agreement, such NOL shall be determined by taking such Member's NOL determined on a Standalone basis as of the beginning of the Taxable Period (determined by computing NOLs by reference to only such Member's items of income, gain, deduction and loss). To the extent any NOL of the Consolidated Group may be carried back or carried forward, a Member shall be allocated for use by such Member the percentage of such carryback or carryforward, as the case may be, in the amount calculated by dividing such Member's Standalone NOL by the NOL of the Consolidated Group as of the beginning of the Taxable Period. Notwithstanding the language in Section 4.2 herein, each Member's Standalone NOL as of the relevant effective date of this Agreement shall be equal to the amount allocated to such Member under the 2002 Agreement immediately prior to the time such 2002 Agreement is superseded by this Agreement.

(f) To the extent of a tax refund, NOL carryback or other adjustment that subsequently reduces a Member's tax liability as calculated under Section 2.1(b), NiSource shall credit such amount to future payments due from the affected Member. To the extent of audits and other upward adjustments in a Member's tax liability as calculated under Section 2.1(b), such Member is required to make a corresponding payment (as provided in Section 3.4 of this Agreement) to NiSource taking into account such adjustments. Any tax carryforward shall be carried forward for use by the respective Member in calculating its Standalone Return Tax Liability in the subsequent year, and no payment shall be made to NiSource by such Member until such carryforward is fully utilized.

#### Section 2.2 Other Taxes.

Exhibit A  
Page 5 of 10

(a) Wherever appropriate, Other Taxes shall be shared among the applicable Members of the Consolidated Group in a manner that is consistent with the method set forth in Section 2.1 hereof, and amounts due to NiSource, with respect to Other Taxes, shall be determined in a manner consistent with Section 2.1. NiSource will prepare and file (or cause to be prepared and filed) all returns of Other Taxes which are required to be filed with respect to the operations of NiSource, the Consolidated Group and its Members (as Members of the Consolidated Group). In the event any taxing authority permits, but does not require, that a consolidated, combined, composite or unitary return be filed for Other Taxes, which return includes both NiSource and a Member, NiSource may elect to file such return and shall have the right to require any Member to be included in such return. NiSource will notify each of its Members included in each Other Return.

(b) Each Member of the Consolidated Group that is included on a return other than pursuant to an Other Return with any other Member of the Consolidated Group shall be solely responsible and obligated to pay the tax liability with respect to such return from its own funds. Such returns shall be prepared and filed by NiSource or the Member included on such Other Return, as determined by NiSource.

(c) If any Member of the Consolidated Group is required to file a consolidated, combined, composite or unitary return for Other Taxes with another Member of the Consolidated Group, but not with NiSource, then NiSource shall be required to prepare and file such tax returns and shall apportion among and, collect and remit from, the applicable Members such Other Taxes in a manner consistent with Section 2.1. If the right to file a consolidated, combined, composite, or unitary return for such Other Taxes is optional, then NiSource shall decide which of the Members should, to the extent permitted by law, join in filing each such return.

Section 2.3 Member Tax Information. The Members of the Consolidated Group shall submit or make available the tax information requested by the Designated Official of NiSource in the manner and by the date requested, in order to enable the Designated Official to fulfill its rights and obligations pursuant to Article 2 hereof.

### ARTICLE III.

#### Responsibility for Tax: Intercompany Payments

Section 3.1 Responsibility. NiSource will be solely responsible for, and will indemnify and hold each Member of the Consolidated Group harmless, to the extent such Member has complied with its rights and obligations hereunder (including its payment obligations under this Article III), with respect to the payment of: (a) the Consolidated Tax Liability for each Taxable Period for which, as determined under Section 2.1 hereof, NiSource did file, elected to file or was required to file a Consolidated Return for U.S. federal income taxes; and (b) any and all Other Taxes for each Taxable Period for which, as determined under

Exhibit A  
Page 6 of 10

Section 2.2 hereof, NiSource did file, elected to file or was required to file any Other Return. No Member shall at any time be required pursuant to this Agreement to remit, as part of any payment that such Member makes pursuant to this Agreement, any amount of penalty or interest that the Consolidated Group may incur for any Taxable Period by reason of NiSource's failure to properly calculate or timely pay any Consolidated Tax Liability of the Consolidated Group for such Taxable Period or to file timely the Consolidated Group's Consolidated Return for any such Taxable Period.

Section 3.2 Federal Tax Payments. (a) With respect to each Consolidated Return Year, the Designated Official of NiSource shall estimate each Member's share of quarterly estimated U.S. federal tax payments to be made for each Consolidated Return Year. In making this determination, NiSource shall elect a reasonable method for determining estimated tax and each Member shall follow that method. At the direction of the Designated Official, such Members will pay to NiSource such estimates not later than the 15<sup>th</sup> day of the 4<sup>th</sup>, 6<sup>th</sup>, 9<sup>th</sup>, and 12<sup>th</sup> months of such Consolidated Return Year, or at such intervals as directed by the Designated Official. The difference between (1) a Member's estimated tax payments used for computation of the quarterly estimated payments and (2) such Member's actual tax liability for any Consolidated Return Year as determined under Section 2.1 hereof, shall be paid to NiSource within sixty (60) days after the filing of the U.S. federal Consolidated Return, or applied as a credit against such Member's next estimated tax payment due under this Section 3.2(a), as the case may be.

(b) NiSource shall have sole authority, to the exclusion of all other Members of the Consolidated Group, to agree to any adjustment proposed by the Internal Revenue Service or any other taxing authority with respect to any U.S. federal Consolidated Return, including interest or penalties, attributable to any Member of the Consolidated Group during any Consolidated Return Year in which such Member was a Member of the Consolidated Group notwithstanding that such adjustment may increase the amounts payable by Members of the Consolidated Group under this Agreement. In the event of any adjustment to the U.S. federal Consolidated Tax Liability attributable to any Member of the Consolidated Group by reason of an amended return, claim for refund or audit by the Internal Revenue Service or any other taxing authority, the liability of all other Members of the Consolidated Group hereunder shall be redetermined to give effect to such adjustment as if such adjustment had been made as a part of the original computation of such liability, and payment by a Member to NiSource (or credit against such Member's next estimated tax payment due under Section 3.2(a), as the case may be) shall be promptly made (or applied as a credit, as the case may be) after any payments are made to the Internal Revenue Service or any other taxing authority, refund is received or final determination of the matter is made in the case of contested proceedings. In such event, any payments between the parties shall bear interest at the then prevailing rate or rates on deficiencies assessed by the Internal Revenue Service or any other relevant taxing authority, during the period from the due date of such Consolidated Return (determined without regard to extensions of time for the filing thereof) for the Consolidated Return Year to which the adjustments were made to the date of payment.

Exhibit A  
Page 7 of 10

Section 3.3 Other Tax Payments. Wherever appropriate, payments by a Member with respect to Other Taxes and required estimates thereof shall be calculated and made by such Member in a manner consistent with the method set forth in Section 3.2. The principles set forth in Section 3.2 governing the determination and adjustment of payments as well as the method of payment by such Member with respect to U.S. federal income taxes shall be equally applicable in determining and adjusting the amount of and due date of payments to be made by such Member with respect to Other Taxes and estimates thereof. Wherever appropriate, each Member shall pay, directly to the appropriate taxing authority, all taxes for which such Member is liable and for which no other Member has joint and several liability.

Section 3.4 Payment Mechanics. (a) Any payments to be made by a Member of the Consolidated Group pursuant to this Agreement shall be made by such Member to NiSource by either promptly crediting as an offset against amounts owed to such Member by NiSource or to the extent no amounts are owed to such Member by NiSource, by cash payments to NiSource.

(b) Tax payments by NiSource with respect to any Consolidated Tax Liability shall be paid by NiSource and shall be debited to the Member of the Consolidated Group for their respective shares of such Consolidated Tax Liability as determined pursuant to Articles II and III hereof. Tax refunds received by NiSource with respect to any Consolidated Tax Liability shall be credited by NiSource against the future tax liability of the Member entitled to such tax refund, as determined pursuant to Articles II.

(c) NiSource shall be responsible for maintaining the books and records reflecting the intercompany accounts reflecting the amounts owned, collected and paid with respect to taxes pursuant to this Agreement.

(d) NiSource may delegate to other Members of the Consolidated Group responsibilities for the collection and disbursement of funds as required under this Agreement as well as responsibilities for maintaining books and records as required under this Agreement.

Section 3.5 Departing Members. In the event that any Member of the Consolidated Group at any time leaves the Consolidated Group and, under any applicable statutory provision or regulation, NiSource shall, to the extent required or permitted by applicable statutory provision or regulation, file the appropriate tax returns with respect to such departing Member or the Consolidated Group, as the case may be, and shall calculate the applicable Consolidated Tax Liability of the Members included in such return in the manner as set forth in this Agreement, in each case as reasonably determined by NiSource. If, under applicable statutory provision or regulation, such departing Member is deemed to take with it all or a portion of any of the tax attributes of the Consolidated Group (including but not limited to NOLs, alternative minimum tax credit carry forwards under Section 55, and other applicable credit carry forwards), then the departing Member shall make a payment to NiSource if such tax attributes of the departing Member differ from the attributes previously allocated to such Member under this Agreement.

Exhibit A  
Page 8 of 10

Such settlement shall consist of payment (1) on a dollar for dollar basis for all differences in credits, and, (2) in the case of NOL differences (or other differences related to other deductions), in a dollar amount computed by reference to the amount of NOL (or other deduction) multiplied by the applicable tax rate relating to such NOL (or other deduction). The settlement payment shall be paid to NiSource within sixty days after the Member leaves the Consolidated Group. The settlement amounts shall be allocated among the remaining Members of the Consolidated Group in proportion to the relative attributes possessed by each Member.

Section 3.6 Administration. The provisions of this Agreement shall be administered by the Designated Official of NiSource. The interpretations of this Agreement by the Designated Official of NiSource shall be conclusive.

#### ARTICLE IV.

##### Miscellaneous Provisions

Section 4.1 Effect. The provisions hereof shall fix the rights and obligations of the parties as to the matters covered hereby whether or not such are followed for U.S. federal income tax or other purposes by the Consolidated Group, including the computation of earnings and profits for U.S. federal income tax purposes.

Section 4.2 Effective Date. This Agreement shall be effective with respect to all Taxable Periods ending on or after July 1, 2015 for the portion of such Taxable Period beginning on such date, in which any subsidiary of NiSource is a Member of the Consolidated Group for any portion of such Taxable Period, and thereafter the 2002 Agreement shall be deemed to have been superseded and replaced in its entirety by this Agreement. It is the intent of the parties hereto that any payments previously made or received by the Members under the 2002 Agreement shall not be taken into account under this Agreement including for purposes of determining each Member's obligations under this Agreement, and that the rights and obligations of the parties under the 2002 Agreement shall survive only with respect to Taxable Periods or portions thereof ending prior to July 1, 2015, except as otherwise noted in this Agreement. In the event that a party to this Agreement ceases to be a Member of the Consolidated Group, the rights and obligations of such party and each other party to this Agreement shall survive, but only with respect to Taxable Periods including or ending before the date such party ceases to be a Member of the Consolidated Group.

Section 4.3 Notices. Any and all notices, requests or other communications hereunder shall be given in writing (a) if to NiSource to Attention: Vice President, Tax, Facsimile Number 614-460-8415 and (b) if to any other person, at such other address as shall be furnished by such person by like notice to the other parties.

No waiver of any provision of this Agreement shall be valid unless in writing and signed by the person against whom that waiver is sought to be enforced. The failure of any party at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein shall not be construed as a waiver or relinquishment of the right to insist upon strict performance of the same or any other condition, promise, agreement or understanding at the future time.

Section 4.7 Assignments. Neither this Agreement nor any right, interest or obligation hereunder may be assigned by any party hereto and any attempt to do so shall be null and void.

Section 4.8 Tax Reporting. Section 4.14 No Third Party Rights. Nothing in this Agreement shall be deemed to create any right in any creditor or other person or entity not a party hereto and this Agreement shall not be construed in any respect to be a contract in whole or in part of the benefit of any third party.

## NISOURCE INC. SYSTEM MONEY POOL AGREEMENT

This SYSTEM MONEY POOL AGREEMENT (this “Agreement”) is dated as of \_\_\_\_\_, 2017 and is entered into by and among NISOURCE INC., a Delaware corporation (“NiSource”), NISOURCE CORPORATE SERVICES COMPANY, a Delaware corporation and wholly-owned subsidiary of NiSource, as administrative agent (the “Administrative Agent”), and the other direct and indirect subsidiaries of NiSource listed on Attachment A to this Agreement (each an “Eligible Borrower” and, together with NiSource and the Administrative Agent, the “Parties”).

### RECITALS

The Eligible Borrowers from time to time have need to borrow funds on a short-term basis. The Parties desire to establish a pool of funds (the “System Money Pool”), to be administered by the Administrative Agent, to coordinate such investments and borrowings in order to provide for certain of the short-term cash and working capital requirements of the Eligible Borrowers.

NOW THEREFORE, in consideration of the premises and the mutual promises set forth in this Agreement, the Parties agree as follows:

### ARTICLE I INVESTMENTS AND BORROWINGS

**Section 1.1. Investments in System Money Pool.** Each Party will determine each day, on the basis of relevant factors determined in such Party’s sole discretion, the amount of funds it has available to invest in the System Money Pool, and will invest such funds in the System Money Pool. The amount of each Party’s investments in the System Money Pool shall be evidenced by the records of the Administrative Agent, which shall be conclusive and binding upon all Parties. Each Party may withdraw any of its invested funds from the System Money Pool at any time upon notice to the Administrative Agent.

**Section 1.2. Rights to Borrow.** All short-term borrowing needs of the Eligible Borrowers may be met by funds in the System Money Pool to the extent such funds are available. Each Eligible Borrower shall have the right to make short-term borrowings from the System Money Pool (each a “loan” or a “borrowing”) from time to time, subject to the availability of funds and the limitations and conditions set forth in this Agreement. Each Eligible Borrower may request loans from the System Money Pool from time to time during the period from the date of this Agreement until this Agreement is terminated by written agreement of the Parties; provided, that the aggregate amount of all loans requested by any Eligible Borrower under this Agreement shall not exceed the applicable borrowing limits set forth in applicable regulatory orders, resolutions of such Eligible Borrower’s shareholders and Board of Directors (or their equivalents), such Eligible Borrower’s governing corporate documents, and agreements binding upon such Eligible Borrower. No loans through the System Money Pool will be made to, and no borrowings through the System Money Pool will be made by, NiSource.

### **Section 1.3. Source of Funds.**

(a) Funds will be available through the System Money Pool from the following sources to be loaned to the Eligible Borrowers from time to time: (i) surplus funds in the treasuries of the Parties, and (ii) proceeds received by NiSource from the sale of commercial paper, borrowings from banks and other lenders, and other financing arrangements (“External Funds”), in each case to the extent permitted by applicable laws and regulatory orders. Funds will be made available from such sources in such order as the Administrative Agent may determine will result in a lower cost of borrowing to Eligible Borrowers borrowing from the System Money Pool, consistent with the individual borrowing needs and financial standing of the Parties investing funds in the System Money Pool.

(b) Borrowing Parties will be deemed to borrow funds in the System Money Pool pro rata from each investing Party in the proportion that the total amount invested by such investing Party bears to the total amount then invested in the System Money Pool. On any day when more than one source of funds invested in the System Money Pool (e.g., surplus treasury funds of NiSource and other Parties and External Funds), with different rates of interest, is used to make loans through the System Money Pool, each borrowing Party will be deemed to borrow pro rata from each source of funds in the same proportion that the amount of funds invested by that source bears to the total amount of funds invested in the System Money Pool.

### **Section 1.4. Interest.**

(a) Borrowings from the System Money Pool shall accrue interest on their unpaid principal amount from the respective dates of such borrowings until such principal amount shall be paid in full. Investments of funds in the System Money Pool shall accrue interest on the unpaid principal amount of such investments from the respective dates of such investments until such principal amount shall be repaid in full. Interest shall be payable monthly in arrears and upon payment (including prepayment) in full of the unpaid principal amount of the loan or investment, as applicable.

(b) The interest rate for all borrowings from and investments in the System Money Pool shall be an interest rate (the “Composite Rate”), determined monthly, equal to the weighted average daily interest rate on (i) short-term external borrowings by NiSource plus (ii) earnings on external investments by NiSource.

**Section 1.5. Certain Costs.** The cost of compensating balances and/or commitment fees paid to banks to maintain credit lines by Parties investing External Funds in the System Money Pool shall initially be paid by the Party maintaining such credit line and shall be reported promptly to the Administrative Agent. These costs shall be retroactively allocated every month among the Eligible Borrowers based on the NiSource Corporate Services Convenience Billing Formula, which assigns such costs to all Eligible Borrowers based on a percentage that is determined by dividing the internal borrowing authorization of each Eligible Borrower by the total internal borrowing authorizations of all Eligible Borrowers.

**Section 1.6. Repayment.** Each Eligible Borrower receiving a loan under this Agreement shall repay the principal amount of such loan, together with all interest accrued on such

loan, on demand and in any event within one year of the date on which such loan was made. All loans made through the System Money Pool may be prepaid by the borrower without premium or penalty and without prior notice.

**Section 1.7. Form of Loans to Parties.** Loans to the Eligible Borrowers through the System Money Pool will be made pursuant to open-account advances; provided, that each Party investing funds in the System Money Pool shall at all times be entitled to receive upon demand one or more promissory notes evidencing any and all investments by such Party. Any such note shall: (a) be substantially in the form attached as Attachment B to this Agreement, (b) be dated as of the date of the initial borrowing, and (c) mature on demand or on a date agreed by the Parties to the transaction, but in any event within one year after the date of the applicable borrowing.

## **ARTICLE II OPERATION OF SYSTEM MONEY POOL**

**Section 2.1. The Administrative Agent.** NiSource Corporate Services Company is appointed to be the Administrative Agent for the System Money Pool with the duties prescribed in this Agreement. The Administrative Agent shall perform its duties under the authority of the appropriate officers of the Parties.

**Section 2.2. Duties of the Administrative Agent.** The Administrative Agent shall be responsible for the determination of all applicable interest rates and charges to be applied to advances outstanding at any time under this Agreement, shall maintain records of all advances, interest charges and accruals, and interest and principal payments for purposes of this Agreement, and shall prepare periodic reports as to such matters for the Parties. Separate records shall be kept by the Administrative Agent for the System Money Pool established by this Agreement and any other money pool administered by it.

**Section 2.3. Investment of Surplus Funds in the System Money Pool.** Funds invested in the System Money Pool that are not required to fund System Money Pool loans (with the exception of funds required to satisfy the System Money Pool's liquidity requirements) will ordinarily be invested in one or more short-term investments in accordance with the NiSource Short-Term Investment Policy in effect from time to time.

**Section 2.4. Allocation of Interest Income and Investment Earnings.** The interest income and other investment earnings earned by the System Money Pool from loans to Eligible Borrowers and investment of surplus funds will be allocated by the Administrative Agent among the investing Parties in accordance with the proportion each investing Party's investment of funds in the System Money Pool bears to the total amount of funds invested in the System Money Pool and the cost of any External Funds provided to the System Money Pool by NiSource. Interest income and other investment earnings will be computed on a daily basis and settled once per month.

**Section 2.5. Event of Default.** If any Party shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors, or if any proceeding shall be instituted by or against any Party seeking to adjudicate it a bankrupt or insolvent, then the other Parties may declare the

unpaid principal amount of any loans to such Party, and all interest on such loans, to be due and payable and all such amounts shall become due and payable immediately.

**Section 2.6. Determinations by Administrative Agent are Conclusive.** The Administrative Agent is required or authorized by this Agreement to make various determinations, allocations and administrative decisions. When made by the Administrative Agent, all of such determinations, allocations and administrative decisions shall be conclusive and binding upon each of the Parties.

### ARTICLE III MISCELLANEOUS

**Section 3.1. Successor to Existing Agreement.** This Agreement replaces and supersedes the System Money Pool Agreement dated as of July 2, 2013 among NiSource (in its own capacity and as successor by merger to NiSource Finance Corp. and NiSource Capital Markets, Inc.), the Administrative Agent and the Eligible Borrowers (the “Existing Money Pool Agreement”). Upon the execution and delivery of this Agreement and subject to receipt of all applicable regulatory orders, all loans and other obligations outstanding, and all funds invested, under the Existing Money Pool Agreement will become loans and other obligations outstanding, and funds invested, under this Agreement. Upon delivery by an Eligible Borrower to the Administrative Agent of a promissory note in the form of Attachment B to this Agreement, the Administrative shall transfer to such note any balance owing by such Eligible Borrower under the Existing Money Pool and shall cancel the note, if any, delivered by such Eligible Borrower in connection with the Existing Money Pool.

**Section 3.2. Amendments.** No amendment to this Agreement shall be adopted except in a writing executed by the Parties; provided that NiSource may amend Attachment A from time to time in its sole discretion for the purpose of: (a) adding as a Party any wholly-owned direct or indirect subsidiary of NiSource, (b) reflecting any change in the name or type of legal entity of any Party hereto, or (c) reflecting the withdrawal by a Party pursuant to Section 3.3 of this Article.

**Section 3.3. Withdrawal by a Party.** A Party may voluntarily withdraw from this Agreement upon written notice to the Administrative Agent and satisfaction of such Party’s pre-withdrawal obligations, including, without limitation, payment of the unpaid principal amount and interest of any outstanding loans.

**Section 3.4. Legal Responsibility.** Parties shall not be liable for the obligations of any other Party under this Agreement. The rights, obligations and liabilities of the Parties under this Agreement are several in accordance with their respective obligations, and not joint. This Agreement shall be binding upon, and shall inure to the benefit of, the Parties and their respective permitted successors and assigns.

**Section 3.5. Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of Indiana.

The Seller and the Purchaser may agree from time to time to change the Discount Rate based on changes in one or more of the items affecting the calculation thereof, provided that any change to the Discount Rate shall take effect as of the commencement of a calendar month, shall apply only prospectively and shall not affect the Purchase Price payment in respect of Purchase which occurred during any calendar month ending prior to the calendar month during which the Seller and the Purchaser agree to make such change.

## ARTICLE II. AMOUNTS AND TERMS OF PURCHASES AND CONTRIBUTIONS

SECTION 2.01. Facility. On the terms and conditions hereinafter set forth and without recourse to the Seller (except to the extent specifically provided herein), the Seller hereby agrees to sell to the Purchaser all Receivables originated or acquired by it from time to time and the Purchaser hereby agrees to purchase from the Seller all such Receivables from time to time, in each case during the period from the date hereof to the Termination Date; provided that on the Closing Date, the Seller shall contribute certain Receivables to the Purchaser pursuant to Section 2.06 in lieu of a sale of such Receivables.

### SECTION 2.02. Making Purchases.

(a) Initial Purchase. On the Closing Date, the Seller shall (i) contribute to the capital of the Purchaser, Receivables having an aggregate Outstanding Balance of \$15,000,000 and (ii) sell to the Purchaser all other Receivables outstanding as of the Closing Date. On the date of such Purchase, the Purchaser shall, upon satisfaction of the applicable conditions set forth in Article III, pay the Purchase Price for the Receivables sold to it in the manner provided in Section 2.02(c).

(b) Subsequent Purchases. On each Business Day following the Closing Date until the Termination Date, the Seller shall sell to the Purchaser, and the Purchaser shall purchase from the Seller, upon satisfaction of the applicable conditions set forth in Article III, all Receivables originated or otherwise acquired by the Seller which have not previously been sold or contributed to the Purchaser.

(c) Payment of Purchase Price. With respect to any Receivables coming into existence after the date hereof, the Purchaser shall pay the Purchase Price therefor in the following manner:

(i) first, by the application of any unused Purchase Price Credits;

(ii) second, by delivery of immediately available funds, to the extent of funds available to the Purchaser from (x) its subsequent sale of an interest in the Receivables under the Purchase Agreement, (y) Collections arising from any Receivables

previously sold to the Purchaser in which the Purchaser has retained an interest, or (z) other cash on hand; and

(iii) third, by an increase in the Deferred Purchase Price.

The Seller is hereby authorized by the Purchaser to endorse on the schedule attached to the Deferred Purchase Price Note an appropriate notation evidencing the date and amount of each advance thereunder, as well as the date of each payment with respect thereto, provided that the failure to make such notation shall not affect any obligation of the Purchaser thereunder.

Although the Purchase Price for each Receivable coming into existence after the date hereof shall be due and payable in full by the Purchaser to the Seller on the date such Receivable came into existence, and payment of such Purchase Price shall be made as provided in this Section 2.02(c), final settlement of the Purchase Price between the Purchaser and the Seller shall be effected on a monthly basis on each Settlement Date with respect to all Receivables coming into existence during the calendar month preceding such Settlement Date and based on the information contained in the Monthly Report delivered by the Servicer pursuant to the Purchase Agreement for the calendar month then most recently ended. On each Settlement Date, the Purchaser and the Seller shall cause a reconciliation to be made in respect of all purchases that shall have been made during the calendar month then most recently ended. Although settlement shall be effected on Settlement Dates, any net increase or decrease in the amount owing under the Deferred Purchase Price Note made pursuant to this Section 2.02(c) shall be deemed to have occurred and shall be effective as of the last Business Day of the calendar month to which such settlement relates.

(d) Ownership of Receivables and Related Security. On each Purchase Date, after giving effect to the Purchase (and any contribution of Receivables) on such date, the Purchaser shall own all Receivables originated or otherwise acquired by the Seller on such date (including Receivables which have been previously sold or contributed to the Purchaser hereunder). The Purchase or contribution of any Receivable shall include all Related Security with respect to such Receivable.

SECTION 2.03. Collections. (a) On each Deposit Date, the Servicer shall apply all Collections released to the Purchaser pursuant to the Purchase Agreement and all amounts paid by the Seller pursuant to Section 2.04(a) and 2.04(b) hereof (i) first, to pay the Purchase Price then owing by the Purchaser hereunder on such date, (ii) second, if such date is a Settlement Date, to pay the accrued and unpaid interest on the Deferred Purchase Price for the most recently ended calendar month (as provided in Section 2.03(c)), and (iii) third, to prepay in whole or in part the principal amount of the Deferred Purchase Price. The Servicer shall, on or before each Settlement Date, deposit into an account of the Purchaser or the Purchaser's assignee all remaining Collections of Transferred Receivables (if any) then held by the Servicer (but only to the extent such Collections have not been previously applied to purchase new Receivables hereunder or to pay the Deferred Purchase Price).

(b) In the event that the Seller believes that collections which are not Collections of Transferred Receivables have been deposited into an account of the Purchaser or the Purchaser's assignee, the Seller shall so advise the Purchaser and, on the Business Day

following such identification to the Purchaser's reasonable satisfaction, the Purchaser shall instruct the Servicer to remit such collections to the Seller.

(c) On each Settlement Date, the Purchaser shall, to the extent Collections are available for such purpose under the Purchase Agreement and are not required to pay the Purchase Price for any Receivables purchased hereunder, pay to the Seller accrued interest on the Deferred Purchase Price; provided that each such payment shall be made solely from (i) Collections of Transferred Receivables after all other amounts then due from the Purchaser under the Purchase Agreement have been paid in full and all amounts then required to be set aside by the Purchaser or the Servicer under the Purchase Agreement have been so set aside or (ii) excess cash flow from operations of the Purchaser which is not required to be applied to the payment of any Senior Obligations; and provided, further that no such payment shall be made at any time when an "Event of Termination" (as defined in the Purchase Agreement) shall have occurred and be continuing. At such time following the Termination Date when all Senior Obligations shall have been paid in full, the Purchaser shall apply, on each Deposit Date, all Collections of Transferred Receivables received by the Purchaser pursuant to Section 2.03(a) (and not previously distributed) first to the payment of accrued interest on the Deferred Purchase Price, and then to the reduction of the principal amount of the Deferred Purchase Price.

SECTION 2.04. Settlement Procedures. (a) If on any day any Transferred Receivable becomes (in whole or in part) a Diluted Receivable, the Seller shall be deemed to have received on such day a Collection of such Receivable in the amount of such Diluted Receivable. The Seller shall pay to the Servicer on or prior to the next Settlement Date all amounts deemed to have been received pursuant to this subsection. Notwithstanding the foregoing, if on any day any Transferred Receivable, the Obligor of which is a NiSource Entity, is satisfied in full or in part by the posting of an inter-company accounting entry in favor of the Seller, the Purchaser shall be deemed to have received on such day a credit (a "Purchase Price Credit") in the amount of such accounting entry. If for any reason the Purchaser ceases to purchase Receivables from the Seller under this Agreement, the Seller shall pay to the Purchaser the amount of all then unused Purchase Price Credits.

(b) Upon discovery by the Seller or the Purchaser of a breach of any of the representations and warranties made by the Seller in Section 4.01(j) with respect to any Transferred Receivable, such party shall give prompt written notice thereof to the other party, as soon as practicable and in any event within three (3) Business Days following such discovery. The Seller shall, upon not less than two (2) Business Days' notice from the Purchaser or its assignee or designee, repurchase such Transferred Receivable on the next succeeding Settlement Date for a repurchase price equal to the Outstanding Balance of such Transferred Receivable. Each repurchase of a Transferred Receivable shall include the Related Security with respect to such Transferred Receivable. The proceeds of any such repurchase shall be deemed to be a Collection in respect of such Transferred Receivable. The Seller shall pay to the Servicer on or prior to the next Settlement Date the repurchase price required to be paid pursuant to this subsection.

(c) Except as stated in subsection (a) or (b) of this Section 2.04 or as otherwise required by law or the relevant Contract, or as otherwise specified by such Obligor, all Collections from an Obligor of any Transferred Receivable shall be applied to the Receivables of

such Obligor in the order of the age of such Receivables, starting with the oldest such Receivable.

SECTION 2.05. Payments and Computations, Etc. (a) All amounts to be paid or deposited by the Seller or the Servicer hereunder shall be paid or deposited no later than 11:00 A.M. (New York City time) on the day when due in same day funds to an account or accounts designated by the Purchaser from time to time.

(b) The Seller shall, to the extent permitted by law, pay to the Purchaser interest on any amount not paid or deposited by the Seller (whether as Servicer or otherwise) when due hereunder at an interest rate per annum equal to 2.50% per annum above the Base Rate, payable on demand.

(c) All computations of interest and all computations of fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first but excluding the last day) elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

SECTION 2.06. Contributions. On the Closing Date the Seller shall identify Receivables which it proposes to transfer to the Purchaser as a capital contribution. On the date of such contribution and after giving effect thereto, the Purchaser shall own all right, title and interest in and to the Receivables so identified and contributed (collectively, the "Contributed Receivables") and all Related Security with respect thereto.

SECTION 2.07. Grant of Security Interest. As collateral security for the performance by the Seller of all the terms, covenants and agreements on the part of the Seller (whether as Seller, Servicer or otherwise) to be performed under this Agreement or any other Transaction Document, including the punctual payment when due of all amounts payable by it hereunder and thereunder, the Seller hereby assigns to the Purchaser and grants to the Purchaser a first priority security interest in, all of the Seller's right, title and interest (if any) in and to (A) all Receivables, whether now owned and existing or hereafter acquired or arising, all Related Security and Collections with respect thereto and all Lock-Boxes and Blocked Accounts, and (B) to the extent not included in the foregoing, all proceeds of any and all of the foregoing.

### ARTICLE III. CONDITIONS OF PURCHASES

SECTION 3.01. Conditions Precedent to Initial Purchase from the Seller. The initial Purchase of Receivables from the Seller hereunder is subject to the conditions precedent that the Purchaser shall have received on or before the date of such Purchase all of the instruments, documents, agreements and opinions specified in Section 3.01 of the Purchase Agreement, each (unless otherwise indicated therein) dated such date, in form and substance satisfactory to the Purchaser.

SECTION 3.02. Conditions Precedent to All Purchases. The Purchaser's obligation to make any Purchase (including the initial Purchase) hereunder shall be subject to the further conditions precedent that:

(a) the Seller shall have delivered to the Purchaser, if requested by the Purchaser, (i) the Seller's Receivables Trial Balance (which if in the form of an electronic record shall be compatible with the Purchaser's computer software) as of a date not more than 31 days prior to the date of such Purchase, and (ii) such additional information concerning such Receivables as may reasonably be requested by the Purchaser;

(b) with respect to any such Purchase, on or prior to the date of such Purchase, the Servicer shall have delivered to the Purchaser, all Monthly Reports and Daily Reports required to be delivered hereunder and under the Purchase Agreement, each duly completed and containing information covering the most recently ended reporting period for which information is required pursuant to Section 6.02(g) and (h) of the Purchase Agreement;

(c) on the date of such Purchase the following statements shall be true (and the Seller, by accepting the Purchase Price for such Purchase, shall be deemed to have represented and warranted that):

(i) The representations and warranties contained in Section 4.01 are correct on and as of the date of such Purchase as though made on and as of such date;

(ii) No event has occurred and is continuing, or would result from such Purchase, that constitutes an Event of Termination or an Involuntary Bankruptcy Event; and

(iii) The "Termination Date" shall not have occurred under (and as defined in) the Purchase Agreement; and

(d) the Purchaser shall have received such other approvals, opinions or documents as the Purchaser may reasonably request.

Notwithstanding the foregoing, unless otherwise specified by the Purchaser (with the written consent of the Administrative Agent) in a written notice to the Seller, each Purchase shall occur automatically on each day prior to the Termination Date, with the result that the title to all Receivables shall vest in the Purchaser automatically on the date each such Receivable arises and without any further action of any kind by the Purchaser or the Seller, whether or not the conditions precedent to such Purchase were in fact satisfied on such date and notwithstanding any delay in making payment of the Purchase Price for such Receivables (but without impairing the Purchaser's obligation to pay such Purchase Price in accordance with the terms hereof).

#### ARTICLE IV. REPRESENTATIONS AND WARRANTIES

SECTION 4.01. Representations and Warranties of the Seller. The Seller (both individually and in its capacity as Servicer) represents and warrants as follows as of the date hereof and as of the date of each Purchase hereunder:

(a) The Seller is a corporation duly incorporated, validly existing and in good standing under the laws of Pennsylvania, and is duly qualified to do business, and is in

good standing, in every jurisdiction where the nature of its business requires it to be so qualified.

(b) The execution, delivery and performance by the Seller of the Transaction Documents to which it is a party, including the Seller's sale and contribution of Receivables hereunder and the Seller's use of the proceeds of Purchases, (i) are within the Seller's corporate powers, (ii) have been duly authorized by all necessary corporate action, (iii) do not contravene (1) the Seller's charter or by-laws, (2) any law, rule or regulation applicable to the Seller, (3) any contractual restriction binding on or affecting the Seller or its property or (4) any order, writ, judgment, award, injunction or decree binding on or affecting the Seller or its property, and (iv) do not result in or require the creation of any Adverse Claim upon or with respect to any of its properties (except for the transfer of the Seller's interest in the Transferred Receivables pursuant to this Agreement). Each of the Transaction Documents to which the Seller is named as a party has been duly executed and delivered by the Seller.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by the Seller of the Transaction Documents to which it is a party or any other document to be delivered by it thereunder except for those that have already been obtained or made and the filing of UCC financing statements which are referred to therein.

(d) Each of the Transaction Documents to which the Seller is a party constitutes the legal, valid and binding obligation of the Seller enforceable against the Seller in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws affecting the enforcement of creditors' rights generally and by principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(e) Sales and contributions made pursuant to this Agreement will constitute a valid sale (or contribution), transfer, and assignment of the Transferred Receivables to the Purchaser, enforceable against creditors of, and purchasers from, the Seller. The Seller shall have no remaining property interest in any Transferred Receivable.

(f) The consolidated balance sheets of the Seller and its Subsidiaries as of December 31, 2008, and the related statements of income and retained earnings of the Seller and its Subsidiaries as of and for the fiscal year then ended, copies of which have been furnished to the Purchaser, fairly present the financial condition of the Seller and its Subsidiaries as of such date and the results of the operations of the Seller and its Subsidiaries for the fiscal year ended on such date, all in accordance with generally accepted accounting principles consistently applied. Since December 31, 2008, there has been no material adverse change in the business, operations, property or financial condition of the Seller.

(g) There is no pending or, to the best knowledge of the Seller, threatened action or proceeding affecting the Seller or any of its Subsidiaries before any court,

governmental agency or arbitrator which (if adversely determined) would have a Material Adverse Effect, except as disclosed in the financial statements referred to in Section 4.01(f).

(h) No proceeds of any Purchase will be used for a purpose that violates or would be inconsistent with, Regulation T, U or X promulgated by the Board of Governors of the Federal Reserve System from time to time.

(i) No transaction contemplated hereby requires compliance with any bulk sales act or similar law.

(j) Each Transferred Receivable, together with the Related Security, is owned (immediately prior to its sale or contribution hereunder) by the Seller free and clear of any Adverse Claim (other than Permitted Liens or any Adverse Claim arising solely as the result of any action taken by the Purchaser). When the Purchaser makes a Purchase it shall acquire valid and perfected first priority ownership interest of each Purchased Receivable and the Related Security and Collections with respect thereto free and clear of any Adverse Claim (other than Permitted Liens or any Adverse Claim arising solely as the result of any action taken by the Purchaser), and no effective financing statement or other instrument similar in effect is filed in any recording office listing the Seller as debtor, covering any Receivable, any interest therein, the Related Security or Collections except such as may be filed in favor of Purchaser in accordance with this Agreement and assigned to the Agent in accordance with the Purchase Agreement.

(k) Each Monthly Report and Daily Report, all information, and each exhibit, financial statement, document, book, record or report furnished or to be furnished in writing at any time by the Seller to the Purchaser in connection with this Agreement is or will be accurate in all material respects as of its date or (except as otherwise disclosed to the Purchaser at such time) as of the date so furnished, and no such Monthly Report, Daily Report, information, exhibit, financial statement, document, book, record or report contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements contained therein, in the light of the circumstances under which they were made, not materially misleading.

(l) The principal place of business and chief executive office of the Seller and the office where the Seller keeps its records concerning the Transferred Receivables are located at the address or addresses referred to in Section 5.01(b).

(m) The names and addresses of all the Blocked Account Banks, together with the number of the Lock-Boxes and the account numbers of the Blocked Accounts at or maintained by such Blocked Account Banks, are specified in Exhibit A, as such may be updated from time to time pursuant to Section 5.01(g).

(n) In the past five (5) years, the Seller has not used any company name, tradename or doing-business-as name other than the name in which it has executed this Agreement and the other names listed on Exhibit C. The Seller's organizational identification number is 73694.

(o) (i) The fair value of the property of the Seller is greater than the total amount of liabilities, including contingent liabilities, of the Seller, (ii) the present fair salable value of the assets of the Seller is not less than the amount that will be required to pay all probable liabilities of the Seller on its debts as they become absolute and matured, (iii) the Seller does not intend to, and does not believe that it will, incur debts or liabilities beyond the Seller's abilities to pay such debts and liabilities as they mature and (iv) the Seller is not engaged in a business or a transaction, and is not about to engage in a business or a transaction, for which the Seller's property would constitute unreasonably small capital.

(p) The Seller shall have originated each Receivable in the ordinary course of its business.

(q) Each Transferred Receivable included as an Eligible Receivable in the calculation of the Net Receivables Pool Balance on any Monthly Report or Daily Report satisfies the requirements of eligibility contained in the definition of "Eligible Receivable" in the Purchase Agreement as of the date of the information reported in such Monthly Report or Daily Report.

(r) The Purchase Price received by the Seller for each Transferred Receivable constitutes reasonably equivalent value in consideration therefor and such transfer was not made for or on account of an antecedent debt. Each transfer by the Seller of any Transferred Receivable hereunder has been made in good faith and without the intent to hinder, delay or defraud creditors of the Seller, and no such transfer is or may be voidable under any section of the Bankruptcy Reform Act of 1978 (11 U.S.C. §§ 101 et seq.), as amended.

(s) The Seller and its ERISA Affiliates are in compliance, in all material respects, with ERISA, and no Adverse Claim exists in favor of the Pension Benefit Guaranty Corporation on any of the Receivables.

(t) The Seller believes that the Purchaser has adequate capitalization and liquidity to meet its financial obligations under the Transaction Documents without the need for capital contributions other than the capital contributions described in Section 2.02(a).

(u) Each of the representations and warranties set forth on Annex A are true and correct.

(v) The Seller is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended, or any successor statute.

(w) The Seller has complied in all respects with all applicable laws, rules, regulations, orders, writs, judgments, injunctions, decrees or awards to which it may be subject, except where the failure to so comply could not reasonably be expected to have a Material Adverse Effect. Each Transferred Receivable, together with the Contract related thereto, does not contravene any laws, rules or regulations applicable thereto (including, without limitation, laws, rules and regulations relating to truth in lending, fair credit

billing, fair credit reporting, equal credit opportunity, fair debt collection practices and privacy), and no part of such Contract is in violation of any such law, rule or regulation, except where such contravention or violation could not reasonably be expected to have a Material Adverse Effect.

(x) The Seller has complied in all material respects with the Credit and Collection Policy with regard to each Transferred Receivable and the related Contract, and has not made any change to such Credit and Collection Policy.

(y) Each of the facts and assumptions with respect to Seller, and its conduct set forth in the opinion letter issued by Schiff Hardin LLP, as counsel for Seller, in connection with the Closing Date and relating to issues of "true sale" and "substantive nonconsolidation", and in the certificates accompanying such opinion letter, are true and correct.

#### ARTICLE V. COVENANTS

SECTION 5.01. Covenants of the Seller. From the date hereof until the first day following the Termination Date on which all of the Transferred Receivables are either collected in full or are written off in accordance with the applicable Credit and Collection Policy, the Seller (both individually and in its capacity as Servicer) covenants and agrees as follows:

(a) Compliance with Laws, Etc. The Seller will comply in all respects with all applicable laws, rules, regulations and orders and preserve and maintain its corporate existence, rights, franchises, qualifications and privileges except to the extent that the failure so to comply with such laws, rules and regulations or the failure so to preserve and maintain such rights, franchises, qualifications, and privileges would not reasonably be expected to have a Material Adverse Effect.

(b) Offices, Records and Books of Account. The Seller will keep its principal place of business and chief executive office and the office where it keep its records concerning the Receivables at (i) the address of the Seller set forth under its name on the signature page to this Agreement, or (ii) upon thirty (30) days' prior written notice to the Purchaser at any other locations in jurisdictions where all actions reasonably requested by the Purchaser to protect and perfect the interest in the Transferred Receivables shall have been taken and completed. The Seller will maintain and implement administrative and operating procedures (including, without limitation, an ability to recreate records evidencing Receivables and related Contracts in the event of the destruction of the originals thereof), and keep and maintain all documents, books, records and other information reasonably necessary or advisable for the collection of all Receivables (including, without limitation, records adequate to permit the daily identification of each new Transferred Receivable and all Collections of and adjustments to each existing Transferred Receivable).

(c) Performance and Compliance with Contracts and Credit and Collection Policy. The Seller will, at its expense, (i) timely and fully perform and comply in all material respects with all provisions, covenants and other promises required to be

observed by it under the Contracts related to the Receivables, and (ii) timely and fully comply in all material respects with the Credit and Collection Policy in regard to each Receivable and the related Contracts.

(d) Sales, Liens, Etc. Except for Permitted Liens and the sales and contributions of Receivables contemplated herein, the Seller will not sell, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist any Adverse Claim upon or with respect to, any Receivable, Related Security, related Contract or Collections, or upon or with respect to any Lock-Box or Blocked Account, or assign any right to receive income in respect thereof.

(e) Extension or Amendment of Receivables and Contracts. The Seller will not extend, amend or otherwise modify the terms of any Receivable or amend, modify or waive any term or condition of any Contract related thereto except, in its capacity as Servicer, to the extent permitted under Section 6.02(c) of the Purchase Agreement.

(f) Change in Business or Credit and Collection Policy. The Seller will not make any change in the character of its business or in any Credit and Collection Policy, except, for any such change that would not (i) impair the collectibility of any Receivable or (ii) otherwise be reasonably likely to have a Material Adverse Effect.

(g) Addition or Termination of Blocked Accounts and Lock-Boxes; Change in Payment Instructions to Obligors. The Seller will not add or terminate any bank or bank account as a Blocked Account Bank or Lock-Box or Blocked Account from those listed in Exhibit A to this Agreement, or make any change in its instructions to Obligors regarding payments to be made in respect of the Receivables or payments to be made to any Lock-Box or Blocked Account Bank, unless the Purchaser shall have received notice of such addition, termination or change (including an updated Exhibit A) with respect to each new Lock-Box or Blocked Account and a fully executed Blocked Account Agreement.

(h) Deposits to Lock Boxes and Blocked Accounts. The Seller will instruct all Obligors to remit all their payments in respect of the Receivables to one of the Lock-Boxes or Blocked Accounts or to a Sub-Agent that has been instructed to remit payments to one of the Blocked Accounts. If the Seller shall receive any Collections directly, the Seller shall promptly (and in any event within one (1) Business Day) deposit the same into a Blocked Account. From and after the occurrence of a Lock-Box Event, the Seller will not permit any funds to be deposited into any Blocked Account other than Collections of Receivables, proceeds of accounts receivable under any Percent of Income Plan, Retail Services Payments, and prepayments made under any Balanced Payment Plan.

(i) Marking of Records. At its expense, the Seller will mark its master data processing records evidencing Receivables with a legend evidencing that Transferred Receivables and the related Contracts have been sold in accordance with this Agreement.

(j) Audits. The Seller will, from time to time during regular business hours as requested by the Purchaser or its assigns at the Seller's expense, permit the Purchaser, or its agents, representatives or assigns, (i) to examine and make copies of and abstracts from all books, records and documents (including, without limitation, computer tapes and disks) in the possession or under the control of the Seller relating to Receivables and the Related Security, including, without limitation, the related Contracts, and (ii) to visit the offices and properties of the Seller for the purpose of examining such materials described in clause (i) above, and to discuss matters relating to Receivables and the Related Security or the Seller's performance under the Transaction Documents or under the Contracts with any of the officers or employees of the Seller having knowledge of such matters. So long as no Event of Termination has occurred and is continuing, the Purchaser or its assigns will give the Seller three (3) Business Days prior notice of any such examination.

(k) Further Assurances: Change in Name or Jurisdiction of Organization. Etc.  
(i) The Seller agrees from time to time, at its expense, promptly to execute and deliver all further instruments and documents, and to take all further actions, that may be necessary or desirable, or that the Purchaser or its assignee may reasonably request, to perfect, protect or more fully evidence the Purchaser's ownership of the Transferred Receivables and/or the Purchaser's security interest described in Section 2.07, or to enable the Purchaser or its assignee to exercise and enforce its respective rights and remedies under this Agreement. Without limiting the foregoing, the Seller will, upon the request of the Purchaser or its assignee, execute and file such financing or continuation statements, or amendments thereto, and such other instruments and documents, that may be necessary or desirable or that the Purchaser or its assignee may reasonably request to perfect, protect, evidence or maintain the priority of the Purchaser's ownership of such Receivables or such security interest.

(ii) The Seller authorizes the Purchaser or its assignee to file financing or continuation statements, and amendments thereto and assignments thereof, relating to the Receivables and the Related Security, the related Contracts and the Collections with respect thereto and the collateral described in Section 2.07 without the signature of the Seller. A photocopy or other reproduction of this Agreement shall be sufficient as a financing statement where permitted by law.

(iii) The Seller shall perform its obligations under the Contracts related to the Transferred Receivables to the same extent as if the Transferred Receivables had not been sold or transferred.

(iv) The Seller shall not take any action to change its jurisdiction of incorporation unless (i) the Purchaser shall have received at least thirty (30) days advance written notice of such change and all action by Seller necessary or appropriate to perfect or maintain the perfection of the Purchaser's interest in the Receivables and the collateral described in Section 2.07 (including, without limitation, the filing of all financing statements and the taking of such other action as the Purchaser may request in connection with such change) shall have been duly taken and (ii) the new jurisdiction of incorporation is a State within the United States of America.

(v) The Seller will not change its name, identity or corporate structure unless the Purchaser shall have received at least thirty (30) days advance written notice of such change or relocation and all action by Seller necessary or appropriate to perfect or maintain the perfection of the Purchaser's interest in the Receivables and the collateral described in Section 2.07 (including, without limitation, the filing of all financing statements and the taking of such other action as the Purchaser may request in connection with such change) shall have been duly taken.

(l) Reporting Requirements. The Seller will provide or cause to be provided to the Purchaser, the Administrative Agent and each Managing Agent the following:

(i) as soon as available and in any event within ninety (90) days after the end of each fiscal year of the Seller, a consolidated balance sheet of the Seller and its Subsidiaries as of the end of such fiscal year and the related consolidated statements of income, cash flows and changes in common stockholders' equity for such fiscal year, setting forth in each case in comparative form the figures for the previous fiscal year, certified by a Financial Officer of the Seller as having been prepared in conformity with generally accepted accounting principles consistently applied;

(xi) such other information respecting the Transferred Receivables or the condition or operations, financial or otherwise, of the Seller as the Purchaser may from time to time reasonably request.

(m) Separate Conduct of Business. The Seller will: (i) maintain separate corporate records and books of account from those of the Purchaser; (ii) conduct its business from an office separate from that of the Purchaser; (iii) ensure that all oral and written communications, including without limitation, letters, invoices, purchase orders, contracts, statements and applications, will not be made in the name of the Purchaser; (iv) have stationery and other business forms separate from those of the Purchaser; (v) not hold itself out as having agreed to pay, or as being liable for, the obligations of the Purchaser; (vi) not engage in any transaction with the Purchaser except as contemplated by this Agreement or as permitted by the Purchase Agreement; and (vii) continuously maintain as official records the resolutions, agreements and other instruments underlying the transactions contemplated by this Agreement.

(n) Taxes. The Seller will pay when due any taxes payable in connection with the Receivables, exclusive of taxes on or measured by income or gross receipts of the Purchaser.

(o) Treatment as Sales. The Seller shall not account for or treat (whether in financial statements or otherwise) the transactions contemplated by this Agreement in any manner other than as a sale, contribution and/or absolute conveyance of Receivables by the Seller to the Purchaser except on the face of its financial statements (but not the notes thereto) to the extent required by the principles of consolidated financial reporting in accordance with generally accepted accounting principles.

SECTION 5.02. Intent of the Seller and the Purchaser. The Seller and the Purchaser have structured this Agreement with the intention that each Purchase of Receivables hereunder be treated as a sale of such Receivables by the Seller to the Purchaser for all purposes and the contribution of Receivables hereunder shall be treated as an absolute transfer of such Receivables by the Seller to the Purchaser for all purposes (except that, in accordance with applicable tax principles, each purchase and contribution may be ignored for tax reporting purposes). The Seller and the Purchaser shall record each Purchase and contribution as a sale or purchase or capital contribution, as the case may be, on its books and records, and reflect each

Purchase and contribution in its financial statements as a sale or purchase or capital contribution, as the case may be. In the event that, contrary to the mutual intent of the Seller and the Purchaser, any Purchase or contribution of Receivables hereunder is not characterized as a sale or absolute transfer, the Seller shall, effective as of the date hereof, be deemed to have granted (and the Seller hereby does grant) to the Purchaser a first priority security interest in and to any and all Receivables, the Related Security, the Collections in respect thereof and the proceeds thereof to secure the repayment of all amounts advanced to the Seller hereunder with accrued interest thereon, and this Agreement shall be deemed to be a security agreement.

#### ARTICLE VI. ADMINISTRATION AND COLLECTION

SECTION 6.01. Designation of Servicer. Consistent with the Purchaser's ownership interest in the Transferred Receivables, the Seller acknowledges and agrees that the servicing, administration and collection of the Transferred Receivables shall be the responsibility and right of the Purchaser. The Purchaser has advised the Seller that the servicing, administration and collection of the Transferred Receivables shall be conducted by the Person designated as the Servicer pursuant to the Purchase Agreement from time to time. The Purchaser has requested the Seller to, and the Seller has agreed that it will, act as the initial Servicer. All references to the Seller hereunder shall include the Seller in its capacity as Servicer under the Purchase Agreement until a successor Servicer is appointed thereunder.

SECTION 6.02. Certain Rights of the Purchaser. (a) The Purchaser may, at any time, direct the Obligors of Transferred Receivables and any Person obligated on any Related Security, or any of them, that payment of all amounts payable under any Transferred Receivable shall be made directly to the Purchaser or its designee. The Seller hereby transfers to the Purchaser (and its assigns and designees) the exclusive ownership and control of the Lock-Boxes and the Blocked Accounts maintained by the Seller for the purpose of receiving Collections and the Seller shall take any further action that the Purchaser may reasonably request to effect or further evidence such transfer.

(b) At any time following the designation of a Servicer other than the Seller:

(i) At the Purchaser's request and at the Seller's expense, the Seller shall give notice of the Purchaser's ownership to each Obligor of Transferred Receivables and direct that payments of all amounts payable under the Transferred Receivables be made directly to the Purchaser or its designee.

(ii) At the Purchaser's request and at the Seller's expense, the Seller shall (A) assemble all of the documents, instruments and other records (including, without limitation, computer tapes and disks) that evidence or relate to the Receivables, and the related Contracts and Related Security, or that are otherwise necessary or desirable to collect the Receivables, and shall make the same available to the Purchaser at a place selected by the Purchaser or its designee, and (B) segregate all cash, checks and other instruments received by it from time to time constituting Collections of Receivables in a manner acceptable to the Purchaser and, promptly upon receipt, remit all such cash, checks and instruments, duly indorsed or with duly executed instruments of transfer, to the Purchaser or its designee.

(c) The Seller authorizes each of the Purchaser and the Administrative Agent, and hereby irrevocably appoints each of the Purchaser and the Administrative Agent as its attorney-in-fact coupled with an interest, with full power of substitution and with full authority in place of the Seller, following the occurrence and during the continuation of a Servicer Default, to take any and all steps in the Seller's name and on behalf of the Seller, that are necessary or desirable, in the determination of the Purchaser or the Administrative Agent, to collect amounts due under the Receivables, including, without limitation, endorsing the Seller's name on checks and other instruments representing Collections of Receivables and enforcing the Receivables and the Related Security and related Contracts.

(d) Following the occurrence of an Event of Termination, the Seller shall, upon the request of the Purchaser or the Administrative Agent (and if the Seller fails to do so, the Purchaser or the Administrative Agent may itself) deliver a notice to all applicable Obligor, in form and substance satisfactory to the Purchaser or the Administrative Agent, as applicable, stating that (i) the Transferred Receivables have been sold to the Purchaser and (ii) effective immediately all payments on the Transferred Receivables must be made without any setoff. Such notice shall be delivered by the Seller as soon as practicable and in any event within three (3) Business Days after such written request by the Purchaser or the Administrative Agent. From and after the date the Purchaser or the Administrative Agent requests the Seller to deliver such notice, (x) the Seller shall require all payments by Obligor to be made without any setoff, and shall make available to the Administrative Agent and the Purchaser such information as may be required to determine whether such payments are being so made and (y) the Seller and the Purchaser shall, and shall cause each other Transaction Party to, pay, or cause to be paid, when due all amounts (including, without limitation, credit card charges) owing by any Transaction Party to any Obligor without any set off of such amounts against Receivables due from such Obligor.

SECTION 6.03. Rights and Remedies. (a) If the Seller (as Servicer or otherwise) fails to perform any of its obligations under this Agreement, the Purchaser may (but shall not be required to) cause performance of, such obligation, and the costs and expenses of the Purchaser reasonably incurred in connection therewith shall be payable by the Seller.

(b) The Seller (as Servicer or otherwise) shall perform all of its obligations under the Contracts related to the Transferred Receivables to the same extent as if the Seller had not sold or contributed Receivables hereunder and the exercise by the Purchaser of its rights hereunder shall not relieve the Seller (as Servicer or otherwise) from such obligations or its obligations with respect to the Transferred Receivables or the related Contracts. The Purchaser shall not have any obligation or liability with respect to any Transferred Receivables or related Contracts, nor shall the Purchaser be obligated to perform any of the obligations of the Seller (as Servicer or otherwise) thereunder.

(c) The Seller shall cooperate with the Servicer in collecting amounts due from Obligor in respect of the Transferred Receivables.

(d) The Seller hereby grants to Servicer an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take or cause to be taken in the name of the Seller all steps necessary or advisable to endorse, negotiate or otherwise realize on any

Collections and any checks, instruments or other proceeds of the Transferred Receivables held or transmitted by the Seller or transmitted or received by the Purchaser (whether or not from the Seller) in connection with any Transferred Receivable.

SECTION 6.04. Transfer of Records to Purchaser. Each Purchase and contribution of Receivables hereunder shall include the transfer to the Purchaser of all of the Seller's right and title to and interest in the records relating to such Receivables and shall include an irrevocable non-exclusive license to the use of the Seller's computer software system to access and create such records. Such license shall be without royalty or payment of any kind, is coupled with an interest, and shall be irrevocable until all of the Transferred Receivables are either collected in full or become Defaulted Receivables. In recognition of the Seller's need to have access to the records transferred to the Purchaser hereunder, the Purchaser hereby grants to the Seller an irrevocable license to access such records in connection with any activity arising in the ordinary course of the Seller's business or in performance of its duties as Servicer, provided that (i) the Seller shall not disrupt or otherwise interfere with the Purchaser's use of and access to such records during such license period, and (ii) the Seller consents to the assignment and delivery of the records (including any information contained therein relating to the Seller or its operations) to any assignees or transferees of the Purchaser.

#### ARTICLE VII. EVENTS OF TERMINATION

SECTION 7.01. Events of Termination. If any of the following events (each an "Event of Termination") shall occur and be continuing:

(a) (i) The Seller shall fail to perform or observe any term, covenant or agreement under this Agreement (other than as referred to in clause (ii) of this subsection (a)) and such failure shall remain unremedied for five (5) Business Days after the earlier of (x) the first date on which the Seller receives written notice thereof from the Purchaser, the Administrative Agent or any Managing Agent or (y) the first date the Seller has actual knowledge thereof, or (ii) (x) the Seller shall fail to perform or observe any term, covenant or agreement contained in Sections 5.01(a), 5.01(h) or 6.02(b), or (y) any Transaction Party shall fail to make when due any payment or deposit to be made by it under this Agreement or any other Transaction Document; or

(b) Any representation or warranty made or deemed made by any Transaction Party (or any of their respective officers) under or in connection with this Agreement or any other Transaction Document or any certificate, report or other statement delivered by any Transaction Party pursuant to this Agreement or any other Transaction Document shall prove to have been incorrect or untrue in any material respect when made or deemed made or delivered (unless such representation or warranty relates solely to one or more specific Transferred Receivables and the Seller makes a deemed Collection payment or repurchases such Receivable no later than the Business Day following the discovery of such breach of representation); or

(c) Any Transaction Party shall fail to perform or observe any term, covenant or agreement contained in any other Transaction Document on its part to be performed or observed (other than as referred to in subsection (a)(ii)(y) above) and such failure shall remain unremedied for five (5) Business Days after the earlier of (x) the first date on which such

Transaction Party receives written notice thereof from the Purchaser, the Administrative Agent or any Managing Agent or (y) the first date such Transaction Party has actual knowledge thereof; or

(d) (i) Any Transaction Party shall default beyond any applicable period of grace in any payment of principal or interest on any indebtedness for any borrowed money for which such Transaction Party is liable in a principal amount then outstanding of \$50,000,000 (or in the case of the Purchaser, \$10,000) or more or (ii) any other event of default (other than a failure to pay principal or interest) shall occur under any mortgage, indenture, agreement or instrument under which there may be issued, or by which there may be secured or evidenced, any indebtedness for any borrowed money for which any Transaction Party is liable in a principal amount then outstanding of \$50,000,000 (or in the case of the Purchaser, \$10,000) and either (A) the occurrence of such event shall result in such indebtedness becoming or being declared due and payable prior to the date on which it could otherwise become due and payable or (B) the occurrence of such event shall permit the holders of such indebtedness to declare such indebtedness to be due and payable prior to the date on which it would otherwise become due and payable; or

(e) Any Purchase or contribution of Receivables hereunder, the Related Security and the Collections with respect thereto shall for any reason cease to vest in the Purchaser valid and perfected ownership of such Receivables, Related Security and Collections free and clear of any Adverse Claim (other than Permitted Liens or any Adverse Claim arising solely as the result of any action taken by the Purchaser) or the security interest created pursuant to Section 2.07 shall for any reason cease to be a valid and perfected first priority security interest in the collateral referred to in that Section; or

(f) Any Transaction Party shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against any Transaction Party seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismitted or unstayed for a period of forty-five (45) days, or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or for any substantial part of its property) shall occur; or any Transaction Party shall take any corporate action to authorize any of the actions set forth above in this subsection (f); or

(g) There shall have occurred or shall exist any event or condition which has had or will have a Material Adverse Effect; or

(h) The Seller shall cease to own, directly or indirectly, all of the outstanding capital stock of the Purchaser, free and clear of any Adverse Claim (other than Permitted Liens); or

(i) The Internal Revenue Service shall file notice of a lien pursuant to Section 6323 of the IRC with regard to any of the assets of the Seller and such lien shall not have been released within five (5) Business Days, or the Pension Benefit Guaranty Corporation shall, or shall indicate its intention to, file notice of a lien pursuant to Section 4068 of ERISA with regard to any of the assets of the Seller or any Subsidiaries of the Seller; or

(j) One or more judgments, orders or decrees shall be entered against any Transaction Party involving in the aggregate a liability (not satisfied or fully covered by insurance) of \$50,000,000 (or in the case of the Purchaser, \$10,000) or more and either (i) all such judgments, orders or decrees shall not have been vacated, dismissed, discharged or otherwise satisfied, bonded or stayed within thirty (30) days from the entry thereof or (ii) with respect to any such judgments, orders or decrees for which enforcement has been stayed, there shall be any period of thirty (30) consecutive days during which a stay of enforcement of all such judgments, orders or decrees, by reason of a pending appeal or otherwise, shall not be in effect; or

(k) NiSource's Debt Rating shall be (i) withdrawn by either S&P or Moody's or (ii) below either (x) BB- by S&P or (y) Ba3 by Moody's;

then, and in any such event, the Purchaser may, by notice to the Seller, declare the Termination Date to have occurred (in which case the Termination Date shall be deemed to have occurred); provided that, automatically upon the occurrence of any event (without any requirement for the giving of notice) described in subsection (f) of this Section 7.01, the Termination Date shall occur, the Seller (if it is then serving as the Servicer) shall cease to be the Servicer, and the Administrative Agent or its designee shall become the Servicer. Upon any such declaration or designation or upon such automatic termination, the Purchaser shall have, in addition to the rights and remedies under this Agreement, all other rights and remedies with respect to the Receivables provided after default under the UCC and under other applicable law, which rights and remedies shall be cumulative.

#### ARTICLE VIII. INDEMNIFICATION

SECTION 8.01. Indemnities by the Seller. Without limiting any other rights that the Purchaser and its assigns (including without limitation, the Administrative Agent, the Managing Agents, each "Purchaser" under the Purchase Agreement, each Affected Person and their respective Affiliates, officers, directors, agents and employees) (each, an "Indemnified Party") may have hereunder or under applicable law, the Seller hereby agrees to indemnify each Indemnified Party from and against any and all claims, losses and liabilities (including reasonable attorneys' fees) (all of the foregoing being collectively referred to as "Indemnified Amounts") arising out of or resulting from this Agreement or any other Transaction Document or the acquisition by the Purchaser of any Receivable excluding, however, Indemnified Amounts to the extent the same includes losses in respect of Receivables that are uncollectible on account of the insolvency, bankruptcy or lack of creditworthiness of the related Obligor. Without limiting the generality of the foregoing indemnification, the Seller shall indemnify each Indemnified Party for all Indemnified Amounts resulting from any of the following:

(i) the failure of any Transferred Receivable included as an Eligible Receivable in the calculation of the Net Receivables Pool Balance on any Monthly Report, Daily Report or other report delivered by any Transaction Party to any Indemnified Party to satisfy the requirements of eligibility contained in the definition of "Eligible Receivable" as of the date of the information reported in such Monthly Report, Daily Report or other report;

(ii) any representation or warranty or statement made or deemed made by any Transaction Party (or any of their respective officers) under or in connection with this Agreement or any of the other Transaction Documents which shall have been incorrect in any respect when made;

(iii) the failure by any Transaction Party to comply with any applicable law, rule or regulation with respect to any Receivable or the related Contract; or the failure of any Receivable or the related Contract to conform to any such applicable law, rule or regulation;

(iv) the failure to vest in the Purchaser (a) absolute ownership of each Transferred Receivable and the Related Security and Collections in respect thereof, and (b) a first priority perfected security interest in all of the property described in Section 2.07, in each case free and clear of any Adverse Claim (other than any Adverse Claim arising solely as the result of any action taken by the Purchaser);

(v) the failure to have filed, or any delay in filing, financing statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other applicable laws with respect to any Receivables and the Related Security and Collections in respect thereof, whether at the time of any Purchase or contribution or at any subsequent time;

(vi) any dispute, claim or defense (other than discharge in bankruptcy) of an Obligor to the payment of any Receivable (including, without limitation, a defense based on such Receivable or the related Contract not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms), or any other claim resulting from the sale of the merchandise, goods or services related to such Receivable or the furnishing or failure to furnish such merchandise, goods or services or relating to collection activities with respect to such Receivable;

(vii) any failure of any Transaction Party to perform its duties or obligations in accordance with the provisions hereof and each other Transaction Document or to perform its duties or obligations under the Contracts or to timely and fully comply in all respects with the Seller's Credit and Collection Policy in regard to each Receivable and the related Contract;

(viii) any products liability, environmental or other claim arising out of or in connection with merchandise, goods or services which are the subject of any Contract issued by the Seller or any Contract related thereto;

(ix) the commingling of Collections of Transferred Receivables at any time with other funds;

(x) any investigation, litigation or proceeding (actual or threatened) related to this Agreement or any other Transaction Document or the use of proceeds of purchases or the ownership of Transferred Receivables or in respect of any Receivable or Related Security or Contract;

(xi) any failure of any Transaction Party to comply with its covenants contained in this Agreement or any other Transaction Document;

(xii) any setoff with respect to any Receivable;

(xiii) any claim brought by any Person other than an Indemnified Party arising from any activity by the Seller or any Affiliate of the Seller in servicing, administering or collecting any Receivable; or

(xiv) the failure by any Transaction Party to pay when due any taxes, including, without limitation, sales, excise or personal property taxes.

Notwithstanding anything to the contrary in this Agreement, solely for purposes of the Seller's indemnification obligations in this Article VIII, any representation, warranty or covenant qualified by the occurrence or non-occurrence of a Material Adverse Effect or similar concepts of materiality shall be deemed to be not so qualified.

#### ARTICLE IX. MISCELLANEOUS

SECTION 9.01. Amendments, Etc. No amendment or waiver of any provision of this Agreement or consent to any departure by the Seller therefrom shall be effective unless in a writing signed by the Purchaser and (so long as the Purchase Agreement is in effect) the Administrative Agent and the Required Managing Agents (and, in the case of any amendment, also signed by the Seller), and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Purchaser to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right.

SECTION 9.02. Notices, Etc. All notices and other communications hereunder shall, unless otherwise stated herein, be in writing (which shall include facsimile communication) and be faxed or delivered, to each party hereto, at its address set forth under its name on the signature pages hereof or at such other address as shall be designated by such party in a written notice to the other parties hereto. Notices and communications by facsimile shall be effective when sent (and shall be followed by hard copy sent by regular mail), and notices and communications sent by other means shall be effective when received.

SECTION 9.03. Binding Effect; Assignability; Survival of Termination. (a) This Agreement shall be binding upon and inure to the benefit of the Seller, the Purchaser and their respective successors and assigns (including any trustee in bankruptcy); provided, however,

that the Seller may not assign its rights or obligations hereunder or any interest herein without the prior written consent of the Purchaser. The Purchaser may assign all or any part of its rights and obligations hereunder without the consent of the Seller. In connection with any sale or assignment by the Purchaser of all or a portion of the Transferred Receivables, the buyer or assignee, as the case may be, shall, to the extent of its purchase or assignment, have all rights of the Purchaser under this Agreement (as if such buyer or assignee, as the case may be, were the Purchaser hereunder) subject to the terms of the agreement between the Purchaser and such buyer or assignee, as the case may be.

(b) This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms, and shall remain in full force and effect until such time, after the Termination Date, when all of the Transferred Receivables are either collected in full or become Defaulted Receivables; provided, however, that rights and remedies with respect to any breach of any representation and warranty made by the Seller pursuant to Article IV (including, without limitation, those representations and warranties set forth on Annex A) and the provisions of Article VIII and Sections 9.04, 9.05 and 9.06 shall be continuing and shall survive any termination of this Agreement.

SECTION 9.04. Costs, Expenses and Taxes. (a) In addition to the rights of indemnification granted to the Purchaser pursuant to Article VIII hereof, the Seller agrees to pay on demand all reasonable costs and expenses in connection with the preparation, execution and delivery of this Agreement and the other documents and agreements to be delivered hereunder, including, without limitation, the reasonable fees and out-of-pocket expenses of counsel for the Purchaser with respect thereto and with respect to advising the Purchaser as to its rights and remedies under this Agreement, and the Seller agrees to pay all costs and expenses, if any (including reasonable counsel fees and expenses), in connection with the enforcement of this Agreement and the other documents to be delivered hereunder.

(b) In addition, the Seller agrees to pay any and all stamp and other taxes and fees payable in connection with the execution, delivery, filing and recording of this Agreement or the other documents or agreements to be delivered hereunder, and the Seller agrees to save each Indemnified Party harmless from and against any liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees.

SECTION 9.05. No Proceedings. (a) The Seller hereby agrees that it will not institute against the Purchaser any proceeding of the type referred to in Section 7.01(f) so long as there shall not have elapsed one year plus one day since the later of (i) the Termination Date and (ii) the date on which all of the Transferred Receivables are either collected in full or are written off in accordance with the applicable Credit and Collection Policy.

(b) The Seller and the Purchaser each hereby agrees that it will not institute against any Conduit Purchaser (under and as defined in the Purchase Agreement) any proceeding of the type referred to in Section 7.01(f) so long as there shall not have elapsed one year plus one day since the payment in full of all outstanding senior Debt of such Conduit Purchaser.

SECTION 9.06. Confidentiality. Each party hereto agrees to maintain the confidentiality of this Agreement in communications with third parties and otherwise; provided

that this Agreement may be disclosed to (i) any Person party to the Purchase Agreement, (ii) such party's legal counsel and auditors and the Purchaser's assignees, if they agree in each case to hold it confidential and (iii) to the extent required by applicable law or regulation or by any court, regulatory body or agency having jurisdiction over such party.

**SECTION 9.07. GOVERNING LAW. THIS AGREEMENT SHALL, IN ACCORDANCE WITH SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO ANY CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD CALL FOR THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION, EXCEPT TO THE EXTENT THAT, PURSUANT TO THE UCC OF THE STATE OF NEW YORK, THE PERFECTION AND THE EFFECT OF PERFECTION OR NON-PERFECTION OF THE PURCHASER'S OWNERSHIP OF OR SECURITY INTEREST IN THE RECEIVABLES OR OTHER ASSETS ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.**

**SECTION 9.08. Third Party Beneficiary.** Each of the parties hereto hereby acknowledges that the Purchaser may assign all or any portion of its rights under this Agreement and that such assignees may (except as otherwise agreed to by such assignees) further assign their rights under this Agreement, and the Seller hereby consents to any such assignments. All such assignees, including parties to the Purchase Agreement in the case of assignment to such parties, shall be third party beneficiaries of, and shall be entitled to enforce the Purchaser's rights and remedies under, this Agreement to the same extent as if they were parties thereto, subject to the terms of their agreement with the Purchaser.

**SECTION 9.09. Subordination.** (a) The Seller agrees that any indebtedness, obligation or claim it may from time to time hold or otherwise have (including, without limitation, any obligation or claim in respect of the Deferred Purchase Price) against the Purchaser or any assets or properties of the Purchaser, whether arising hereunder or otherwise existing, shall be subordinate in right of payment to the prior payment in full of all Senior Obligations; provided, however, that so long as no "Event of Termination" (as defined in the Purchase Agreement) has occurred and is continuing, Seller may accept payments of any such obligations. In addition, the Seller acknowledges the subordination provisions set forth in the promissory note evidencing the Deferred Purchase Price (the "Deferred Purchase Price Note"), the form of which is attached hereto as Exhibit B, and agrees to be bound thereby. The subordination provisions contained herein and in such promissory note are for the direct benefit of, and may be enforced by, each of the Persons to whom Senior Obligations are owed.

(b) *Except as otherwise provided herein, the obligations and liabilities of the Seller under this Agreement and the other Transaction Documents (collectively, the "Seller Obligations") shall not be subject to deduction of any kind or type, except by payment in full of the amount thereof in accordance with the terms thereof. The Seller hereby waives any right it may now or at any time hereafter have to set-off against any Seller Obligation any obligation or liability from time to time owing by the Purchaser to the Seller except as expressly set forth herein.*

SECTION 9.10. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.

SECTION 9.11. Integration. This Agreement and the other Transaction Documents executed by the parties hereto on the date hereof contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 9.12. Consent to Jurisdiction. (a) Each party hereto hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or Federal court sitting in New York City in any action or proceeding arising out of or relating to this Agreement, and each party hereto hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. The parties hereto hereby irrevocably waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the Seller and the Purchaser consents to the service of any and all process in any such action or proceeding by the mailing of copies of such process to it at its address specified in Section 9.02. Nothing in this Section 9.12 shall affect the right of any other Transaction Party to serve legal process in any manner permitted by law.

SECTION 9.13. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

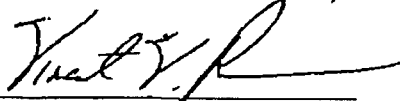

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

FORM OF DEFERRED PURCHASE PRICE NOTE

New York, New York  
March 15, 2010

FOR VALUE RECEIVED, COLUMBIA GAS OF PENNSYLVANIA RECEIVABLES CORPORATION, a Delaware corporation (the "Purchaser"), hereby promises to pay to Columbia Gas of Pennsylvania, Inc. (the "Seller") the principal amount of this Note, determined as described below, together with interest thereon at a rate per annum of 2.85% (or such other rate as Seller and Purchaser may from time to time agree to in writing), in each case in *lawful money of the United States of America*. Capitalized terms used herein but not defined herein shall have the meanings assigned to such terms in the Receivables Sale Agreement dated as of March 15, 2010 between the Seller and the Purchaser (such agreement, as it may from time to time be amended, restated or otherwise modified in accordance with its terms, the "Sale Agreement"). This Note is the note referred to in the definition of "Deferred Purchase Price" in the Sale Agreement.

The aggregate principal amount of this Note at any time shall be equal to the difference between (a) the sum of the aggregate principal amount of this Note on the date of the issuance hereof and each addition to the principal amount of this Note pursuant to the terms of Section 2.02 of the Sale Agreement minus (b) the aggregate amount of all payments made in respect of the principal amount of this Note, in each case, as recorded on the schedule annexed to and constituting a part of this Note, but failure to so record shall not affect the obligations of the Purchaser to the Seller.

The entire principal amount of this Note shall be due and payable one year and one day after the Termination Date or such later date as may be agreed in writing by the Seller and the Purchaser. The principal amount of this Note may, at the option of the Purchaser, be prepaid in whole at any time or in part from time to time. Interest on this Note shall be paid in arrears on each Settlement Date, at maturity and thereafter on demand. All payments hereunder shall be made by wire transfer of immediately available funds to such account of the Seller as the Seller may designate in writing.

Notwithstanding any other provisions contained in this Note, in no event shall the rate of interest payable by the Purchaser under this Note exceed the highest rate of interest permissible under applicable law.

The obligations of the Purchaser under this Deferred Purchase Price Note are subordinated in right of payment, to the prior payment in full of all Senior Obligations.

Notwithstanding any provision to the contrary in this Deferred Purchase Price Note or elsewhere, other than with respect to payments specifically permitted by Section 2.03(c) of the Sale Agreement, no demand for any payment may be made hereunder, no payment shall be due with respect hereto and the Seller shall have no claim for any payment hereunder prior to

the occurrence of the Termination Date and then only on the date, if ever, when all Senior Obligations shall have been paid in full.

In the event that, notwithstanding the foregoing provision limiting such payment, the Seller shall receive any payment or distribution on this Deferred Purchase Price Note which is not specifically permitted by Section 2.03(c) of the Sale Agreement, such payment shall be received and held in trust by the Seller for the benefit of the entities to whom the Senior Obligations are owed under the Purchase Agreement and shall be promptly paid over to such entities.

The Purchaser hereby waives diligence, presentment, demand, protest and notice of any kind whatsoever.

Neither this Note, nor any right of the Seller to receive payments hereunder, shall, without the prior written consent of the Purchaser and (so long as the Purchase Agreement remains in effect or any amounts remain outstanding thereunder) the Agent under the Purchase Agreement, be assigned, transferred, exchanged, pledged, hypothecated, participated or otherwise conveyed.

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

## ANNEX A

### Additional Representations and Warranties of the Seller

1. This Agreement creates a valid and continuing security interest (as defined in the applicable UCC) in the Receivables, the Related Security and Collections with respect thereto and the Blocked Accounts and Lock-Boxes in favor of the Purchaser (and its assigns), which security interest is prior to all other Adverse Claims other than Permitted Liens, and is enforceable as such against the creditors of and purchasers from the Seller.
2. The Receivables constitute "accounts" within the meaning of the applicable UCC.
3. The Seller owns and has good title to the Receivables, the Related Security and Collections with respect thereto and the Blocked Accounts and Lock-Boxes, free and clear of any Adverse Claim, claim or encumbrance of any Person other than Permitted Liens.
4. The Seller has caused or will have caused, within ten (10) days, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Receivables, the Related Security and Collections with respect thereto (except with respect to Choice Marketer Receivables which are not Eligible Receivables, solely with respect to filings perfecting the transfer of such Receivables from the related Choice Marketer to the Seller) and the Blocked Accounts and Lock-Boxes granted to the Purchaser (and its assigns), hereunder.
5. Other than the security interest granted to the Purchaser (and its assigns) pursuant to this Agreement, the Seller has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables, the Related Security and Collections with respect thereto or the Blocked Accounts and Lock-Boxes. The Seller has not authorized the filing of and is not aware of any financing statements against the Seller that include a description of collateral covering the Receivables, the Related Security and Collections with respect thereto or the Blocked Accounts and Lock-Boxes other than any financing statement relating to the security interest granted to the Purchaser (and its assigns) hereunder or that has been terminated. The Seller is not aware of any judgment or tax lien filings against the Seller.

## ARTICLE II AMOUNTS AND TERMS OF THE PURCHASES

**SECTION 2.01 Purchase Facility.** (a) On the terms and conditions hereinafter set forth, Seller shall sell and assign Receivable Interests to the Purchasers. In accordance with the terms and conditions set forth herein, each Conduit Purchaser may, in its sole discretion, and if and to the extent any Conduit Purchaser does not make a purchase, the Bank Purchasers in such Conduit's Purchaser Group shall, purchase their Purchaser Group's Pro Rata Share of such Receivable Interests from the Seller from time to time during the period from the date hereof to the Termination Date; provided, however, that notwithstanding any provision hereof to the contrary (i) under no circumstances shall any Conduit Purchaser make any purchase under this Agreement if, after giving effect to such purchase, the aggregate outstanding Capital of all Receivable Interests purchased by the Purchasers in its Purchaser Group would exceed its Purchaser Group's Pro Rata Share of the Program Limit; (ii) under no circumstances shall a Bank Purchaser be obligated to make any purchase under this Agreement if, after giving effect to such purchase, the aggregate outstanding Capital of the Receivable Interests purchased by it would exceed (x) the lesser of (1) its Percentage of its Purchaser Group's Pro Rata Share of the Capital thereof and (2) its unused Commitment less (y) the aggregate outstanding portion of Capital held by the Conduit Purchasers in its Purchaser Group (whether or not any portion thereof has been assigned to such Bank Purchaser pursuant to a Liquidity Asset Purchase Agreement) determined after giving effect to any reductions of the Capital held by such Conduit Purchasers to be made on the date of such purchase from the proceeds of purchases by the Bank Purchasers in its Purchaser Group; and (iii) no Purchaser shall make purchases under this Agreement at any time in an amount which would, after giving effect to all other purchases on such date, exceed the lesser of (x) Program Limit less the Aggregate Capital and (y) the Net Receivables Pool Balance (after giving effect to all other purchases of Receivables to occur on such date) less Total Reserves.

(b) If the Seller determines that the facility provided for in this Agreement exceeds its funding needs, the Seller may, upon at least sixty (60) days' notice to the Administrative Agent and each Managing Agent, terminate in whole or reduce in part the unused portion of the Program Limit; provided that each partial reduction of the Program Limit shall be in the amount of at least \$1,000,000 or an integral multiple thereof. Upon any reduction of the

Program Limit, the Group Purchase Limits shall be permanently reduced by a corresponding amount (ratably among the Purchaser Groups in accordance with their respective Pro Rata Shares) and the Commitments of each Bank Purchaser in each Purchaser Group shall be reduced ratably in accordance with their respective Percentages.

(c) Until the Termination Date, the Collections attributable to each Receivable Interest shall be automatically reinvested pursuant to (and subject to the priority of payments set forth in) Section 2.04 in additional undivided percentage interests in the Receivables by making an appropriate readjustment of such Receivable Interest.

SECTION 2.02 Making Purchases. (a) The Seller shall provide each Managing Agent with a Purchase Notice at least three (3) Business Days' prior to each purchase of a Receivable Interest by the Purchasers (and each Managing Agent shall promptly forward such Purchase Notice to the Purchasers in its Purchaser Group). Each Purchase Notice shall specify (i) the amount requested to be paid to the Seller (such amount, which shall not be less than \$3,000,000, being referred to herein as the initial "Capital" of the Receivable Interest then being purchased), (ii) the date of such purchase (which shall be a Business Day) and (iii) if the Assignee Rate is to apply to such Receivable Interest, whether the Yield for the Settlement Period for such Receivable Interest is calculated based on the Adjusted Eurodollar Rate or the Base Rate. Each Conduit Purchaser shall promptly notify the Seller, its Managing Agent and the Administrative Agent whether it has determined to make the requested purchase on the terms specified by the Seller.

If any Conduit Purchaser has determined not to make the entire amount of a proposed purchase, its Managing Agent shall promptly send notice of the proposed purchase to each of the Bank Purchasers in its Purchaser Group concurrently by telecopier, telex or cable specifying the date of such purchase, the aggregate amount of Capital of the Receivable Interest being purchased by such Bank Purchaser (which amount shall be, subject to clause (e) below, equal to such Bank Purchaser's Percentage of the portion of the purchase price not funded by the Conduit Purchasers in its Purchaser Group) and whether the Yield for the Settlement Period for such Receivable Interest is calculated based on the Adjusted Eurodollar Rate or the Base Rate.

(b) On the date of each purchase of a Receivable Interest, the Conduit Purchasers and/or the Bank Purchasers of each Purchaser Group shall, upon satisfaction of the applicable conditions set forth in Article III, make available to the Seller, in the Seller's Account in same day funds, an aggregate amount equal to such Purchaser Group's Pro Rata Share of the initial Capital of such Receivable Interest.

(c) Effective on the date of each purchase pursuant to this Section 2.02 and each reinvestment pursuant to Section 2.04, the Seller hereby sells and assigns to the Administrative Agent, for the benefit of the Purchaser(s) making such purchase or reinvestment, an undivided percentage ownership interest, to the extent of the Receivable Interest then being purchased or in respect of which the reinvestment is being made, in each Receivable then existing and in the Related Security and Collections with respect thereto.

(d) To the extent any Conduit Purchaser exercises its option to purchase Receivable Interests hereunder, such Conduit Purchaser will use its best efforts to issue

commercial paper to fund such purchase; provided, however, that nothing herein shall require any Conduit Purchaser to issue commercial paper when it is uneconomical or unavailable or limit the rights of any Conduit Purchaser to fund its purchase of the Receivable Interest pursuant to any Liquidity Asset Purchase Agreement.

SECTION 2.03 Receivable Interest Computation. Each Receivable Interest shall be initially computed on its date of purchase. Thereafter until the Termination Date, each such Receivable Interest shall be automatically recomputed (or deemed to be recomputed) on each day other than a Liquidation Day. During the Liquidation Period, each Receivable Interest shall be calculated as set forth in the last sentence of the definition of "Receivable Interest" and such Receivable Interest as so calculated shall remain constant. Each Receivable Interest shall be reduced to zero when Capital thereof and Yield thereon shall have been paid in full, and all Fees and other Seller Obligations are indefeasibly paid in full.

SECTION 2.04 Settlement Procedures. (a) Except as otherwise herein provided, Collection of the Receivables shall be administered by the Servicer in accordance with the terms of Article VI of this Agreement and this Section 2.04. The Seller shall provide to the Servicer on a timely basis all information needed for such administration, including notice of the occurrence of any Liquidation Day and current computations of each Receivable Interest.

(b) On each Deposit Date, the Servicer shall apply all Collections deposited in any Blocked Account or received by the Servicer on such Deposit Date in the following order and priority:

(i) set aside and hold in trust for the Administrative Agent and each Managing Agent an amount equal to the Seller Obligations owing to the Administrative Agent and the Managing Agents in respect of costs and expenses incurred in connection with the enforcement of any Transaction Document or the collection of any amounts due thereunder;

(ii) set aside and hold in trust for the Purchasers and the Administrative Agent an amount equal to the aggregate Yield, Fees and Servicer Fee (to the extent payable by the Purchasers under Section 2.05) accrued through such day for all Receivable Interests and not previously set aside, such amount to be allocated among the Purchasers and the Administrative Agent ratably in accordance with the proportion of such amounts payable to (or, in the case of the Servicer Fee, payable by) each such Person;

(iii) if the Aggregate Capital exceeds the Program Limit, set aside and hold in trust for the Purchasers an amount equal to the amount of such excess;

(iv) if the sum of the Receivable Interests are greater than the 100%, set aside and hold in trust for the Purchasers an amount equal to the amount of such excess;

(v) with respect to each Receivable Interest, if such day is not a Liquidation Day, reinvest with the Seller on behalf of the Purchasers the

percentage of such Collections represented by such Receivable Interest, by recomputation of such Receivable Interest pursuant to Section 2.03;

(vi) if such day is a Liquidation Day, set aside and hold in trust for the Purchasers an amount equal to the lesser of (A) all of the remaining Collections and (B) the Aggregate Capital of the Receivable Interests; provided that if amounts are set aside and held in trust on any Liquidation Day occurring prior to the Termination Date, and thereafter prior to the next Settlement Date the conditions set forth in Section 3.02 are satisfied or waived by the Managing Agents, such previously set aside amounts shall, to the extent not previously distributed pursuant to Section 2.04(c), be reinvested in accordance with the preceding subsection (v) on the day of such subsequent satisfaction or waiver of conditions;

(vii) if any Seller Obligations (other than Yield, Fees, Servicer Fees and Capital) are then due and payable by the Seller to any Indemnified Party, pay to each such Indemnified Party (ratably in accordance with the amounts owing to each) the Seller Obligations so due and payable until such Seller Obligations have been reduced to zero;

(viii) pay to the Servicer the portion (if any) of the accrued and unpaid Servicer Fee payable by the Seller pursuant to Section 2.05; and

(ix) release to the Seller any remaining Collections.

Collections applied to the payment of Seller Obligations shall be allocated in accordance with the aforementioned provisions, and, giving effect to each of the priorities set forth in Section 2.04(b) above, shall be allocable ratably (within each priority) among the Administrative Agent, the Managing Agents and the Purchasers in accordance with (x) the Pro Rata Share of each related Purchaser Group, as among the Managing Agents, (y) the Percentage of each Purchaser, as among the Purchasers, and (z) the amount of such Seller Obligations owing to each of them as a share of the aggregate Seller Obligations owing in respect of each such priority, as among all of them.

(c) On or before each Settlement Date, the Servicer shall pay to (x) each Managing Agent all Collections set aside for such Managing Agent and the Purchasers in such Managing Agent's Purchaser Group and (y) the Administrative Agent all Collections set aside for the Administrative Agent, in each case, pursuant to clauses (i), (ii), (iii), (iv) or (vi) of Section 2.04(b) (excluding, if such Settlement Date is not a Liquidation Day, any amounts set aside on account of accrued Servicer Fee, which amounts shall be retained by the Servicer for its own account in payment of such Servicer Fee). On or promptly after each Settlement Date, each Managing Agent shall distribute the funds received by it from the Servicer on such Settlement Date in the following order:

(i) first, pro rata to each of the Purchasers in such Managing Agent's Purchaser Group in payment of all accrued Yield and Fees then due and payable to each of them;

(ii) second, if the Aggregate Capital as of the related Settlement Date exceeds the Program Limit, to each of the Purchasers in such Managing Agent's Purchaser Group in payment of Capital until the sum of the Capital held by all Purchasers in such Managing Agent's Purchaser Group has been reduced to such Purchaser Group's Pro Rata Share of the Program Limit;

(iii) third, if such distribution occurs on a Liquidation Day, to each of the Purchasers in such Managing Agent's Purchaser Group in payment of Capital (x) until the sum of the Receivable Interests has been reduced to 100% (if such distribution occurs prior to the Termination Date), or (y) until the Capital of all Receivable Interests has been reduced to zero (if such distribution occurs on or after to the Termination Date);

(iv) fourth, pro rata to such Managing Agent and to each of the Purchasers in such Managing Agent's Purchaser Group in payment of all other Seller Obligations payable to such Purchasers and such Managing Agent until such Seller Obligations have been reduced to zero;

(v) fifth, if such distribution occurs on a Liquidation Day, to the Servicer in payment in full of the accrued and unpaid Servicer Fee payable by the Purchasers in such Managing Agent's Purchaser Group pursuant to Section 2.05.

After the Capital, Yield, Fees and Servicer Fee with respect to each Receivable Interest held by the Purchasers, and all other Seller Obligations held by or owing to the Purchasers, have been paid in full, all additional Collections with respect to each such Receivable Interest shall be paid to the Seller for its own account.

(d) For the purposes of this Section 2.04:

(i) if on any day any Pool Receivable (or portion thereof) becomes a Diluted Receivable, the Seller shall be deemed to have received on such day a Collection of such Pool Receivable in an amount equal to the Outstanding Balance of such Pool Receivable (or portion thereof);

(ii) if on any day any of the representations or warranties contained in Section 4.01(h) is no longer true with respect to any Receivable, the Seller shall be deemed to have received on such day a Collection of such Receivable in full;

(iii) except as otherwise required by applicable law or the relevant Contract, or as otherwise specified by such Obligor, any payment received from an Obligor of any Receivables shall be applied as a Collection of the Receivables of such Obligor in the order of the age of such Receivables, starting with the oldest such Receivable; and

(iv) if and to the extent the Administrative Agent, any Managing Agent or any Purchaser shall be required for any reason to pay over to an Obligor any amount received on its behalf hereunder, such amount shall be deemed not to have been so received but rather to have been retained by the Seller and,

accordingly, the Administrative Agent, such Managing Agent or such Purchaser, as the case may be, shall have a claim against the Seller for such amount, payable when and to the extent that any distribution from or on behalf of such Obligor is made in respect thereof.

(e) No later than three (3) Business Days after the end of each Settlement Period, each Managing Agent shall furnish to the Administrative Agent and the Seller with an invoice setting forth the amount of the accrued and unpaid Yield and Fees for such Settlement Period with respect to Receivable Interests held by the Conduit Purchasers in its Purchaser Group.

SECTION 2.05 Payment of Servicer Fee. The Servicer shall be entitled to receive a fee (the "Servicer Fee") equal to 0.25% per annum multiplied by the average daily aggregate Outstanding Balance of all Pool Receivables, payable in arrears on each Settlement Date out of Collections available for such purpose pursuant to Section 2.04. Upon three (3) Business Days' notice to the Administrative Agent and the Managing Agents, the Servicer (if not the Originator, the Seller or its designee or an Affiliate of the Seller) may, with the prior written consent of the Administrative Agent, elect to be paid, as such fee, another percentage per annum on the average daily Outstanding Balance of the Receivables. The portion of the Servicer Fee payable by each Purchaser shall be equal to the Servicer Fee Rate multiplied by the average daily Capital of each Receivable Interest owned by such Purchaser, payable on each Settlement Date for such Receivable Interest. *Notwithstanding anything herein to the contrary, the Servicer Fee shall be payable only from Collections pursuant to, and subject to the priority of payments set forth in, Section 2.04. To the extent such Collections are not sufficient to pay the Servicer Fee in full, none of the Seller, the Administrative Agent, the Managing Agents or the Purchasers shall have any liability for the deficiency.*

SECTION 2.06 Payments and Computations, Etc. (a) All amounts to be paid by the Seller or the Servicer to the Administrative Agent, any Managing Agent or any Purchaser hereunder shall be paid no later than 11:00 A.M. (New York City time) on the day when due in same day funds to the account designated by the Administrative Agent, such Managing Agent or the Managing Agent of such Purchaser's Purchaser Group, as applicable.

(b) Each of the Seller and the Servicer shall, to the extent permitted by law, pay interest on any amount not paid or deposited by it when due hereunder, at an interest rate per annum equal to 2.50% per annum above the Base Rate, payable on demand.

(c) All computations of interest under subsection (b) above and all computations of Yield, Fees, and other amounts hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first but excluding the last day) elapsed. *Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.*

SECTION 2.07 Dividing or Combining Receivable Interests. Either the Seller or (following an Event of Termination or an Involuntary Bankruptcy Event) the Administrative Agent (in consultation with the Managing Agents) may, upon notice to the other party received

at least three (3) Business Days prior to the last day of any Settlement Period in the case of the Seller giving notice, or up to the last day of such Settlement Period in the case of the Administrative Agent giving notice, either (i) divide any Receivable Interest into two or more Receivable Interests having aggregate Capital equal to the Capital of such divided Receivable Interest, or (ii) combine any two or more Receivable Interests originating on such last day or having Settlement Periods ending on such last day into a single Receivable Interest having Capital equal to the aggregate of the Capital of such Receivable Interests; provided, however, that no Receivable Interest owned by any Conduit Purchaser may be combined with a Receivable Interest owned by any Bank Purchaser.

SECTION 2.08 Increased Costs. (a) If (i) an Accounting Based Consolidation Event shall have occurred, or (ii) the Administrative Agent, any Conduit Purchaser, any Bank Purchaser, any Managing Agent or any other Person (including any Conduit Support Provider or other bank or other financial institution providing liquidity and/or credit support to any Conduit Purchaser in connection with such Conduit Purchaser's commercial paper program) which enters into a commitment to purchase Receivable Interests or interests therein (each, an "Affected Person") determines that compliance with any change in any law or regulation or any guideline or request or in the interpretation or administration thereof from any central bank or other governmental authority (whether or not having the force of law) otherwise affects or would affect the amount of the capital required or expected to be maintained by such Affected Person and such Affected Person determines that the amount of such capital is increased by or based upon the existence of any commitment to make purchases of or otherwise to maintain the investment in Receivables or interests therein related to this Agreement or to the funding thereof, then, upon demand by such Affected Person (with a copy to the Administrative Agent), the Seller shall pay to the related Managing Agent for the account of such Affected Person (as a third-party beneficiary, in the case of an Affected Person that is not a party to this Agreement), from time to time as specified by such Affected Person, additional amounts sufficient to compensate such Affected Person in the light of such circumstances, to the extent that such Affected Person reasonably determines such increase in capital to be allocable to the existence of any of such commitments.

(b) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Affected Person of agreeing to purchase or purchasing, or maintaining the ownership of Receivable Interests, then, upon demand by such Affected Person (with a copy to the Administrative Agent), the Seller shall pay to the related Managing Agent, for the account of such Affected Person, from time to time as specified by such Affected Person, additional amounts sufficient to compensate such Affected Person for such increased costs.

(c) A certificate of the Affected Person setting forth such amount or amounts (including computation of such amount or amounts) as shall be necessary to compensate the Affected Person as specified in paragraph (a) or (b) above, as the case may be, delivered to the Seller shall be conclusive and binding absent manifest error. Each Affected Person shall designate a different funding office for its purchases with respect to Receivable Interests hereunder if such designation will avoid the need for, or reduce the amount of, compensation

pursuant to this Section 2.08 and will not, in the sole opinion of such Affected Person, be disadvantageous to such Affected Person and will not result in any material expense.

(d) Failure on the part of any Affected Person to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital with respect to any period shall not constitute a waiver of such Affected Person's right to demand compensation with respect to any other period. The protection of this Section shall be available to each Affected Person regardless of any possible contention of the invalidity or inapplicability of the law, rule, regulation, guideline or other change or condition which shall have occurred or been imposed.

SECTION 2.09 Taxes. (a) Any and all payments and deposits required to be made hereunder or under any other Transaction Document by the Servicer or the Seller shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding net income taxes that are imposed by the United States and franchise taxes and net income taxes that are imposed on an Affected Person by the state or foreign jurisdiction under the laws of which such Affected Person is organized or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Seller or the Servicer shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to any Affected Person, (i) the Seller shall make an additional payment to such Affected Person, in an amount sufficient so that, after making all required deductions (including deductions applicable to additional sums payable under this Section 2.09), such Affected Person receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Seller or the Servicer, as the case may be, shall make such deductions and (iii) the Seller or the Servicer, as the case may be, shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Seller agrees to pay any present or future stamp or other documentary taxes or any other excise or property taxes, charges or similar levies which arise from any payment made hereunder or under any other Transaction Document or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Transaction Document (hereinafter referred to as "Other Taxes").

(c) The Seller will indemnify each Affected Person for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.09) paid by such Affected Person and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days from the date the Affected Person makes written demand therefor (and a copy of such demand shall be delivered to the Administrative Agent). A certificate as to the amount of such indemnification submitted to the Seller and the Administrative Agent by such Affected Person, setting forth, in reasonable detail, the basis for and the calculation thereof, shall be conclusive and binding for all purposes absent manifest error.

(d) Each Affected Person who is organized outside the United States shall, prior to the date hereof (or, in the case of any Person who becomes an Affected Person after the date hereof, prior to the date on which it so becomes an Affected Person), (x) deliver to the Seller and the Administrative Agent such certificates, documents or other evidence, as required by the IRC or Treasury regulations issued pursuant thereto, including Internal Revenue Service Form W-8BEN or Form W-8ECI and any other certificate or statement of exemption required by Treasury Regulation Section 1.1441-1(a) or Section 1.1441-6(c) or any subsequent version thereof, properly completed and duly executed by such Affected Person establishing that such payment is (i) not subject to withholding under the IRC because such payment is effectively connected with the conduct by such Affected Person of a trade or business in the United States or (ii) totally exempt from United States tax under a provision of an applicable tax treaty and (y) upon request of the Seller or the Administrative Agent, and to the extent it may do so under applicable law, furnish any other government forms which are necessary or required under an applicable tax treaty or otherwise by law to reduce or eliminate any withholding tax. Each such Affected Person that changes its funding office shall promptly notify the Seller and the Administrative Agent of such change and, upon written request from the Seller or the Administrative Agent, shall deliver any new certificates, documents or other evidence required pursuant to the preceding sentence prior to the immediately following due date of any payment by the Seller hereunder. Unless the Seller and the Administrative Agent have received forms or other documents satisfactory to them indicating that payments hereunder are not subject to United States withholding tax, notwithstanding paragraph (a), the Seller or the Administrative Agent shall withhold taxes from such payments at the applicable statutory rate in the case of payments to or for any Affected Person organized under the laws of a jurisdiction outside the United States.

(c) The Seller shall not be required to pay any amounts to any Affected Person in respect of Taxes and Other Taxes pursuant to paragraphs (a), (b) and (c) above if the obligation to pay such amounts would not have arisen but for a failure by such Affected Person to comply with the provisions of paragraph (d) above unless such Affected Person is unable to comply with paragraph (d) because of (i) a change in applicable law, regulation or official interpretation thereof or (ii) an amendment, modification or revocation of any applicable tax treaty or a change in official position regarding the application or interpretation thereof, in each case after the date hereof (or, in the case of any Person who became an Affected Person after the date hereof, after the date on which it so became an Affected Person).

**SECTION 2.10 Liquidity Asset Purchase Agreement Fundings.** The parties hereto acknowledge that any Conduit Purchaser may put all or any portion of its Receivable Interests to the Bank Purchasers in its Purchaser Group at any time pursuant such Conduit Purchaser's related Liquidity Asset Purchase Agreement to finance or refinance the necessary portion of its Receivable Interests through a funding under such Liquidity Asset Purchase Agreement to the extent available. The fundings under each Liquidity Asset Purchase Agreement will accrue interest at the Assignee Rate. Regardless of whether a funding of Receivable Interests by any such Bank Purchaser constitutes the direct purchase of a Receivable Interest hereunder, an assignment under the related Liquidity Asset Purchase Agreement of a Receivable Interest originally funded by a Conduit Purchaser or the sale of one or more participations under the related Liquidity Asset Purchase Agreement in a Receivable Interest originally funded by a Conduit Purchaser, each Bank Purchaser participating in a funding of a

Receivable Interest shall have the rights and obligations of a "Purchaser" hereunder with the same force and effect as if it had directly purchased such Receivable Interest from Seller hereunder.

SECTION 2.11 Security Interest. As security for the performance by the Seller of all the terms, covenants and agreements on the part of the Seller (whether as Seller or otherwise) to be performed under this Agreement or any other Transaction Document, including the punctual payment when due of all Seller Obligations, the Seller hereby assigns to the Administrative Agent for its benefit and the ratable benefit of the other Indemnified Parties, and hereby grants to the Administrative Agent for its benefit and the ratable benefit of the other Indemnified Parties, a security interest in, all of the Seller's right, title and interest in and to (A) the Sale Agreement, including, without limitation, (i) all rights of the Seller to receive moneys due or to become due under or pursuant to the Sale Agreement, (ii) all security interests and property subject thereto from time to time purporting to secure payment of monies due or to become due under or pursuant to the Sale Agreement, (iii) all rights of the Seller to receive proceeds of any insurance, indemnity, warranty or guaranty with respect to Sale Agreement, (iv) claims of the Seller for damages arising out of or for breach of or default under the Sale Agreement, and (v) the right of the Seller to compel performance and otherwise exercise all remedies thereunder, (B) all Receivables, whether now owned and existing or hereafter acquired or arising, all Related Security and Collections with respect thereto and all Lock-Boxes and all Blocked Accounts and funds on deposit therein, (C) all other assets of the Seller, whether now owned and existing or hereafter acquired or arising, including, without limitation, all accounts, chattel paper, goods, instruments, investment property, deposit accounts and general intangibles (as those terms are defined in the UCC as in effect on the date hereof in the State of New York), including undivided interests in any of the foregoing, now owned or hereafter acquired by the Seller and not otherwise purchased under this Agreement, and (D) to the extent not included in the foregoing, all proceeds of any and all of the foregoing.

SECTION 2.12 Replacement of Purchaser Groups. During any time that any Bank Purchaser is a Defaulting Purchaser, the Seller may, upon written notice to such Bank Purchaser, the related Managing Agent and the Administrative Agent, replace such Bank Purchaser and its Purchaser Group by causing such Bank Purchaser and all other Purchasers in such Purchaser Group to assign their respective Commitments, if any, and Receivable Interests (with the assignment fee to be paid by the Seller in such instance) pursuant to Section 11.01(b) to one or more other Purchasers or Eligible Assignees procured by the Seller upon payment in full all Capital, Yield, Fees and other amounts owing to such Purchasers and the Managing Agent in such Purchaser Group through the date of replacement, and the Company shall release all such Purchasers and the Managing Agent of such Purchaser Group from their respective obligations under, and each such Purchaser and the related Managing Agent shall cease to be party to, this Agreement and the other Transaction Documents, if any. Any Purchaser being so replaced shall execute and deliver an Assignment and Assumption with respect to its Commitment, if any, and Receivable Interests.

Each of the Transaction Documents has been duly executed and delivered by the Seller.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by the Seller of the Transaction Documents to which it is a party or any other document to be delivered thereunder other than those that have been obtained or made and except for the filing of UCC financing statements which are referred to therein.

(d) Each of the Transaction Documents to which the Seller is a party constitutes the legal, valid and binding obligation of the Seller enforceable against the Seller in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(e) The opening pro forma balance sheet of the Seller as of March 15, 2010, giving effect to the initial purchase to be made under this Agreement, a copy of which has been furnished to the Administrative Agent and the Managing Agents, fairly presents the financial condition of the Seller as of such date, in accordance with generally accepted accounting principles, and since its formation there has been no (i) material adverse change in the business,

No effective financing statement or other instrument similar in effect is filed in any recording office listing the Seller as debtor, covering any Receivable, Related Security or Collections except such as may be filed in favor of the Administrative Agent in accordance with this Agreement. (l) Each purchase of a Receivable Interest and each reinvestment of Collections in Receivables will constitute (i) a "current transaction" within the meaning of Section 3(a)(3) of the Securities Act of 1933, as amended, and (ii) a purchase or other acquisition of notes, drafts, acceptances, open accounts receivable or other obligations representing part or all of the sales price of merchandise or services within the meaning of Section 3(c)(5) of the Investment Company Act of 1940, as amended.

(m) In the past five (5) years, the Seller has not used any corporate name, trade name or doing-business-as name other than the name in which it has executed this Agreement. The Seller's organizational identification number is 4752028.

(p) With respect to each Receivable, the Seller (i) shall have received such Receivable as a contribution to the capital of the Seller by Originator or (ii) shall have purchased such Receivable from Originator in exchange for payment (made by the Seller to Originator in accordance with the provisions of the Sale Agreement) of cash, Purchase Price Credits (as defined in the Sale Agreement), Deferred Purchase Price, or a combination thereof in an amount which constitutes fair consideration and reasonably equivalent value. Each such sale referred to in clause (ii) of the preceding sentence shall not have been made for or on account of an antecedent debt owed by Originator to the Seller and no such sale or capital contribution is or may be voidable or subject to avoidance under any section of the United States Bankruptcy Code.

(t) Each of the representations and warranties set forth on Annex F are true and correct.

(u) The Seller is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

(v) Each of the facts and assumptions with respect to the Seller, and its conduct set forth in the opinion letter issued by Schiff Hardin LLP, in connection with the closing under this Agreement and relating to issues of "true sale" and "substantive nonconsolidation", and in the certificates accompanying such opinion letter, are true and correct.

Each Receivable, together with the Contract related thereto, does not contravene any laws, rules or regulations applicable thereto (including, without limitation, laws, rules and regulations relating to truth in lending, fair credit billing, fair credit reporting, equal credit opportunity, fair debt collection practices and privacy), and no part of such Contract is in violation of any such law, rule or regulation, except where such contravention or violation could not reasonably be expected to have a Material Adverse Effect.

(x) The Seller has complied in all material respects with the Credit and Collection Policy with regard to each Receivable and the related Contract, and has not made any change to such Credit and Collection Policy, except for any such change in the Credit and Collection Policy permitted under Section 5.01(f).

require the creation of any Adverse Claim upon or with respect to any of its properties. This Agreement has been duly executed and delivered by the Servicer.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by the Servicer of this Agreement or any other document to be delivered by it hereunder (other than those that have been obtained or made).

(d) This Agreement constitutes the legal, valid and binding obligation of the Servicer enforceable against the Servicer in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(e) The balance sheets of the Servicer and its Subsidiaries as of December 31, 2008, and the related statements of income and retained earnings of the Servicer and its Subsidiaries as of and for the fiscal year then ended, copies of which have been furnished to the Administrative Agent and the Managing Agents, fairly present the financial condition of the Servicer and its Subsidiaries as at such date and the results of the operations of the Servicer and its Subsidiaries for the fiscal year ended on such date, all in accordance with generally accepted accounting principles consistently applied. Since December 31, 2008, there has been no material adverse change in the business, operations, property or financial condition of the Servicer.

(f) There is no pending or (to the best knowledge of the Servicer) threatened action or proceeding affecting the Servicer or any of its Subsidiaries before any court, governmental agency or arbitrator which (if adversely determined) would constitute an Event of Termination or otherwise have a Material Adverse Effect, except as disclosed in the Servicer's financial statements referred to in Section 4.02(e).

(g) On the date of each purchase and reinvestment hereunder (and after giving effect thereto) the sum of the Receivable Interests does not exceed 100% except to the extent that Collections set aside and held for the benefit of the Purchasers pursuant to Section 2.04(b)(iii) would cause the sum of the Receivable Interests to be less than or equal to 100% if such funds were applied to the reduction of Capital.

(h) Servicer is able, on any date on which it is required to make such an identification under the terms of this Agreement, to produce a report identifying which amounts paid into the Blocked Accounts constitute Collections and which amounts constitute other amounts.

(i) Servicer has complied in all respects with all applicable laws, rules, regulations, orders, writs, judgments, injunctions, decrees or awards to which it may be subject. Each Receivable, together with the Contract related thereto, does not contravene any laws, rules or regulations applicable thereto (including, without limitation, laws, rules and regulations relating to truth in lending, fair credit billing, fair credit reporting, equal credit opportunity, fair debt collection practices and privacy), and no part of such Contract is in violation of any such

law, rule or regulation, except where such contravention or violation could not reasonably be expected to have a Material Adverse Effect.

(j) Servicer has complied in all material respects with the Credit and Collection Policy with regard to each Receivable and the related Contract, and has not made any change to such Credit and Collection Policy, except for any such change in the Credit and Collection Policy permitted under Section 5.01(f).

(b) Offices, Records and Books of Account. The Seller will keep its principal place of business and the office where it keeps its records concerning the Receivables at (i) the address of the Seller set forth under its name on the signature pages to this Agreement, or (ii) upon thirty (30) days' prior written notice to the Administrative Agent and the Managing Agents, at any other locations in jurisdictions where all actions reasonably requested by the Administrative Agent to protect and perfect the interest in the Receivables have been taken and completed. (f) Change in Business or Credit and Collection Policy. The Seller will not make any change in the character of its business or in the Credit and Collection Policy, except for any such change in the Credit and Collection Policy that would not impair the collectibility of any Receivable.

(g) Addition or Termination of Blocked Accounts and Lock-Boxes; Change in Payment Instructions to Obligors. The Seller will not add or terminate any bank as a Blocked Account Bank from those listed in Schedule II to this Agreement, or make any change in its instructions to Obligors regarding payments to be made in respect of the Receivables, unless the Administrative Agent and the Managing Agents shall have received notice of such addition, termination or change (including an updated Schedule II) and with respect to each new Lock-Box or Blocked Account, a fully executed Blocked Account Agreement.

(xii) The Seller shall not engage in any transaction with any of the Other Companies, except as permitted by this Agreement and as contemplated by the Sale Agreement.

(xiii) The Seller shall prepare its financial statements separately from those of any of the Other Companies and shall ensure that any consolidated financial statements of any Other Company that are filed with the Securities and Exchange Commission or any other governmental agency or are furnished to any creditors of any Other Company do not treat any of the Pool Receivables as an asset of the Originator, except to the extent required by generally accepted accounting principles.

(xiv) The Seller shall take such other actions as are necessary on its part to ensure that the facts and assumptions set forth in the opinion issued by Schiff Hardin LLP in connection with the closing of this Agreement and relating to substantive consolidation issues, and in the certificates accompanying such opinion, remain true and correct in all material respects at all times.

(l) Transaction Documents. The Seller will not terminate, amend, waive or modify, or consent to any termination, amendment, waiver or modification of, any provision of any Transaction Document or grant any other consent or other indulgence under any Transaction Document, in each case without the prior written consent of the Administrative Agent and the Required Managing Agents. The Seller will perform all of its obligations under the Sale Agreement and will enforce the Sale Agreement in accordance with its terms. The Seller will take all actions to perfect and enforce its rights and interests (and the rights and interests of the Administrative Agent, the Managing Agents and the Purchasers as assignees of Seller) under the Sale Agreement as the Administrative Agent may from time to time reasonably request, including, without limitation, making claims to which it may be entitled under any indemnity, reimbursement or similar provision contained in the Sale Agreement.

(m) Nature of Business. The Seller will not engage in any business other than the purchase of Receivables, Related Security and Collections from the Originator and the transactions contemplated by this Agreement and the Sale Agreement. The Seller will not create or form any Subsidiary.

(n) Mergers, Etc. The Seller will not merge with or into or consolidate with or into, or convey, transfer, lease or otherwise dispose of (whether in one transaction or in a series of transactions), all or substantially all of its assets (whether now owned or hereafter acquired) to, or acquire all or substantially all of the assets or capital stock or other ownership interest of, or enter into any joint venture or partnership agreement with, any Person, other than as contemplated by this Agreement and the Sale Agreement.

(o) Distributions, Etc. The Seller will not declare or make any dividend payment or other distribution of assets, properties, cash, rights, obligations or securities on account of any equity interests of the Seller, or return any capital to its equity holders as such, or purchase, retire, defease, redeem or otherwise acquire for value or make any payment in respect of any equity of the Seller or any warrants, rights or options to acquire any equity of the Seller, now or hereafter outstanding; provided, however, that the Seller may declare and pay cash dividends out of Collections available for such purpose pursuant to the Transaction Documents so long as (i) no Event of Termination shall then exist or would occur as a result thereof, (ii) such dividends are in compliance with all applicable law, and (iii) such dividends have been approved by all necessary and appropriate corporate action of the Seller and its board of directors.

(p) Debt. The Seller shall not create, incur, guarantee, assume or suffer to exist any indebtedness or other liabilities, whether direct or contingent, other than (i) as a result of the endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business, (ii) the incurrence of obligations under this Agreement, (iii) the incurrence of other obligations pursuant to, and, as expressly contemplated in, the Sale Agreement, and (iv) the incurrence of operating expenses in the ordinary course of business.

(q) Certificate of Incorporation and By-Laws. The Seller will not amend, modify or delete (or permit any amendment, modification or deletion of) (i) the definition of "Independent Director" in its certificate of incorporation as in effect on the date hereof or (ii) any other provision of its certificate of incorporation or by-laws as in effect on the date hereof if, pursuant to the terms thereof, such amendment, modification or deletion requires the consent of the Independent Director thereunder.

(r) Tangible Net Worth. The Seller will maintain Tangible Net Worth at all times equal to at least five percent (5.0%) of the Outstanding Balance of all Non-Defaulted Receivables at such time.

(s) Taxes. The Seller will file all tax returns and reports required by law to be filed by it and will promptly pay all taxes and governmental charges at any time owing, except such as are being contested in good faith by appropriate proceedings and for which appropriate reserves have been established. The Seller will pay when due any taxes payable in connection with the Receivables, exclusive of taxes on or measured by income or gross receipts of the Administrative Agent, the Managing Agents, the Conduit Purchasers or the Bank Purchasers.

(t) Treatment as Sales. The Seller shall not account for or treat (whether in financial statements or otherwise) the transactions contemplated by the Sale Agreement in any manner other than as the sale and/or absolute conveyance of Receivables by the Originator to the Seller.

(u) Investments. The Seller shall not make any loans to, advances to, investments in or otherwise acquire any capital stock or equity security of, or any equity interest in, any other Person.

SECTION 5.02 Agreed Upon Procedures. Until the later of (i) the Termination Date and (ii) the date on which no Capital of or Yield on any Receivable Interest shall be outstanding and all Fees and other Seller Obligations have been paid in full, each of the Seller and the Servicer shall from time to time, upon the request of the Administrative Agent and at the expense of the Seller or the Servicer, as applicable (A) cause independent public accountants or others satisfactory to the Administrative Agent and the Required Managing Agents to furnish to the Administrative Agent and the Managing Agents reports showing reconciliations, aging and test verifications of, and trial balances for, the Receivables and/or a written report of agreed upon procedures conducted by such accountants or others with respect to the Pool Receivables, Credit and Collection Policy, Blocked Account activity and the Seller's performance of its obligations under this Agreement and the Receivables Sale Agreement on a scope and in a form reasonably requested by the Administrative Agent for such agreed upon procedures, (B) during regular business hours permit the Administrative Agent and each Managing Agents or their respective agents or representatives (x) to conduct periodic agreed upon procedures with respect to the Receivables, the Related Security and the related books and records and collections systems of the Seller or the Servicer, as the case may be, (y) to examine and make copies of and abstracts from all books, records and documents (including, without limitation, computer tapes and disks) in the possession or under the control of the Seller or the Servicer, as the case may be, relating to Receivables and the Related Security, including, without limitation, the Contracts, and (z) to visit the offices and properties of the Seller or the Servicer, as the case may be, for the purpose of

examining such materials described in clause (y) above, and to discuss matters relating to Pool Receivables and the Related Security or the Seller's or the Servicer's performance under the Transaction Documents or under the Contracts with any of the officers or employees of the Seller or the Servicer, as the case may be, having knowledge of such matters. Notwithstanding the foregoing, so long as no Event of Termination has occurred and is continuing, (i) the Administrative Agent will not cause more than one (1) agreed upon procedures review pursuant to clause (A) above to be conducted in any calendar year, and (ii) the Administrative Agent and each Managing Agent will give the Seller three (3) Business Days' prior notice of any examination conducted pursuant to clause (B) above.

## ARTICLE VI

### ADMINISTRATION AND COLLECTION OF RECEIVABLES

SECTION 6.01 Designation of Servicer. The servicing, administration and collection of the Receivables shall be conducted by the Servicer so designated hereunder from time to time. Until the Administrative Agent gives notice to the Seller of the designation of a new Servicer, Columbia Gas of Pennsylvania is hereby designated as, and hereby agrees to perform the duties and obligations of, the Servicer pursuant to the terms hereof. Columbia Gas of Pennsylvania may not resign from the obligations and liabilities hereby imposed on it. The Administrative Agent at any time with the prior written consent of the Required Managing Agents, may designate as Servicer any Person (including itself) to succeed Columbia Gas of Pennsylvania or any successor Servicer, on such terms and conditions as the Administrative Agent and such successor Servicer shall agree, provided, that such successor Servicer shall administer the Receivables in accordance with the applicable rules and regulations of the Pennsylvania Public Utility Commission. The Servicer may, with the prior consent of the Administrative Agent and the Required Managing Agents, subcontract with any other Person for the servicing, administration or collection of the Receivables. Any such subcontract shall not affect the Servicer's liability for performance of its duties and obligations pursuant to the terms hereof.

SECTION 6.02 Duties of Servicer. (a) The Servicer shall take or cause to be taken all such actions as may be necessary or advisable to collect each Receivable from time to time, all in accordance in all material respects with applicable laws, rules and regulations (including the applicable rules and regulations of the Pennsylvania Public Utility Commission), with reasonable care and diligence, and in accordance with the Credit and Collection Policy. The Seller, each Managing Agent, each Purchaser and the Administrative Agent hereby appoint the Servicer, from time to time designated pursuant to Section 6.01, as their agent to enforce their respective rights and interests in the Receivables, the Related Security and the related Contracts. In performing its duties as Servicer, the Servicer shall exercise the same care and apply the same policies as it would exercise and apply if it owned such Receivables and shall act in such manner as it reasonably deems to be in the best interests of the Purchasers, the Managing Agents and the Administrative Agent. Following the occurrence and during the continuation of a Servicer Default the Administrative Agent (in consultation with the Managing Agents) shall have the sole right to direct the Servicer to commence or settle any legal action to enforce collection of any Receivable or any Related Security with respect thereto.

(b) The Servicer shall administer the Collections in accordance with Section 2.04. If so instructed in writing by the Administrative Agent following the occurrence of an Event of Termination, the Servicer shall transfer to the Administrative Agent (by wire transfer of funds to the account specified by the Administrative Agent) all Collections set aside or required to be set aside for the Administrative Agent or any Purchaser pursuant to Section 2.04 by the Business Day following the Servicer's receipt of such Collections.

(c) If no Servicer Default shall have occurred and be continuing, Columbia Gas of Pennsylvania, while it is the Servicer, may, in accordance with the Credit and Collection Policy, extend the maturity or adjust the Outstanding Balance of any Receivable as the Servicer deems appropriate to maximize Collections thereof, provided that the classification of any such Receivable as a Defaulted Receivable shall not be affected by any such extension. Following the occurrence and during the continuation of a Servicer Default, the Servicer may grant such extensions or adjustments only with the prior written consent of the Administrative Agent and the Required Managing Agents. In no event shall the Servicer be entitled to make any Purchaser, any Managing Agent or the Administrative Agent a party to any litigation involving the Transaction Documents or the Receivables without such Purchaser's, such Managing Agent's or the Administrative Agent's prior written consent.

(d) The Servicer shall hold in trust for the Seller, the Administrative Agent, each Managing Agent and each Purchaser, in accordance with their respective interests, all documents, instruments and records (including, without limitation, computer tapes or disks) which evidence or relate to Receivables. The Servicer shall mark the Seller's and the Originator's master data processing records evidencing the Receivables with a legend, reasonably acceptable to the Administrative Agent, evidencing that Receivable Interests therein have been sold. At the request of the Administrative Agent following a Servicer Default, the Servicer shall mark each invoice which evidence or relate to Receivables with a legend, reasonably acceptable to the Administrative Agent, evidencing that Receivable Interests therein have been sold and shall deliver to the Administrative Agent a copy (which may be in electronic form) of each invoice evidencing each Receivable.

(e) The Servicer shall, as soon as practicable following receipt and identification thereof, and in any event within two (2) Business Days, turn over to the Seller or such other Person as may be entitled thereto any cash collections or other cash proceeds received, in any Blocked Account and not constituting Collections of Receivables, including, without limitation, any proceeds of accounts receivable generated under any Percent of Income Plan, Retail Services Payments, or prepayments made under any Balanced Payment Plan.

(f) The Servicer shall, from time to time at the request of the Administrative Agent following the occurrence and during the continuation of any Event of Termination, furnish to the Administrative Agent and the Managing Agents (promptly after any such request) a calculation of the amounts set aside for the Purchasers, the Managing Agents and the Administrative Agent pursuant to Section 2.04.

(g) On or prior to the second (2<sup>nd</sup>) Business Day prior to each Settlement Date and at such other times and covering such other periods (but no more frequently than weekly) as the Administrative Agent may request, the Servicer shall prepare and forward to the

Administrative Agent and the Managing Agents a Monthly Report relating to the Receivables as of the close of business on the last day of the immediately preceding calendar month or such other period, as the case may be; provided that at any time when NiSource's Debt Ratings are (a) BB+ by S&P and Ba1 by Moody's, or (b) either (x) unrated or less than or equal to BB by S&P or (y) unrated or less than or equal to Ba2 by Moody's, the Servicer shall provide the Monthly Report relating to the Receivables to the Administrative Agent and the Managing Agents on a weekly basis.

(h) From and after the occurrence of an Event of Termination or at any time when NiSource's Debt Ratings are either withdrawn by either S&P or Moody's or below either (x) BB by S&P or (y) Ba2 by Moody's, the Servicer shall, from time to time at the request of the Administrative Agent or any Managing Agent, prepare and forward to the Administrative Agent and the Managing Agents a Daily Report on each Business Day relating to the Receivables as of the close of business of the immediately preceding Business Day.

**SECTION 6.03 Certain Rights of the Administrative Agent.** (a) The Administrative Agent is hereby authorized at any time to instruct the Obligor of Pool Receivables, or any of them, to make payment of all amounts payable under any Pool Receivable to any account designated by the Administrative Agent and the Seller or the Servicer shall, at the Administrative Agent's request, send notices to the Obligor of Pool Receivables, or any of them, instructing them to make payment in the manner requested by the Administrative Agent. At any time during the Liquidation Period or after a Lock-Box Event, the Administrative Agent may have each Blocked Account and Lock-Box transferred into the name of the Administrative Agent and/or assume exclusive control of the Blocked Accounts and Lock-Boxes, and may take such actions to effect such transfer or assumption as it may determine to be necessary or appropriate (including, without limitation, delivering the notices attached to the Blocked Account Agreements).

(b) At any time following the designation of a Servicer other than Columbia Gas of Pennsylvania:

(i) At the Administrative Agent's request and at the Seller's expense, the Servicer shall (and if the Servicer shall fail to do so, the Administrative Agent may) notify each Obligor of Receivables of the ownership of Receivable Interests under this Agreement and direct that payments be made directly to the Administrative Agent or its designee.

(ii) At the Administrative Agent's request and at the Seller's or the Servicer's expense, the Seller and the Servicer shall (A) assemble all of the documents, instruments and other records (including, without limitation, computer tapes and disks) that evidence or relate to the Receivables and the related Contracts and Related Security, or that are otherwise necessary or desirable to collect the Receivables, and shall make the same available to the Administrative Agent at a place selected by the Administrative Agent or its designee, and (B) segregate all cash, checks and other instruments received by it from time to time constituting Collections of Receivables in a manner acceptable to the Administrative Agent and, promptly upon receipt, remit all such cash,

checks and instruments, duly indorsed or with duly executed instruments of transfer, to the Administrative Agent or its designee.

(c) Each of the Seller and the Servicer authorizes the Administrative Agent, and hereby irrevocably appoints the Administrative Agent as its attorney-in-fact coupled with an interest, with full power of substitution and with full authority in place of the Seller or the Servicer, following the occurrence and during the continuation of a Servicer Default, to take any and all steps in the Seller's or the Servicer's name and on behalf of the Seller or the Servicer that are necessary or desirable, in the determination of the Administrative Agent, to collect amounts due under the Receivables, including, without limitation, endorsing the Seller's, the Servicer's or the Originator's name on checks and other instruments representing Collections of Receivables and enforcing the Receivables and the Related Security and related Contracts.

(d) If replaced as Servicer, Columbia Gas of Pennsylvania agrees that it will (i) terminate, and (to the extent requested by the Administrative Agent) will cause each existing sub-servicer to terminate, its collection activities in a manner and to the extent requested by the Administrative Agent to facilitate the transition to a new Servicer and (ii) transfer to the Administrative Agent (or its designee), or (to the extent permitted by applicable law and contract) license to the Administrative Agent (or its designee) the use of, all software used in connection with the collection of the Receivables. (To the extent any such transfer or license would require the payment of any license fee or other amount the Servicer agrees to pay such fee or other amount out of its own funds promptly upon demand by the Administrative Agent.) The Servicer shall cooperate with and assist any successor Servicer in the performance of its responsibilities as Servicer (including, without limitation, providing access to, and transferring, to such successor Servicer all records related to the Receivables and allowing (to the extent permitted by applicable law and contract) the successor Servicer to use all licenses, hardware or software necessary or desirable to collect or obtain or store information regarding the Receivables).

(e) Following the occurrence of an Event of Termination, the Servicer shall, upon the request of the Administrative Agent acting (and if the Servicer fails to do so the Administrative Agent may itself) deliver a notice to all applicable Obligor, in form and substance satisfactory to the Administrative Agent, stating that (i) the Receivables have been sold to the Seller and ownership interests in the Receivables have been sold to the Purchasers hereunder and (ii) effective immediately all payments on the Receivables must be made without any setoff. Such notice shall be delivered by the Servicer as soon as practicable and in any event within three (3) Business Days after such written request by the Administrative Agent. From and after the date the Administrative Agent requests the Servicer to deliver such notice, (i) the Servicer shall require all payments by Obligor to be made without any setoff, and shall make available to the Administrative Agent such information as may be required to determine whether such payments are being so made and (ii) Columbia Gas of Pennsylvania and the Seller shall, and shall cause each other Transaction Party to, pay, or cause to be paid, when due all amounts (including, without limitation, in respect of credit card charges) owing by any Transaction Party to any Obligor without any set off of such amounts against Receivables due from such Obligor.

SECTION 6.04 Rights and Remedies. (a) If the Servicer or the Seller fails to perform any of its obligations under this Agreement, the Administrative Agent may (but shall not

be required to) itself perform, or cause performance of, such obligation; and the Administrative Agent's costs and expenses reasonably incurred in connection therewith shall be payable by the Servicer or the Seller, as applicable.

(b) The Seller and the Servicer shall perform their respective obligations under the Contracts related to the Receivables to the same extent as if Receivable Interests had not been sold and the exercise by the Administrative Agent on behalf of the Purchasers of their rights under this Agreement shall not release the Servicer or the Seller from any of their duties or obligations with respect to any Receivables or related Contracts. None of the Administrative Agent, any Managing Agent, any Conduit Purchaser or any Bank Purchaser shall have any obligation or liability with respect to any Receivables or related Contracts, nor shall any of them be obligated to perform the obligations of the Seller thereunder.

(c) In the event of any conflict between the provisions of Article VI of this Agreement and Article VI of the Sale Agreement, the provisions of this Agreement shall control.

(d) The Administrative Agent's rights and powers under this Article VI shall not subject the Administrative Agent to any liability if any action taken by it proves to be inadequate or invalid, nor shall such powers confer any obligation whatsoever upon the Administrative Agent.

#### SECTION 6.05 Covenants of the Servicer.

(a) Change in Credit and Collection Policy. The Servicer will not make any change in the Credit and Collection Policy except for any such change that would not (i) impair the collectibility of any Receivables or the ability of the Servicer to perform its obligations under this Agreement or (ii) otherwise be reasonably likely to have a Material Adverse Effect. In the event that the Servicer makes any material change to the Credit and Collection Policy, it shall, promptly following such change, provide the Administrative Agent and each Managing Agent with an updated Credit and Collection Policy and a summary of all material changes.

(b) Other Covenants. The Servicer shall perform and comply with all covenants required to be performed or observed by it pursuant to this Agreement and each other Transaction Document.

(c) Perfection and Priority of Security Interests. The Servicer shall, from time to time, at its expense, promptly deliver all instruments and documents and take all actions that may be necessary or desirable, or that the Administrative Agent or any Managing Agent may reasonably request, to perfect, protect or more fully evidence the Receivable Interests purchased under this Agreement and/or the first priority security interest granted pursuant to this Agreement. Without limiting the foregoing, the Servicer will, upon the request of the Administrative Agent or any Managing Agent, file such financing or continuation statements, or amendments thereto, and such other instruments and documents, that may be necessary or desirable, or that the Administrative Agent or any Managing Agent may reasonably request, to perfect, protect, evidence or maintain the priority of such Receivable Interests or security interest.

SECTION 6.06 Indemnities by the Servicer. Without limiting any other rights that the Administrative Agent, each Managing Agent, each Conduit Purchaser, each Bank Purchaser, each Affected Person or any of their respective Affiliates, officers, directors, agents and employees (each, a "Special Indemnified Party") may have hereunder or under applicable law, and in consideration of its appointment as Servicer, Columbia Gas of Pennsylvania hereby agrees to indemnify each Special Indemnified Party from and against any and all claims, losses and liabilities (including reasonable attorneys' fees) (all of the foregoing being collectively referred to as "Special Indemnified Amounts") arising out of or resulting from any of the following (excluding, however, (a) Special Indemnified Amounts resulting from gross negligence or willful misconduct on the part of such Special Indemnified Party, (b) recourse for uncollectible Receivables or delayed payment thereon due to creditworthiness of the Obligors and (c) any income taxes or any other tax or fee measured by income incurred by such Special Indemnified Party arising out of or as a result of this Agreement or the ownership of Receivable Interests or in respect of any Receivable or any Contract):

(i) any representation or warranty or statement made or deemed made by the Servicer under or in connection with this Agreement, the *Sale Agreement* or any Monthly Report, Daily Report or other report delivered to any Special Indemnified Party which shall have been incorrect in any respect when made or deemed made;

(ii) the failure by the Servicer to comply with any applicable law, rule or regulation with respect to any Receivable or Contract;

(iii) the failure to have filed, or any delay in filing, financing statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other applicable laws with respect to any Receivables, the Contracts and the Related Security and Collections in respect thereof, whether at the time of any purchase or reinvestment or at any subsequent time;

(iv) any failure of the Servicer to perform its duties or obligations in accordance with the provisions of this Agreement or any other Transaction Document;

(v) the commingling of Collections of Receivables at any time by the Servicer with other funds;

(vi) any action by the Servicer (other than an action required by the *Transaction Documents*) reducing or impairing the rights of the Administrative Agent, any Managing Agent, any Conduit Purchaser or any Bank Purchaser with respect to any Receivable or the value of any Receivable;

(vii) if Columbia Gas of Pennsylvania has been terminated by the Administrative Agent as the Servicer prior to the occurrence of a Servicer Default, any Servicer Fees or other costs and expenses payable to any replacement Servicer, to the extent in excess of the Servicer Fees payable to Columbia Gas of Pennsylvania in its capacity as Servicer hereunder;

(viii) any claim brought by any Person other than a Special Indemnified Party arising from any activity by the Servicer or its Affiliates in servicing, administering or collecting any Receivable; or

(ix) any change in the Credit and Collection Policy which impairs the collectibility of any Receivable or the ability of the Servicer to perform its obligations under this Agreement.

Notwithstanding anything to the contrary in this Agreement, solely for purposes of the Servicer's indemnification obligations in clauses (i) and (iv) of this Section 6.06, any representation, warranty or covenant qualified by the occurrence or non-occurrence of a Material Adverse Effect or similar concepts of materiality shall be deemed to be not so qualified.

(j) The sum of the Receivable Interests shall exceed 100% except to the extent that Collections set aside and held for the benefit of the Purchasers pursuant to Section 2.04(b)(iii) would cause the sum of the Receivable Interests to be less than or equal to 100% if such funds were applied to the reduction of Capital; or

(k) There shall have occurred or shall exist any event or condition which has had or will have a Material Adverse Effect; or

(l) An "Event of Termination" shall occur under the Sale Agreement, or the Sale Agreement or the Performance Guaranty shall cease to be in full force and effect or any Transaction Party shall so state in writing; or

The Administrative Agent, each Managing Agent and each of their respective Affiliates may make loans to, accept deposits from and generally engage in any kind of business with Seller or any Affiliate of Seller as though it were not the Administrative Agent or a Managing Agent hereunder. With respect to the acquisition of Receivable Interests pursuant to this Agreement, the Administrative Agent and each Managing Agent shall have the same rights and powers under this Agreement in its individual capacity as any Purchaser and may exercise the same as though it were not the Administrative Agent or a Managing Agent, and the terms "Managing Agent" and "Managing Agents" shall include the Administrative Agent in its individual capacity and the terms "Bank Purchaser," "Purchaser," "Bank Purchasers" and "Purchasers" shall include the Administrative Agent and each Managing Agent in its individual capacity.

**SECTION 8.08 Successor Administrative Agent.**

**SECTION 10.06 Confidentiality.** (a) The Seller and the Servicer each agrees to maintain the confidentiality of the Transaction Documents in communications with third parties and otherwise; provided that the Transaction Documents may be disclosed (i) to the legal counsel and auditors of the Seller and the Servicer if they agree to hold it confidential, and (ii) to the extent required by applicable law or regulation or by any court, regulatory body or agency having jurisdiction over such party.

SECTION 10.08 Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.

SECTION 10.09 Integration; Binding Effect; Survival of Termination. This Agreement and the other Transaction Documents executed by the parties hereto on the date hereof contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns (including any trustee in bankruptcy). Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms and shall remain in full force and effect until the later of (i) the Termination Date and (ii) the date on which no Capital of or Yield on any Receivable Interest shall be outstanding and all Fees and other Seller Obligations are paid in full; provided, however, that rights and remedies with respect to any breach of any representation and warranty made by the Seller pursuant to Article IV, (including, without limitation, those representations and warranties set forth on Annex F) and the provisions of Sections 2.08, 2.09, 6.06, 9.01, 10.04, 10.05 and 10.06 shall survive any termination of this Agreement.

(a) Each party hereto hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or Federal court sitting in New York City in any action or proceeding arising out of or relating to this Agreement, and each party hereto hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. The parties hereto hereby irrevocably waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the Seller and the Servicer consents to the service of any and all process in any such action or proceeding by the mailing of copies of such process to it at its address specified in Section 10.02. Nothing in this Section 10.10 shall affect the right of any Managing Agent, any Conduit Purchaser, any Bank Purchaser or the Administrative Agent to serve legal process in any other manner permitted by law.

SECTION 10.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

No claim may be made by any Transaction Party or any other Person against any Managing Agent, any Purchaser, the Administrative Agent or their respective Affiliates, directors, officers, employees, attorneys or agents (each a "Purchaser Party") for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any other Transaction Document, or any act, omission or event occurring in connection herewith or therewith, except with respect to any claim arising out of the willful misconduct or gross negligence of such Purchaser Party; and each of the Seller and the Servicer hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

SECTION 10.13 Intent of the Parties. (a) It is the intention of the parties hereto that each purchase of Receivable Interests shall convey to the applicable Purchasers, to the extent of such Receivable Interests, an undivided interest in the Receivables and the Related Security and Collections in respect thereof and that such transaction shall constitute a purchase and sale and not a secured loan for all purposes other than for United States federal, state and local income tax purposes. If, notwithstanding such intention, the conveyance of the Receivable Interests from the Seller shall ever be recharacterized as a secured loan and not a sale, it is the intention of the parties hereto that this Agreement shall constitute a security agreement under applicable law, and that the Seller shall be deemed to have granted to the Administrative Agent for the benefit of the Purchasers a duly perfected first priority security interest in all of the Seller's right, title and interest in, to and under the Receivables and Related Security and Collections in respect thereof, free and clear of Adverse Claims other than Permitted Liens.

(b) The Seller has structured the Transaction Documents with the intention that the Receivable Interests and the obligations of the Seller hereunder will be treated under United States federal, and applicable state, local and foreign tax law as debt (the "Intended Tax Treatment"). The Seller, Columbia Gas of Pennsylvania, the Administrative Agent, each Managing Agent, each Conduit Purchaser and each Bank Purchaser agree to file no tax return, or take any action, inconsistent with the Intended Tax Treatment. On the date following the Termination Date on which all outstanding Capital and Yield is reduced to zero and all other Seller Obligations are paid in full, the Administrative Agent shall, at the expense of the Seller, promptly deliver any document or agreement reasonably requested by the Seller to evidence the termination of the interests of the Administrative Agent and the Purchasers in the Receivables, Related Security, the Blocked Accounts and the Lock-Boxes (including, without limitation, UCC-3 termination statement and notices terminating the Blocked Account Agreements).

SECTION 10.15 Limited Recourse. Notwithstanding anything to the contrary contained herein, the obligations of each Conduit Purchaser under this Agreement are solely the obligations of such Conduit Purchaser and shall be payable at such time as funds are received by or are available to such Conduit Purchaser in excess of funds necessary to pay in full all outstanding commercial paper issued by it and, to the extent funds are not available to pay such

obligations, the claims relating thereto shall not constitute a claim against such Conduit Purchaser but shall continue to accrue. Each party hereto agrees that the payment of any claim (as defined in Section 101 of Title 11, United States Code (Bankruptcy)) of any such party shall be subordinated to the payment in full of all commercial paper of each Conduit Purchaser. No recourse under any obligation, covenant or agreement of any Conduit Purchaser contained in this Agreement shall be had against any member, manager, officer, director, employee or agent of any Conduit Purchaser, any Bank Purchaser, any Managing Agent, the Administrative Agent or any of their Affiliates (solely by virtue of such capacity) by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly understood and agreed that this Agreement is solely an obligation of the Administrative Agent, the Managing Agents, the Conduit Purchasers and the Bank Purchasers, respectively, individually, and that no personal liability whatever shall attach to or be incurred by any incorporator, stockholder, officer, director, member, employee or agent of any Managing Agent, any Conduit Purchaser, any Bank Purchaser, the Administrative Agent or any of their Affiliates (solely by virtue of such capacity) under or by reason of any of the obligations, covenants or agreements of the Administrative Agent, any Managing Agent, any Conduit Purchaser or any Bank Purchaser contained in this Agreement, or implied therefrom, and that any and all personal liability for breaches by the Administrative Agent, any Managing Agent, any Conduit Purchaser or any Bank Purchaser of any of such obligations, covenants or agreements, either at common law or at equity, or by statute, rule or regulation, of every such member, manager, officer, director, employee or agent is hereby expressly waived as a condition of and in consideration for the execution of this Agreement; provided that the foregoing shall not relieve any such Person from any liability it might otherwise have as a result of fraudulent actions taken or omissions made by them.

SECTION 10.16 USA PATRIOT Act. Each party hereto that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act") hereby notifies the Seller and the Servicer that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies the Seller and the Servicer, which information includes the name and address of each of the Seller and the Servicer and other information that will allow such Person to identify the Seller and the Servicer in accordance with the Act.

(c) Register. The Administrative Agent shall maintain at its address referred to on the signature page of this Agreement (or such other address of the Administrative Agent notified by the Administrative Agent to the other parties hereto) a copy of each Assignment and Acceptance delivered to it and accepted by it and a register for the recordation of the names and addresses of each Managing Agent, each Conduit Purchaser and each Bank Purchaser, the

Commitment of the Bank Purchasers and the aggregate outstanding Capital of the Receivable Interest or interests therein owned by each of the Conduit Purchasers and the Bank Purchasers from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Seller, the Servicer, the Administrative Agent, the Managing Agents, the Conduit Purchasers and the Bank Purchasers may treat each Person whose name is recorded in the Register as a Managing Agent, Conduit Purchaser or Bank Purchaser, as the case may be, as such under this Agreement for all purposes of this Agreement. The Register shall be available for inspection by the Seller, the Managing Agents, the Conduit Purchasers and the Bank Purchasers at any reasonable time and from time to time upon reasonable prior notice.

(d) Procedure. Upon its receipt of an Assignment and Acceptance executed by an assigning Bank Purchaser, the Managing Agent of such Bank Purchaser and an Eligible Assignee or other Person, the Administrative Agent shall, if such Assignment and Acceptance has been duly completed, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Seller.

(e) Participations. Each Bank Purchaser may sell participations to one or more Eligible Assignees in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the interests in the Receivable Interests owned by it); provided, however, that

(i) such Bank Purchaser's obligations under this Agreement (including, without limitation, its Commitment to the Seller hereunder) shall remain unchanged,

(ii) such Bank Purchaser shall remain solely responsible to the other parties to this Agreement for the performance of such obligations, and

(iii) concurrently with the sale of such participation, the selling Bank Purchaser shall sell to such bank or other entity a participation in an equal percentage of its rights and obligations under the Liquidity Asset Purchase Agreement to which such Bank Purchaser is a party.

The Administrative Agent, the Seller, the Managing Agents, the Conduit Purchasers and the Servicer shall have the right to continue to deal solely and directly with such Bank Purchaser in connection with such Bank Purchaser's rights and obligations under this Agreement.

(f) Assignments by Administrative Agent. This Agreement and the rights and obligations of the Administrative Agent herein shall be assignable by the Administrative Agent and its successors and assigns with the prior written consent of the Required Managing Agents; provided that in the case of an assignment to a Person that is not an Affiliate of the Administrative Agent, so long as no Event of Termination has occurred and is continuing, such assignment shall require the Seller's consent (not to be unreasonably withheld or delayed).

(g) No Assignment by Seller or Servicer. Neither the Seller nor the Servicer may assign any of its rights or obligations hereunder or any interest herein without the prior written consent of the Administrative Agent and each Required Managing Agent.

SECTION 11.02 Extension of Scheduled Commitment Termination Date. Seller may advise the Managing Agents in writing of its desire to extend the Scheduled Commitment Termination Date for an additional 364 days, provided such request is made not more than sixty (60) days prior to, and not less than forty-five (45) days prior to, the then current Scheduled Commitment Termination Date. Each Managing Agent, upon being so advised by Seller, shall promptly notify each Bank Purchaser in its related Purchaser Group of any such request and each such Bank Purchaser shall notify its related Managing Agent, Seller and the Administrative Agent of its decision to accept or decline the request for such extension no later than thirty (30) days after receipt of such request (it being understood that each Bank Purchaser may accept or decline such request in its sole discretion and on such terms as it may elect, and the failure to so notify its related Managing Agent, Seller and the Administrative Agent shall be deemed an election not to extend by such Bank Purchaser). In the event that any Bank Purchaser declines the request to extend the Scheduled Commitment Termination Date (each such Bank Purchaser being referred to herein as a "Non-Renewing Bank Purchaser"), and the Commitment of such Non-Renewing Bank Purchaser is not assigned to another Person in accordance with the terms of this Article XI prior to the then current Scheduled Commitment Termination Date, the then current Scheduled Commitment Termination Date shall not be extended.

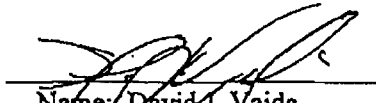

SECTION 11.03 Additional Purchaser Groups. Upon Seller's request with approval of the Administrative Agent and each Managing Agent, an additional Purchaser Group may be added to this Agreement at any time by the execution and delivery of a Joinder Agreement by the members of such proposed additional Purchaser Group, Seller, the Servicer, the Administrative Agent and each Managing Agent, and execution and delivery of a reaffirmation of the Performance Guaranty, which execution and delivery shall not be unreasonably refused by such parties. Upon the effective date of such Joinder Agreement, (i) each Person specified therein as a "Conduit Purchaser" shall become a party hereto as a Conduit Purchaser, entitled to the rights and subject to the obligations of a Conduit Purchaser hereunder, (ii) each Person specified therein as a "Bank Purchaser" shall become a party hereto as a Bank Purchaser, entitled to the rights and subject to the obligations of a Bank Purchaser hereunder, (iii) each Person specified therein as a "Managing Agent" shall become a party hereto as a Managing Agent, entitled to the rights and subject to the obligations of a Managing Agent hereunder and (iv) the Program Limit shall be increased by an amount equal to the aggregate Commitments of the Bank Purchasers party to such Joinder Agreement.

*[Remainder of page intentionally left blank]*

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

ANNEX B

Form of Blocked Account Agreement

(attached)

Multi-Party Blocked Account Agreement (this "Agreement")  
Dated as of  
March 15, 2010  
among  
Columbia Gas of Pennsylvania, Inc. ("CPA"), a Pennsylvania corporation  
Columbia Gas of Pennsylvania Receivables Corporation (the "Seller"),  
The Bank of Tokyo-Mitsubishi UFJ, Ltd., New York Branch,  
as administrative agent pursuant to the  
Receivables Purchase Agreement referred to below (the "Agent")  
and  
PNC Bank, National Association ("PNC Bank")

CPA maintains the deposit accounts identified on Schedule I hereto (each, an "Account", and collectively, the "Accounts") into which accounts checks and other items of payment ("Items") are deposited. The parties acknowledge that the provisions of the customary agreements for accounts of this type between PNC Bank and CPA shall apply to the extent not inconsistent.

CPA hereby informs PNC Bank that in connection with that certain Receivables Sale Agreement dated as of March 15, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Receivables Sale Agreement"), among CPA, as seller, and Seller, as purchaser, CPA has transferred all of its right, title and interest in and to the Accounts to the Seller. CPA hereby requests that the Account be retitled in the name of "Columbia Gas of Pennsylvania Receivables Corporation". CPA and the Seller hereby inform you that in connection with that certain Receivables Purchase Agreement dated as of March 15, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Receivables Purchase Agreement"), among the Seller, CPA, as initial servicer, the entities named therein as Conduit Purchasers and Bank Purchasers (collectively, the "Purchasers"), the entities named therein as Managing Agents, and The Bank of Tokyo-Mitsubishi UFJ, Ltd., New York Branch, as Administrative Agent, the Seller has transferred control in and to the Accounts to the Agent for the benefit of the Purchasers. In addition, Seller has granted the Agent a first priority security interest in all of its right, title and interest in and to the Accounts and all funds on deposit from time to time therein.

PNC Bank hereby confirms it is a "bank" within the meaning of Section 9-102 of the Uniform Commercial Code (the "UCC"), and that the Accounts constitute "deposit accounts" within the meaning of Section 9-102 of the UCC. PNC Bank hereby acknowledges that it is the intent of the parties in entering into this Agreement to grant to, and confer upon, the Agent "control" of the Accounts, as contemplated in Section 9-104 (and similar related provisions) of the UCC.

CPA, the Seller, the Agent and PNC Bank are entering into this Agreement to set forth their relative rights and duties with respect to the Accounts and all funds on deposit therein from time to time. Subject to the terms of this Agreement, PNC Bank acknowledges notice of the Agent's security interest in the Accounts.

1. Accounts. Until such time as PNC Bank shall have received a written notice, in a Timely Manner, from the Agent in the form of Exhibit A attached hereto (the "Notice"), funds on deposit from time to time in the Accounts shall be disbursed as the Seller may direct. Upon

PNC Bank's receipt of the Notice, in a Timely Manner, the Agent shall have the exclusive right to direct and provide instructions to PNC Bank as to the disposition of all amounts then or thereafter deposited in the Accounts, and PNC Bank shall not comply with any instruction from CPA or the Seller in connection with the Accounts. "Timely Manner" means receipt of the relevant notice, notice revocation or instruction at a time and in a manner affording PNC Bank a reasonable opportunity to act thereon not to exceed two business days after PNC's receipt of Notice. PNC Bank, after receipt of Notice and subject to its applicable availability policy in effect from time to time, will transfer on each banking day all available funds on deposit in the accounts by wire transfer, or other method of transfer mutually agreeable to PNC Bank and the Agent, as the Agent may from time to time direct PNC Bank in accordance with PNC Bank's usual and customary procedures for funds transfers. CPA, Seller and Agent agree that wire or other electronic funds transfers from the Accounts shall be subject to the terms of PNC Bank's standard agreements for such services. In the event of any inconsistency between this Agreement and the terms of such other agreements, the terms of this agreement shall control.

2. Reliance Upon Instructions. PNC Bank may rely upon, and shall be protected in acting, or refraining from acting upon the contents of any notice, including without limitation a Notice, or instructions that PNC Bank believes in good faith to be genuine and given by CPA or the Agent, as the case may be, without any independent investigation. PNC Bank shall have no duty to inquire into the authority of the person in giving such notice or instruction. In the event that PNC Bank receives conflicting notices or instructions prior to its receipt of Notice, PNC Bank will refrain from action and shall be entitled to take action in accordance with Section 19.

3. Information. PNC Bank will from time to time provide to CPA and, as requested by the Agent, the Agent information regarding the Accounts as such parties may reasonably request via utilization of PNC Bank's internet-based system then in effect.

4. Financing Documents. PNC Bank shall not be deemed to have any knowledge (imputed or otherwise) of: (a) any of the terms or conditions of the Receivables Purchase Agreement, the Receivables Sale Agreement or any document referred to therein or relating to any financing arrangement between CPA, the Seller, and the Agent, or any breach thereof, or (b) any occurrence or existence of a default. PNC Bank has no obligation to inform any person of such breach or to take any action in connection with any of the foregoing, except such actions regarding the Accounts as are specified in this Agreement. PNC Bank is not responsible for the enforceability or validity of the security interest in the Accounts.

5. Set-Off. PNC Bank agrees it shall not offset, charge, deduct or otherwise withdraw funds from the Accounts, except as permitted by Section 6.

6. Charges and Fees. PNC Bank may debit the Accounts for (a) any items (including, but not limited to, checks, drafts, Automatic Clearinghouse ("ACH") credits or wire transfers or other electronic transfers or credits) deposited or credited to the Accounts in error or which may be returned or otherwise not collected; (b) processing errors; (c) fees and expenses payable hereunder; (d) reasonable attorney's fees of PNC Bank's outside counsel for the review, negotiation and enforcement of this Agreement, which attorney's fees CPA and Seller hereby agrees to pay; (e) obligations and liabilities arising out of any cash management services provided by PNC Bank, including, but not limited to, Automated Clearing House transactions;

and (f) all charges, fees, commissions and expenses incurred by PNC Bank in providing services or otherwise in connection herewith; PNC Bank may charge the Accounts as permitted herein at such times as are in accordance with its customary practices for any item, fee, expense or other amount due PNC Bank as listed in clauses (a) through (f) of this Section. In the event that there are insufficient funds in the Account for any item, fee, expense or other amount due PNC Bank as listed in clauses (a) through (f) of this Section, Seller shall reimburse PNC Bank for same.

7. Liability. PNC Bank's duties and obligations shall be determined solely by the provisions of this Agreement and PNC Bank shall not be liable except for the performance of its duties and obligations as are set forth herein; provided, however, PNC Bank shall have no liability to any party to this Agreement or to any other party arising out of or in connection with this Agreement other than for it is gross negligence or willful misconduct. PNC Bank shall have no obligation to review, or confirm that any actions taken pursuant to this Agreement comply with, any other agreement or document. Substantial compliance by PNC Bank with its standard procedures for the services PNC Bank is providing hereunder shall be deemed to be the exercise by it of ordinary care. In no event shall PNC Bank be liable for any lost profits or for any indirect, special, consequential or punitive damages even if advised of the possibility or likelihood of such damages. This provision shall survive termination of the Agreement.

8. Indemnification. Seller agrees to indemnify PNC Bank for, and hold PNC Bank harmless from, all claims, demands, losses, liabilities and expenses (including attorneys' fees), resulting from or with respect to the services provided hereunder including, without limitation: (a) any action taken, or not taken, by PNC Bank in regard thereto in accordance with the terms of this Agreement; (b) Items, including, without limitation, any automated clearinghouse transactions, which are returned for any reason, and any adjustments or processing errors; and (c) any failure of the Seller to pay any invoice or charge of PNC Bank for services in respect to this Agreement, the Items, the Account or any amount owing to PNC Bank from Seller with respect thereto or to the service provided hereunder. To the extent of such indemnity, Seller agrees to reimburse PNC Bank for any amounts described in clause (b) of this Section in the event and to the extent that there are insufficient funds in the Accounts to cover any amounts described in clause (b) of this Section after receiving "Notice". Seller agree to pay within thirty (30) days of receipt thereof any documented invoice by PNC Bank under this indemnity. The indemnification provided for in this Section 8 does not apply to any cost or damage attributable to PNC Bank's gross negligence or willful misconduct. This indemnity shall survive the termination of this Agreement. If Seller fails to so repay PNC Bank the amounts described in clause (b) above, then Agent shall repay PNC Bank for such amounts immediately upon demand to the extent that Agent has given the Notice and such amounts were transferred from an Account at the direction of the Agent.

9. Failure to Perform. None of CPA, the Seller, the Agent or PNC Bank will be liable for any failure to perform its obligations when the failure arises out of causes beyond its control, including, without limitation, an act of a governmental regulatory/authority, an act of God, accident, equipment failure, labor disputes or system failure, provided it has exercised such diligence as the circumstances require.

10. Governing Law. This agreement shall be construed in accordance with and governed by the laws of the State of New York. PNC Bank, CPA, the Seller and Agent hereby waive their respective rights to a trial by jury in any proceeding related to this Agreement.

11. No Extension of Credit. Nothing in this Agreement, unless otherwise agreed to in writing, or any course of dealing between CPA, the Seller, the Agent or PNC Bank, commits or obligates PNC Bank to extend any overdraft or other credit to CPA, the Seller or the Agent.

12. Amendments and Waivers. This Agreement may be amended or waived only in writing signed by CPA, the Seller, the Agent and PNC Bank.

13. Assignment. None of CPA, the Seller, the Agent or PNC Bank may assign or transfer any of its rights or obligations under this Agreement, except PNC Bank may assign or transfer its rights and obligations to any successor by merger of PNC Bank or to any financial institution that is directly or indirectly (a) in control of PNC Bank, (b) under the control of PNC Bank, or (c) under common control with PNC Bank, provided that in the event of an assignment to a financial institution that is directly or indirectly under the control of PNC Bank, PNC Bank agrees to remain primarily liable under this Agreement. This Agreement shall bind the respective successors and assigns of the parties and shall inure to the benefit of their respective successors and assigns.

14. Termination. PNC Bank may terminate this Agreement upon thirty (30) business days' prior written notice to CPA, the Seller and the Agent. The Agent may terminate this Agreement upon forty-five (45) days' prior written notice to PNC Bank. Neither CPA nor the Seller may terminate this Agreement without the prior written consent of the Agent. Any claim or cause of action of any party against any other relating to this Agreement which existed at the time of termination shall survive the termination. All mail received after the date specified in such notice of termination shall be returned by PNC Bank to the Agent by first class mail or such other means mutually agreeable to the Agent and PNC Bank. Notwithstanding the foregoing, PNC Bank may terminate this Agreement immediately upon contemporaneous written notice to the other parties in the event of suspected fraud, abuse, or other illegal activity in connection with the Accounts or this Agreement. Upon any such termination, PNC Bank will close the Accounts and transfer all funds therein to, or at the direction of, the Agent.

15. Entire Agreement. This Agreement constitutes the entire agreement and understanding, and supersedes all prior agreements and understandings, between CPA, the Seller, the Agent and PNC Bank relating to the services provided pursuant to this Agreement as of the date of this Agreement.

16. Notices. Any notices given pursuant to this Agreement shall be given by any commercially reasonable means and all notices shall be effective when received. Each written notice shall be addressed to the relevant address appearing below or at another address specified in a written notice by one party to the other.

Additional Representations and Warranties of the Seller

1. This Agreement creates a valid and continuing security interest (as defined in the applicable UCC) in the Receivables, the Related Security and Collections with respect thereto and the Blocked Accounts and Lock-Boxes in favor of the Administrative Agent, for the benefit of the Indemnified Parties, which security interest is prior to all other Adverse Claims other than Permitted Liens, and is enforceable as such against the creditors of and purchasers from the Seller.
2. The Receivables constitute "accounts" within the meaning of the applicable UCC.
3. The Seller owns and has good title to the Receivables, the Related Security and Collections with respect thereto and the Blocked Accounts and Lock-Boxes, free and clear of any Adverse Claim, claim or encumbrance of any Person other than Permitted Liens.
4. The Seller has caused or will have caused, within ten (10) days, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Receivables, the Related Security and Collections with respect thereto (except with respect to Choice Marketer Receivables which are not Eligible Receivables, solely with respect to filings perfecting the transfer of such Receivables from the related Choice Marketer to the Originator) and the Blocked Accounts and Lock-Boxes granted to the Administrative Agent, for the benefit of the Indemnified Parties, hereunder.
5. Other than the security interest granted to the Administrative Agent, for the benefit of the Indemnified Parties, pursuant to this Agreement, the Seller has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables, the Related Security and Collections with respect thereto or the Blocked Accounts or Lock-Boxes. The Seller has not authorized the filing of and is not aware of any financing statements against the Seller that include a description of collateral covering the Receivables, the Related Security and Collections with respect thereto or the Blocked Accounts or Lock-Boxes other than any financing statement relating to the security interest granted to the Administrative Agent, for the benefit of the Purchasers, hereunder or that has been terminated. The Seller is not aware of any judgment or tax lien filings against the Seller.

## ACCOUNTS RECEIVABLE PURCHASE AGREEMENT

This Agreement made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_, (“Agreement”) by \_\_\_\_\_ and \_\_\_\_\_ between \_\_\_\_\_ located at \_\_\_\_\_ (“NGS”), and Columbia Gas of Pennsylvania, Inc. (“Company” or “CPA”), 200 Civic Center Dr., Columbus, OH 43215.

**WHEREAS**, the Company has instituted a service regulated by the Pennsylvania Public Utility Commission (“Commission”) in which it offers gas distribution service to residential and small commercial customers of the Company (“Choice Service”);

**WHEREAS**, the Choice Service contemplates that the Company’s customers will secure *their gas supplies competitively, through a natural gas supplier (“NGS”) that has been licensed to supply natural gas in Pennsylvania and is eligible to provide service on the Company’s system, and that the Company’s customers will continue to use the Company to distribute the gas supplies;*

**WHEREAS**, the Choice Service provides that the Company, at its option, may purchase the accounts receivable from participating NGSs who desire the Company to make such purchases;

**WHEREAS**, the NGS is participating in the Choice Service, and the NGS desires to have the Company purchase its accounts receivable and the Company has agreed to purchase the NGS’s accounts receivable;

**NOW THEREFORE** in consideration of the mutual promises and covenants contained in this Agreement, the NGS and the Company agree to the following terms and conditions:

1. Definitions.

- a. The term “Customer” as used herein shall mean the Company’s customers who are both participating in the Company’s Choice Service and who are being provided natural gas by the NGS. Under no circumstances shall the term “Customer” include the Company’s customers who are not participating in the Choice Service or who are not being provided natural gas by the NGS.
- b. The term “Accounts Receivable” as used herein shall mean the uncollected amounts that are justly due and owing from Customers in payment for the natural gas sold to the Customer by the NGS. This term does not include any applicable Pennsylvania sales tax or late payment fees charged to the Customer and added to the Customer’s bill.
- c. The term “NGS Agreement” as used herein shall mean any and all agreements between the NGS and the Company and/or all applicable tariffs of the Company as approved by the Commission, which govern the relationship between the NGS and the Company. The NGS Agreement is hereby incorporated by reference and made part of this Agreement.

- d. The term "Customer Base" as used herein shall mean the entire group of Customers for which the NGS is providing natural gas.
2. Purchases. Under this Agreement, the Company agrees to purchase from the NGS, and the NGS agrees to sell to the Company, the NGS's Accounts Receivable in accordance with the following requirements:
- a. The Company shall make purchases beginning in the calendar month December, 2003 and shall make purchases each month thereafter through the remainder of the Initial Term of this Agreement (as defined in paragraph 3 below) and any subsequent renewal term. The purchase made in any particular month shall consist of the Customer indebtedness incurred during the most recently completed billing cycle for each particular Customer. For illustration purposes only, if a Customer's billing cycle is the fifteenth (15<sup>th</sup>) day of Month One to the fifteenth (15<sup>th</sup>) day of Month Two, in Month Two, the Company shall purchase that Customer's Accounts Receivable that is billed in Month Two.
  - b. Irrespective of paragraph a. above, in no case shall the Company purchase the Accounts Receivable for Customer indebtedness incurred prior to October 25, 2001. The Company shall make each monthly purchase as a lump sum consisting of the Accounts Receivable for all of the accounts in the NGS's Customer Base, and the Company shall not make purchases of less than all of the Accounts Receivable held by the NGS for that particular month. Under no circumstance shall the Company purchase the Accounts Receivable for any customer or customers who did not participate in the Choice Service for the month being purchased.
3. Term. The initial term of this Agreement shall commence upon execution of this Agreement and shall continue until July 1, 2005 (the "Initial Term"). After the expiration of the Initial Term, this Agreement shall continue and renew on a year to year basis unless either party provides the other with written notice of its desire to cancel this Agreement at least thirty (30) days prior to expiration of the Initial Term or any renewal term thereafter.
4. Price. The Company shall purchase the NGS's Accounts Receivable at a five percent (5%) discount of the total amount billed by the NGS to its total Customer Base for providing natural gas supplies to the Customer Base for that month. The Company shall calculate the amount due the NGS by first adding together all of the bills for natural gas sold to Customers in the NGS's Customer Base, and then multiplying that total amount by ninety-five percent (95%). This calculation methodology shall be effective for all Accounts Receivable purchases made during the entire Initial Term and any renewal term of this Agreement.
5. Payment. Beginning with Accounts Receivable purchased in December, 2003, and continuing on a monthly basis for the Initial Term and any renewal term of this Agreement, the Company shall make payment to the NGS for the Accounts Receivable

being purchased within thirty (30) days after the last unit billed in any billing cycle. Said monthly payment shall be made to the NGS by the Company regardless of whether any particular Customer or Customers in the NGS's Customer Base pays their bill(s). Any monthly payment, other than payments associated with an adjustment to an account, which is not made by the Company within 60 days shall be subject to a late payment charge of 1.25% per month applied to any unpaid amount.

6. Sales Tax Responsibility. The NGS, and not the Company, is fully responsible for all Pennsylvania sales tax deficiencies and audits regarding the NGS's sale of the natural gas commodity to the Customer. The Company acknowledges that it is providing a service to the NGS in those situations where the Company collects the sales tax and remits the sales tax over to Pennsylvania. The NGS also acknowledges that it is responsible for collecting and maintaining Pennsylvania sales tax exemption certificates from the Customers and informing the Company as to which Customers are not required to pay the sales tax. The Company is fully responsible for all Pennsylvania sales tax deficiencies and audits regarding the Company's charges related to the distribution of the natural gas commodity to the Customer.

7. Late Payment Fees. The Company shall be entitled to collect and retain from the Customers any and all late payment fees specified in the NGS's agreements with the Customer. NGS agrees to include late payment fee language in all natural gas commodity supply agreements with Customers initiated or renewed during the term of this Agreement. The late payment fee shall be equal to at least 1.25% of any unpaid natural gas commodity balance outstanding at the next billing date.

8. Adjustments. The Company reserves the right to adjust the NGS's account with regard to Accounts Receivable purchases for up to two (2) years after the original billing date for any individual Customer's bill at issue for accounting errors or any other necessary adjustment.

9. Right of Set-Off. The Company and the NGS agree that if the NGS owes the Company any fees, costs or penalties whatsoever, the Company shall have the right of set-off as against those fees, cost or penalties due and owing to the Company. In calculating the payment due the NGS under this Agreement, said fees, costs or penalties shall be deducted from the amount to be paid to the NGS after the five (5%) percent discount is applied to total amount billed by the NGS to its total Customer Base for providing natural gas supplies to the Customer Base for that month.

10. Binding Agreement. This Agreement shall be binding upon the parties hereto, their heirs, executors, administrators, successors and assigns.

11. Assignment. This Agreement may be assigned only with the prior written consent of Company, which consent shall not be unreasonably withheld.

12. Notice and Payments. If requested by the NGS in writing, all payments to the NGS under this Agreement shall be made by wire transfer pursuant to the wire instructions provided by the NGS to the Company. All notices to the NGS and the

Company which are provided for in this Agreement shall be duly delivered to the post office address as follows:

14. Counterparts. This Agreement may be executed in counterparts, each of which when so executed and delivered shall be an original, with all such counterparts together constituting one and the same instrument.

ANNEX I-2

Form of Choice Marketer Security Agreement

(attached)

## ACKNOWLEDGEMENT AND SECURITY AGREEMENT

WHEREAS, Columbia Gas of Pennsylvania, Inc. (the "Company") and [ ] ("Supplier") are parties to an Accounts Receivable Purchase Agreement dated [ ] pursuant to which certain of Supplier's accounts receivable are sold by Supplier to the Company;

WHEREAS, the parties wish to perfect the Company's interest in such transfer.

NOW, THEREFORE, in consideration of the agreements set forth in the Accounts Receivable Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

Notwithstanding any statement in the Accounts Receivable Purchase Agreement, the parties acknowledge and agree that title to a Receivable shall pass to the Company upon delivery of gas to the obligor under such Receivable. The Company shall pay for such Receivable in accordance with the terms of the Accounts Receivable Purchase Agreement. The Company and Supplier have structured the Accounts Receivable Purchase Agreement with the intention that each purchase of Receivables thereunder be treated as a sale of such Receivables by Supplier to the Company. In the event that, contrary to the mutual intent of the Company and Supplier, any purchase of Receivables under the Accounts Receivable Purchase Agreement is not characterized as a sale, Supplier shall, effective as of the date hereof, be deemed to have granted (and the Supplier hereby does grant) to the Company a first priority security interest in all of Supplier's right, title and interest in and to all Receivables, whether now owned and existing or hereafter acquired or arising (but not including any Receivable that arises after the expiration or termination of the Company's obligation to purchase and pay for Receivables under the Accounts Receivable Purchase Agreement), all Related Security and Collections with respect thereto and, to the extent not included in the foregoing, all proceeds of any and all of the foregoing. Supplier acknowledges and agrees that the security interest granted herein attaches at the time of delivery of gas to the obligor of a Receivable. In the event the Accounts Receivable Purchase Agreement expires or is terminated pursuant to its terms without being replaced by a successor agreement, the Company agrees to promptly amend any financing statement on file in a matter reasonably satisfactory to Supplier. Although it is not the intent of this document to interfere with or otherwise compromise the confidential nature of any information possessed by Supplier, Supplier also hereby agrees to provide access at reasonable times and in a reasonable manner to all books, records and other information (including, without limitation data contained in computer programs, tapes, discs, punch cards, data processing software and related property and rights) relating to such Receivables and only to the extent necessary in the event Company possesses no other reasonably comparable information and therefore needs such access to collect such Receivables.

As used in this Acknowledgement and Security Agreement, capitalized terms shall have the following meanings:

"Collections" means, with respect to any Receivable, all cash collections and other cash proceeds of such Receivable, including, without limitation, all cash proceeds of Related Security with respect to such Receivable.

**“Receivable”** means the indebtedness and other obligations of any obligor to pay for natural gas provided by Supplier under the Company’s Choice Service and delivered on the Company’s distribution system, whether billed or unbilled, including the right to payment of any interest or finance charges, late payment charges, delinquency charges, extension or collection fees and all other obligations of such obligor with respect thereto.

- (ii) all guaranties, insurance and other agreements or arrangements of whatever character from time to time supporting or securing payment of such Receivable; and
- (iii) all of Supplier’s right, title and interest, if any, in and to all invoices that evidence, secure or otherwise relate to such Receivable.

**IN WITNESS WHEREOF**, the parties have executed this Acknowledgement and Security Agreement this \_\_day of \_\_\_\_\_, 2010.

**COLUMBIA GAS OF PENNSYLVANIA, INC.**

**ACCOUNTS RECEIVABLE PURCHASE AGREEMENT**

This Agreement made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, (“Agreement”) by \_\_\_\_\_ and \_\_\_\_\_ between \_\_\_\_\_ located at \_\_\_\_\_ (“Supplier”), and Columbia Gas of Pennsylvania, Inc. (“Company”), 200 Civic Center Dr., Columbus, OH 43215.

**WHEREAS**, the Company has instituted a service regulated by the Pennsylvania Public Utility Commission (“Commission”) in which it offers gas distribution service to residential and small commercial customers of the Company (“Choice Service”);

**WHEREAS**, the Choice Service contemplates that the Company’s customers will secure their gas supplies competitively, through a natural gas supplier that has been licensed to supply natural gas in Pennsylvania and is eligible to provide service on the Company’s system, and that the Company’s customers will continue to use the Company to distribute the gas supplies;

**WHEREAS**, the Choice Service provides that the Company, at its option, may purchase the accounts receivable from participating Suppliers who desire the Company to make such purchases;

**WHEREAS**, the Supplier is participating in the Choice Service, and the Supplier desires to have the Company purchase its accounts receivable and the Company has agreed to purchase the Supplier’s accounts receivable;

**NOW THEREFORE** in consideration of the mutual promises and covenants contained in this Agreement, the Supplier and the Company agree to the following terms and conditions:

1. **Definitions.** The following capitalized terms will have the following meanings when used in this Agreement:
  - a. “**Accounts Receivable**” means the indebtedness and other obligations of any Customer to pay for natural gas provided by Supplier under the Company’s Choice Service and delivered on the Company’s distribution system, whether billed or unbilled. This definition does not include any Company distribution charges or the applicable sales tax.
  - b. “**Collections**” means, with respect to any Account Receivable, all cash collections and other cash proceeds of such Account Receivable, including, without limitation, all cash proceeds of Related Security with respect to such Receivable.
  - c. “**Customer**” means the Company’s customers who are both participating in the Company’s Choice Service and who are being provided natural gas by the Supplier. Under no circumstances shall the term “Customer” include the Company’s customers who are not participating in the Choice Service or who are not being provided natural gas by the Supplier.

- d. “Customer Base” means the entire group of Customers for which the Supplier is providing natural gas.
- e. “Supplier Agreement” means any and all agreements between the Supplier and the Company and/or all applicable tariffs of the Company as approved by the Commission, which govern the relationship between the Supplier and the Company. The Supplier Agreement is hereby incorporated by reference and made part of this Agreement.
- f. “Related Security” means with respect to any Account Receivable:
  - (i) all security interests or liens and property subject thereto from time to time purporting to secure payment of such Account Receivable, together with all financing statements authorized by a Customer describing any collateral securing such Receivable;
  - (ii) all guaranties, insurance and other agreements or arrangements of whatever character from time to time supporting or securing payment of such Account Receivable; and
  - (iii) all of Supplier’s right, title and interest, if any, in and to all invoices that evidence, secure or otherwise relate to such Account Receivable.

2. Purchases. Under this Agreement, the Company agrees to purchase from the Supplier, and the Supplier agrees to sell to the Company, the Supplier’s Accounts Receivable in accordance with the terms and conditions of this Agreement including the following requirements:

- a. The Company shall make purchases on a daily basis beginning on the commencement date of this Agreement (see Paragraph 3 below) and shall make purchases daily through the remainder of the term of this Agreement. Although the price for each Account Receivable coming into existence after the date hereof shall be owed by the Company to the Supplier on the date such Account Receivable comes into existence, final settlement of the price between the Company and the Supplier shall be effected on a monthly basis as provided in Paragraph 5 with respect to all Receivables coming into existence during the most recently completed billing cycle for each particular Customer. For illustration purposes only, if a Customer’s billing cycle is the fifteenth (15<sup>th</sup>) day of Month One to the fifteenth (15<sup>th</sup>) day of Month Two, in Month Two, the Company shall pay for those Customer’s Accounts Receivable that are billed in Month Two.
- b. Irrespective of Paragraph a. above, in no case shall the Company purchase the Accounts Receivable for any Customer’s indebtedness incurred prior to that Customer’s enrollment with the Supplier. The Company shall acquire the Accounts Receivable for all of the accounts in the Supplier’s Customer Base, and the Company shall not make purchases of less than all

of the Accounts Receivable originated by the Supplier. Under no circumstance shall the Company purchase the Accounts Receivable for any Customer or Customers who did not participate in the Choice Service for the month being purchased.

- c. Supplier warrants that it has good title to all Accounts Receivable delivered to Company hereunder, and that such Accounts Receivable will be free and clear of all liens, encumbrances, and claims whatsoever, and that it will indemnify Company, and save it harmless from all suits, actions, debts, accounts, damages, costs, losses and expenses arising from or out of a breach of such warranty.
- d. Although it is not the intent of this Agreement to interfere with or otherwise compromise the confidential nature of any information possessed by Supplier, Supplier hereby agrees to provide access at reasonable times and in a reasonable manner to all books, records and other information (including, without limitation data contained in computer programs, tapes, discs, punch cards, data processing software and related property and rights) relating to such Accounts Receivable and only to the extent necessary in the event Company possesses no other reasonably comparable information and therefore needs such access to collect such Accounts Receivable.

3. Term. The initial term of this Agreement shall commence upon execution of this Agreement and shall continue through \_\_\_\_\_, 20\_\_, unless cancelled by either party giving to the other not less than thirty (30) days prior written notice of the termination prior to the next expiration date.

4. Price. The Company shall purchase the Supplier's Accounts Receivable at a two and one-quarter percent (2.25%) discount of the total amount billed by the Supplier to its total Customer Base for providing natural gas supplies to the Customer Base for that month. The Company shall calculate the amount due the Supplier by first adding together all of the bills for natural gas sold to Customers in the Supplier's Customer Base, and then multiplying that total amount by ninety-seven and three-quarters percent (97.75%). This calculation methodology shall be effective for all Accounts Receivable purchases made during the initial term as well as all subsequent terms of this Agreement.

5. Payment. Beginning with Accounts Receivable purchased from the commencement of the term of this Agreement (see Paragraph 3 above), and continuing on a monthly basis for the remainder of the term, the Company shall make payment to the Supplier for the Accounts Receivable being purchased within thirty (30) days after the last unit billed in any billing cycle. Subject to the provisions of Paragraphs 3, 8 and 10, said monthly payment shall be made to the Supplier by the Company regardless of whether any particular Customer or Customers in the Supplier's Customer Base pays their bill(s).

6. Sales Tax Responsibility/Indemnification. The Supplier, and not the Company, is fully responsible for all Pennsylvania sales tax deficiencies and audits regarding the Supplier's sale of the natural gas commodity to the Customer. The Company acknowledges that it is providing a service to the Supplier in those situations where the Company collects the sales tax and remits the sales tax over to Pennsylvania. The Supplier also acknowledges that it is responsible for collecting and maintaining Pennsylvania sales tax exemption certificates from the Customers and informing the Company as to which Customers are not required to pay the sales tax. The Company is fully responsible for all Pennsylvania sales tax deficiencies and audits regarding the Company's charges related to the distribution of the natural gas commodity to the Customer. To the fullest extent allowed by law, Supplier shall defend, indemnify, and hold the Company harmless from any and all costs, claims, damages, fines, taxes and any penalties and interest thereon, relating in any way to: (i) the Company's reliance on information or directives provided by Supplier to Company, or (ii) the Company's collection or remittance or failure to collect or remit sales taxes on Supplier's behalf, or (iii) the failure of Supplier to satisfy its tax obligations related to the sale of natural gas. The Company is only responsible for Pennsylvania sales tax deficiencies and audits regarding the Company's charges directly related to its distribution of the natural gas commodity to the Customer. The obligations of Supplier to defend, indemnify and hold Company harmless shall survive the termination or expiration of this Agreement.

7. Late Payment Fees. The Company shall be entitled to collect and retain from the Customers any and all late payment fees specified in the tariff.

8. Adjustments. The Company reserves the right to adjust the Supplier's account with regard to Accounts Receivable purchases for up to two (2) years after the original billing date for any individual Customer's bill at issue for accounting errors or any other necessary adjustment.

9. Additional Actions. Supplier agrees to provide Company with any additional documents and take any additional steps that Company may request to perfect Company's interest in the Accounts Receivable being sold and assigned to Company pursuant to this Agreement, and Supplier hereby authorizes the filing of UCC-1 financing statements to perfect the Company's interest.

10. Right of Set-Off. If the Supplier owes the Company any sum under this Agreement or any other arrangement whatsoever, the Company shall have the rights of recoupment and set-off, with respect to any payments for Accounts Receivable purchased, as against all amounts owed to the Company by Supplier. In calculating the payment due the Supplier under this Agreement, said amounts owed by Supplier to the Company shall be deducted from the amount to be paid to the Supplier (see Paragraph 4) after the two and one-quarter percent (2.25%) discount is applied to total amount billed by the Supplier to its total Customer Base for providing natural gas supplies to the Customer Base for that month.

11. Binding Agreement. This Agreement shall be binding upon the parties hereto, their heirs, executors, administrators, successors and assigns.

12. Assignment. This Agreement may be assigned only with the prior written consent of the Company.

13. Notice and Payments. If requested by the Supplier in writing, all payments to the Supplier under this Agreement shall be made by wire transfer pursuant to the wire instructions provided by the Supplier to the Company. All notices to the Supplier and the Company which are provided for in this Agreement shall be duly delivered to the post office address as follows:

14. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall in all respects be governed by, and construed in accordance with, the laws of the Commonwealth of Pennsylvania (without regard to the conflict of law principles of such Commonwealth), including all matters of construction, validity and performance. The parties hereto agree that any and all actions, suits or claims with respect to this Agreement shall be brought in a state or federal court located in the State of Pennsylvania or before the Commission, if appropriate. 15. Amendment/Waiver. Provisions of this Agreement shall be changed, waived, discharged or terminated only by an instrument in writing signed by authorized representatives of all parties. Notwithstanding any other provision to the contrary, no waiver by a party of any default of any of the obligations contained in this Agreement to be performed by another party shall be construed as a waiver of any succeeding default or breach of the same, or any other obligation or condition.

16. Headings. All headings contained in this Agreement are for convenience only and shall not, in any way, affect the meaning of any provision hereof.

17. Counterparts. This Agreement may be executed or amended in one or more counterparts, each of which, when so executed and delivered, shall be deemed an original, but all of which together shall constitute one instrument.

18. Signatures. Facsimile signatures of the parties on this instrument and any amendment thereto, shall be legally binding.

19. Invalid or Unenforceable Provisions. If any provision of this Agreement is found by a court of competent jurisdiction to be invalid such provision shall be deemed modified so as to be no longer invalid and, all of the remaining provisions of this Agreement shall remain in full force and effect.

20. Recitals. The recitals set forth in this Agreement are an integral part hereof and shall have the same contractual significance as any other language contained in this Agreement.

21. No Joint Venture. Nothing in this Agreement shall be deemed to constitute a joint venture, partnership, corporation or any other entity taxable as a corporation or otherwise.

22. True Sale. The Company and Supplier have structured this Agreement with the intention that each purchase of Accounts Receivable hereunder be treated as a sale of such Accounts Receivable by Supplier to the Company. In the event that, contrary to the mutual intent of the Company and Supplier, any purchase of Accounts Receivable under the Accounts Receivable Purchase Agreement is not characterized as a sale, Supplier shall, effective as of the date hereof, be deemed to have granted (and the Supplier hereby does grant) to the Company a first priority security interest in all of Supplier's right, title and interest in and to all Accounts Receivable, whether now owned and existing or hereafter acquired or arising, all Related Security and Collections with respect thereto and, to the extent not included in the foregoing, all proceeds of any and all of the foregoing. Supplier acknowledges and agrees that the security interest granted herein attaches at the time of delivery of gas to the Customer.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement this day of \_\_\_\_\_, 20\_\_.

Further, on October 21, 2011, Columbia filed for approval of an amended affiliated interest agreement to the Receivables Purchase Agreement ("RPA"). The amendment was designed to provide the parties to the RPA the flexibility to modify, as part of the annual contract renewal, the monthly maximum limits of receivables that may be sold, subject to the previously approved maximum limit of \$75 million. In addition, Columbia requested the ability to revise the monthly program limits without prior Commission approval. By Secretarial Letter dated January 13, 2012, the Commission approved Columbia's filing as requested. In addition, the Commission ordered that within 30 days of the execution of the annual contract renewal to the RPA, that

Re: Amendment to Affiliated Interest Agreement Between Columbia Gas of  
Pennsylvania, Inc. and Columbia Gas of Pennsylvania Receivables Corporation  
Docket No. G-2017-

Dear Secretary Chiavetta:

Columbia Gas of Pennsylvania, Inc. ("Columbia") proposes to amend the Receivables Purchase Agreement ("RPA") among Columbia Gas, Columbia Gas of Pennsylvania Receivables Corporation ("CPRC") and The Bank of Tokyo – Mitsubishi UFJ, LTD ("Third Party Purchaser"). The amendments are intended to update the RPA to match current market practice and to provide clarity relative to existing operational flexibility.

## **BACKGROUND**

On November 13, 2009, Columbia filed an application pursuant to Chapters 11 and 21 of the Pennsylvania Public Utility Code requesting: (a) approval of the sale of accounts receivable to a then to be created wholly-owned subsidiary, CPRC; (b) the approval of Columbia to acquire all of the capital stock of CPRC; and (c) the approval of the affiliated interest agreements related to the sale of accounts receivable to CPRC. By Order entered on February 25, 2010, the Commission approved Columbia's sale of accounts receivable to CPRC, the acquisition by Columbia of all the capital stock of CPRC and the related affiliated transactions and issued certificates of public convenience evidencing such approvals.

On April 7, 2010, consistent with the Commission's February 25, 2010 Order approving its Application, Columbia filed a letter informing the Commission that Columbia had acquired all the capital stock of CPRC and provided the Commission with copies of the executed Receivable Sales Agreement ("RSA") for the sale of Columbia's accounts receivables to CPRC and the RPA by which CPRC funded its purchase the accounts receivable through the sale of undivided fractional ownership interests in Columbia's accounts receivables to unaffiliated parties. Columbia is a party to the RPA due to its

responsibilities as servicer for collection of receivables. Further, Columbia filed a copy of the executed Administrative Service Agreement under which Columbia performs record keeping and cash collection functions for the accounts receivable sold to CPRC.

On October 21, 2011, Columbia requested Commission authority to modify the seasonal capacity limits in the RPA, subject to filing the updated program limits as part of the annual renewal process. The Commission granted Columbia's request by Secretarial Letter issued on January 13, 2012. In addition, the Commission stated that Columbia must file any further amendments associated with the financing of Columbia's accounts receivables for approval. Columbia intends to again extend the RPA for an additional 364 days.

### **DESCRIPTION OF PROPOSED AMENDMENTS**

The proposed amendments are set forth in the attached Seventh Amendment to the RPA, and are described below:

1. Section 1.01 –
  - a. The definition of "Eurodollar Rate" contained in Section 1.01 will be amended to reflect current market practice in identifying the source of the London interbank offered rate. In keeping with current market practice, the definition clarifies that if such rate is below zero, the rate will be deemed to be zero.
  - b. The definition of "Program Limit" contained in Section 1.01 of the RPA, and related Schedule I, will be amended to reflect new seasonal funding limits. The Commission previously authorized annual changes to the Program Limits by the Order at G-2011-2268697.
  - c. The definition of "Scheduled Commitment Termination Date" contained in Section 1.01 of the RPA will be amended to extend the agreement by 364 days.
2. Section 2.13 – New Section 2.13 of the RPA, and related Schedule K, will specifically permit reductions of Aggregate Capital from the Third Party Purchaser. While Columbia, CPRC and the Third Party Purchaser believe that the existing RPA currently permits such reductions, the parties would prefer if the agreement was more specific on this point. On the occasions where drawing the maximum permitted Aggregate Capital is not necessary, this will permit reductions that will reduce the costs of operating the facility.
3. Section 6.02(g) – The proposed amendment will result in moving up monthly reporting by one business day.

Columbia seeks Commission approval of these amendments to the RPA. The proposed revisions will not impact the current operation of the RPA and may result in increased efficiencies in the administration of the agreement.

Based upon the Commission's 2012 Secretarial Letter, Columbia respectfully requests that the Pennsylvania Public Utility Commission approve, pursuant to Section 2102 of

Rosemary Chiavetta, Secretary  
February 15, 2017  
Page 2

the Public Utility Code, 66 Pa. C.S. § 2012, the above-described amendment to the affiliated interest agreement with Columbia Gas of Pennsylvania Receivables Corporation prior to the scheduled **March 8, 2013** commitment date.

A. ALL UTILITIES

23. Describe costs relative to leasing equipment, computer rentals, and office space, including terms and conditions of the lease. State the method of calculating monthly or annual payments.

Response:

Description of Terms and Conditions

Columbia's lease agreements depicted on page 3 of this exhibit fall into the categories of office and service space rental, motor vehicle rental, general tools, and communication equipment. Because the terms vary by the nature and type of property leased, the following descriptions highlight typical conditions which may be found in lease agreements for that specific type of lease property. Of course, even within categories the specific terms and conditions are subject to variation from agreement to agreement.

Office and Service Space Rental

Each such agreement particularly describes the premises to be leased. Typically, the annual rental is due in equal monthly installments payable on the first day of the month. The lessee specifically agrees to use the demised premises for its intended use (typically office and commercial purposes) except with the express written consent of the lessor to use the building for other purposes. It is the lessee's responsibility to pay all real estate taxes and assessments levied against the demised premises during the term of the lease, either directly to the taxing authority or to the landlord as part of operating expense. The lessee further agrees to carry general commercial liability insurance during the lease term. The assignment or subletting of the demised premises is subject to the written consent of the lessor, which consent is to be reasonably granted. The lessee agrees to indemnify the lessor against liability for damages including reasonable attorneys' fees occasioned by damage or losses to the lessor, its employees or third persons resulting from lessee's act, omission or negligence, but excluding damage or loss caused by the negligence of the lessor. It is the responsibility of the lessor to maintain the roof and exterior, structural walls, and sewage system of the demised premises in good condition. It is the responsibility of the lessee to maintain the interior of the building, ordinary wear and tear excepted, except where interior maintenance is included as part of the operating expenses, which are paid by the lessee in addition to rent. The lessee is permitted to make improvements and alterations to the premises in a workmanlike manner, without impairing the structural soundness of the existing building or improvements. These lease agreements contain a covenant on the part of the lessor permitting the lessee the quiet enjoyment of the demised premises without disturbance during the lease term.

Motor Vehicle Leases/Licensed General Tool Lease

Columbia leases motor vehicles from Peterson, Howell, and Heather, Inc. (PHH) and Automotive Rentals Inc. (ARI). The lease term commences on the date each unit is physically delivered to lessee. Upon the expiration of the initial term, the lessee may renew the lease from month to month subject to termination upon 30 days written notice to the lessor. The rental payment is calculated on the basis of an equal monthly share of the base price over the life of the lease term plus a monthly lease service charge. Each unit is to be purchased at the best procurable market price, subject to the prior approval of the lessee. Upon surrender of a leased unit to the lessor, within 30 days the unit will be sold at the best price obtainable. If the sale price exceeds the unit's amortized value, lessee is entitled to the excess. If the sale price results in a deficiency below the amortized value, that deficiency is paid to the lessor by the lessee. Lessee is obligated to maintain and service each unit in good condition, ordinary wear and tear excepted.

Telecommunication

Communication Equipment consists of radio site leases and dedicated telephone line rentals.

Columbia leases radio sites for the location of radio transmitting equipment. These site leases generally include the right to install an antenna on an existing structure (water tower, commercial radio tower, etc.) and either the right to install the actual transmitting equipment in an existing communications building or the right to erect a small radio transmitter building near the base of the structure.

Columbia rents dedicated telephone lines from NiSource Corporate Services and communication Lines S/T are leased from Columbia Network Services on a month to month basis.

34. List and explain all non-recurring, abnormal or extraordinary expenses incurred in the test year which will not be present in future years.

Response: Material non-recurring, abnormal or extraordinary expenses incurred in the test year are recorded as Miscellaneous Deductions and reflected "below the line" in the caption Other Income.

35. List and explain all expenses included in the test year which do not occur yearly but are of a nature that they do occur over an extended period of years. (e.g. - Non-yearly maintenance programs, etc.)

Response: See Exhibit No. 4, Schedule No. 2 for detail of expense adjustments.

36. Using the adjusted year's expenses under present rates as a base, give detail necessary for clarification of all expense adjustments. Give clarifying detail for any such adjustments that occur due to changes in accounting procedure, such as charging a particular expense to a different account than was used previously. Explain any extraordinary declines in expense due to such change of account use.

Response: See Exhibit No. 4, Schedule No. 2 for detail of expense adjustments.

37. Indicate the expenses that are recorded in the test year, which are due to the placement in operating service of major plant additions or the removal of major plant from operating service, and estimate the expense that will be incurred on a full-year's operation.

Response: No expenses were recorded on the books of Columbia related to placement of major plant additions in, or removal of, major plant additions to/from operating service other than Columbia's continuation of its accelerated investment in cast iron and unprotected steel mains replacement.

A. ALL UTILITIES

38. Submit a statement of past and anticipated changes, since the previous rate case, in major accounting procedures.

Response:

Since the previous rate case, the company has implemented new standards for accounting and financial reporting for leases. Effective January 1, 2019 NiSource, including CPA, adopted the provisions of Accounting Standards Codification (“ASC”) 842 and as such results for reporting periods beginning after January 1, 2019 are presented under ASC 842, while prior period amounts continue to be reported in accordance with ASC 840. Adoption of the new standard resulted in the recording of additional lease assets and liabilities on the CPA balance sheet as of January 1, 2019. The standard had no material impact on the CPA Statement of Income or Cash Flow.

This change in accounting procedure has no impact to rate base and costs associated with leases will continue to be recovered through O&M expense.

Additionally, on December 20, 2019 the Federal Energy Regulatory Commission (“FERC”) issued an update to ASC 350-40 regarding the accounting for costs incurred to implement a cloud computing arrangement. Effective January 1, 2020 NiSource, including CPA, reflected the update to align cloud computing with the guidance on capitalizing costs associated with developing or obtaining internal-use software. Adoption of the updated standard resulted in capitalized implementation costs reported on the balance sheet as a prepayment of the service fees for the cloud computing arrangements. These costs are included as a component of rate base. The related amortization expense is reported on the income statement along with the expense for the service fees to be recovered through O&M expense.

No additional changes in major accounting procedure are anticipated in the foreseeable future.
