Operational/Managerial Expertise

Powervine was formed in May 2017 by an elite group of industry experts with extensive experience in energy risk management, power and natural gas purchasing and trading, finance, operations, sales, regulatory affairs and customer service. Recent management changes include the same caliber of industry experts as follows:

Pradeep Tiwari – CEO

Mr. Pradeep Tiwari career spans 22 years and 16 of these were focused on corporate strategy, business development, revenue growth, operational efficiency, policy & government affairs, and public affairs gaining deep insight into competitive wholesale and retail electricity and gas markets. Pradeep keeps a keen interest in global economics and world affairs. He is a 16-year veteran of the retail energy industry, most recently serving as Sr. Vice President at Crius Energy as of August 2019. Mr. Tiwari was a key member of the Senior Management Team responsible for the Company's critical and successful M&A strategies and customer integrations. Prior to Crius Energy, Mr. Tiwari was recognized as a successful executive holding held key positions at some of the industry's top energy companies including Exelon/Constellation and MX Energy.

Anthony Gregory – Director of Operations

Mr. Gregory has over 33 years of operational management experience with a focus in Information Technology developing systems and business processes that improve the customer experience and company's operational efficiencies. Most recently, Mr. Gregory served as Vice President at Crius Energy managing teams supporting Sales, Operations, Accounting and Finance. Responsibilities crossed all disciplines including project management, solution delivery, operations and support. Mr. Gregory was a key senior management team member that contributed to Crius' growth. Prior to Crius Energy, Mr. Gregory had a long distinguished and successful career with many multi-national companies with experience and responsibilities includes system conversions, budget management, process manufacturing, information technology management, application development, project management, infrastructure, operations and support center.

Myron Cybyk, CPA, CFO

Mr. Cybyk is a Certified Public Accountant with over 23 years' experience in various senior financial roles, working for companies in diverse business sectors holding key roles as Chief Financial Officer, Senior Analyst and Senior Auditor. Mr. Cybyk has led multiple companies in their growth and financial well-being. During his corporate Finance career, he has created financial, accounting, operational, and HR systems that helped companies be more efficient and profitable. Prior to various financial consulting roles for a handful of retail energy companies, Mr. Cybyk has extensive experience in the manufacturing supporting the automotive and steel industries as well as CFO of various distressed companies involved in manufacturing, turn-around consulting, trouble debt restructuring, and mergers and acquisitions.

Jessica Evans – Director of Compliance & Customer Care

Jessica Evans has over eleven years of experience in working with retail electric and natural gas suppliers, Utilities and CIS billing vendors. Jessica began her career working with a startup retailer that quickly grew to have one of the largest U.S. footprints of its time, which eventually led her to co-founding a consulting company that solely focused on the operational aspects of the industry. Throughout consulting she held various roles within companies from advising them through licensing to production, launching new markets as a supplier or vendor, negotiating PUC penalties, or compliance and operations auditor. Jessica was on the executive committee of NEM for many years. Jessica is currently the Direction of Compliance & Customer Care for Powervine Energy.
