ATTACHMENT VI TECHNICAL FITNESS

Tenaska Power Management, LLC (“TPM”) has contracted with Tenaska, Inc. (“Tenaska”) to provide market support, interface with the ISO, as well as settlement, contracts, accounting and computer services. The following key TPM personnel will provide services in their designated areas of responsibility, will supervise personnel reporting to them in their respective areas to ensure provision of services, and will be responsible for managing the contract relationship with Tenaska for their respective functions to coordinate the provision of services.

Curry Aldridge

Curry Aldridge is the Senior Vice President of Origination and Commercial Operations of TPM. Curry, based in Texas, is responsible for managing Tenaska’s origination team as well as several of the back office operations of the business. These back office duties include managing the settlements, process integrity, contracts, and strategic technology departments. Curry was promoted to Vice President of Origination in February 2013 and Senior Vice President of Origination in January 2020.

Curry Aldridge joined Tenaska in February 2000. During his time at Tenaska, Curry Aldridge worked on the 24-hour Real-time Trading/Scheduling desk for three years where he was responsible for trading and scheduling activities in multiple markets. In February 2003, Curry began working in Tenaska’s Origination group focusing on the ERCOT market where he was responsible for signing long-term marketing and energy management structured transactions with both wholesale and retail third parties. During this time, Curry held the proxy vote for Tenaska on the Retail Market Subcommittee in 2003-2004 and served as the Independent Power Marketer segment member in 2005. He was also a NERC-certified System Operator from 2003-2008.

In 2007, Curry shifted his origination efforts to the PJM market where he started retail business activities in that market, as well as expanding the existing wholesale energy management business. In August 2008, he transitioned over and began managing Tenaska’s energy management business. Responsibilities in this role involved the day-to-day management of Tenaska’s scheduling, management and optimization activities for energy management customers in the ERCOT, MISO, PJM, SERC and SPP power markets. These duties include directing the incorporation of new energy management customers into Tenaska’s energy management programs and coordinating internally between Tenaska’s operations, trading, origination, settlements, accounting, risk management, and information technology groups. From 2010-2011, Curry served as Tenaska’s representative on the ERCOT Wholesale Market Subcommittee as the Independent Power Marketer segment member. During this time in energy management, Curry also was responsible for managing ERCOT Nodal implementation efforts as well as managing EMS/SCADA operations.

Curry Aldridge holds a Bachelor of Business Administration degree in Marketing from Abilene Christian University in Abilene, Texas.

Eli Worley

Eli Worley serves as the Settlements Director for TPM. Eli, based in Texas, is responsible for day-to-day settlement activities in all US centrally cleared power markets. Ms. Worley has over 17 years of deregulated energy markets experience.

Prior to joining Tenaska, Eli was Manager of Information Technology for a Texas Retail Electric Provider and Transmission and Distribution Provider. She was responsible for development, implementation and maintenance of electronic utility billing and established the process and tools to reconcile Retail Data Extract Variances for both Retail, and Transmission Distribution companies.

Ms. Worley is active in Settlement User market stakeholder meetings. She has participated in multiple Market Stakeholder working groups and committees and she served as the Project Manager for the implementation of the ERCOT Nodal market.

James Lunday

James Lunday serves as the Controller for TPM. James, based in Texas, is responsible for all accounting functions, including customer billing, accounts receivable and payable, and financial reporting. He has over 12 years of accounting management experience, including the past 8 years in the electricity industry.

James joined Tenaska in 2011 coming from TXU Energy where he was responsible for financial reporting for the retail electricity business. James previously held multiple other accounting positions in non-energy industries during his career.

James is a Certified Public Accountant and a Certified Global Management Accountant with active CPA licenses in the States of Texas and Oklahoma. He is a member of the American Institute of Certified Public Accountants and the Oklahoma and Texas state-level CPA organizations. He earned a Bachelor of Science in Business Administration, majoring in accounting, from Missouri Southern State University and an MBA at Texas Christian University.

John P. Swope, CFA

John Swope serves as the Director of Origination for the Northeastern Region of the US for TPM. John, based in Pennsylvania, is an employee to Tenaska, Inc., providing services to TPM under a contract between TPM and Tenaska, Inc. He is responsible for the Origination/Marketing function involving generators, municipals, utilities, marketers and load serving entities in these markets.

Prior to joining Tenaska in January 2015, John worked at Pennsylvania Power and Light Co. for 7 years. As a Senior Originator there, he managed a multi-thousand MW Load Portfolio across 3 ISOs. Prior to that, John held commercial positions in energy, banking and risk management in several major Fortune 500 companies.

John served as a U.S. Navy Nuclear Submarine Officer from 1990 to 1995, and is certified as a Nuclear Engineer by the Department of Energy. John earned a Bachelor of Science degree in Physics from Georgetown University in 1990, and an MBA from the MIT Sloan School of Management in 1999. John was awarded the Chartered Financial Analyst charter in 2006.
