RE: Verde Energy USA Inc. Annual Report Filing Pursuant to 52 PA Code §62.110 - 2019 Calendar Year

Dear Ms. Chiavetta,

Licensees are required to report an annual report to the Commission pursuant to 52 PA Code §62.110. Please find enclosed two copies of the report with confidential data expurgated and two copies of the unexpurgated report.

In accordance with established Commission procedures under 52 Pa. Code § 5.423, Verde Energy USA Inc. ("Verde") requests confidential treatment of its reported total revenues from the sales of natural gas and total amounts of natural gas sold. Verde requests that this information be treated as confidential for it constitutes highly sensitive and confidential business information that should be maintained and treated as confidential in the Commission's files and exempt from public disclosure. This is sensitive commercial and financial trade secret information concerning Verde's business, the disclosure of which would cause substantial harm to Verde and disadvantage it with respect to its competitors. Public disclosure would impair Verde's ability to respond competitively to opportunities in the marketplace and would place Verde at a competitive disadvantage.

Please contact me if you have any questions or need any further information.

Respectfully submitted,

Martha Lopez
