RE: Titan Gas, LLC d/b/a Titan Gas and Power
Application for License Name Change | Addition of Fictitious Names
PA PUC Docket No. A-~~2018-2642219~~ (Additional Territory Docket #)
A-2008-2054272 (Original Application Docket #)

Ms. Chiavetta:

The filing attached to this letter is a re-filing of the Name Change Application which was rejected on May 5, 2020 for non-payment of the filing fee. After communication with your office, I was informed that your e-Filing system does not currently generate the option for users to pay the filing fee for name change requests. I was advised as a workaround to re-file the application, which I am hereby doing, under the document type "Application for License" in order to get access to the payment option to pay the filing fee associated with an application for license name change.

RE: Titan Gas, LLC d/b/a Titan Gas and Power
Application for License Name Change | Addition of Fictitious Names
PA PUC Docket No. A-2018-2642219 (Additional territory docket #)
A-2008-2054272 (Application Docket #)

Ms. Chiavetta:

Pursuant to 52 Pa. Code § 62.105(a), and the instructions set forth in the Pennsylvania Public Utility Commission's ("Commission") *Application for License Name Change-Checklist (NGS)(Revised January 23, 2020)(“Checklist”)*, Titan Gas, LLC d/b/a Titan Gas and Power ("Titan Gas"), a licensed Pennsylvania NGS
Docket # A-2008-2054272 (Docket No: A-2018-2642219), hereby requests that the name on its NGS license be amended to reflect the addition of the following fictitious names:

CleanSky Energy
Clean Sky Energy

Assuming the requested application for a name change is approved, the new name on the NGS license would be:

Titan Gas LLC d/b/a Titan Gas and Power d/b/a CleanSky Energy d/b/a Clean Sky Energy

There are no changes at this time to the existing Titan Gas contact, email and website information.

Titan Gas, LLC is not currently conducting any sales or marketing activity in the Commonwealth of Pennsylvania under either of these additional fictitious names. Our current plans include marketing to potential new customers under the "CleanSky Energy" name.

Our current plans also include transitioning customers served under the "Titan Gas and Power" name to the "CleanSky Energy" name. We do not have a date yet for this transition. However, pursuant to Item 3 in the Checklist, we will provide our existing customers with notice of the name change at least 30-days prior to the documented name change date. The notice will contain the new name and all relevant

contact information. We may make further refinements to this letter as we get closer to mailing. A copy of the current draft notice to customers is attached as Exhibit A

We will also alert the Commission's Bureau of Consumer Services at least 30-days prior to the documented name change date and provide the Consumer Services Bureau with a copy of the customer notification letter mailed to our customers so that the Commission's customer service representatives have the information they need if asked by customers about the change in names.

Pursuant to Checklist Item 4, we have served the application for a license name change (non-confidential documents only) on the five statutory agencies and all natural gas distribution companies in which Titan Gas is licensed to operate. Exhibit B contains our signed Certificate of Service as proof of service.

Pursuant to Checklist Item 5, the \$350 filing fee will be made by credit card with the filing.

Pursuant to Checklist Item 6, copies of the registration documentation for the two additional fictitious names can be found in Exhibit C.

Checklist Items 7 is not applicable to this filing. Titan Gas LLC is not changing its actual (non-fictitious) name.

Pursuant to Item 8, Titan Gas, LLC will maintain financial security compliance for the duration of the license name change process.
