7. FINANCIAL FITNESS

- a. **BONDING:** In accordance with 66 Pa. C.S. Section 2809(c)(1)(i), the Applicant is required to file a bond or other instrument to ensure its financial responsibilities and obligations as an EGS. Therefore, the Applicant is...

- Furnishing the **ORIGINAL** of an initial bond, letter of credit or proof of bonding to the Commission in the amount of \$250,000.
- Furnishing the **ORIGINAL** of another initial security for Commission approval, to ensure financial responsibility, such as a parental guarantee, in the amount of \$250,000.
- For Marketers and Brokers** - Filing for a modification to the \$250,000 requirement and furnishing the **ORIGINAL** of an initial bond, letter of credit or proof of bonding to the Commission in the amount of \$10,000. Applicant is required to provide information supporting an amount less than \$250,000. Such supporting information must include indication that the Applicant will not take title to electricity and will not pay electricity bills on behalf of its customers. Further details for modification may be described as well.

CRITICAL BONDING NOTES:

Applicant is required to maintain a bond or other financial instrument the entire time it maintains an EGS license with the Commonwealth of Pennsylvania. If Applicant's security instrument is not continuous, Applicant **MUST** submit a Rider, Amendment, or Continuation Certificate annually based on the expiration date of its security instrument.

At least sixty days (60) prior to the security instrument's expiration date, Applicant should contact Stephen Jakab at sjakab@pa.gov to determine the appropriate bonding amount based on a percentage of Applicant's gross receipts resulting from the sale of generated electricity consumed in Pennsylvania. Once the amount has been determined, Applicant should overnight the updated security instrument(s) at least thirty (30) days prior to the expiration date to ensure adequate time for staff review and approval of the security instrument(s).

Template versions of a continuous bond, fixed-term bond, continuous letter of credit, and parental guarantee are attached at Appendix E, F, G, & H, respectively. Applicant's security must follow language from these examples, and must include the unmodified language outlined in Appendix D. Any deviation from these examples must be identified in the application and may not be acceptable to the Commission.

- b. **FINANCIAL RECORDS, STATEMENTS, AND RATINGS:** Applicant must provide sufficient information to demonstrate financial fitness commensurate with the service proposed to be provided. Examples of such information which may be submitted include the following:

Please see Exhibit 4 for additional information regarding financial fitness of Applicant

- f. **TAXATION:** Complete the TAX CERTIFICATION STATEMENT attached as Appendix I to this application.

All sections of the Tax Certification Statement must be completed. Absence (submitting N/A) of any of the TAX identifications numbers (items 7A through 7C) shall be accompanied by supporting documentation or an explanation validating the absence of such information.

Items 7A and 7C on the Tax Certification Statement are designated by the Pennsylvania Department of Revenue. Item 7B on the Tax Certification Statement is designated by the Internal Revenue Service.

8. TECHNICAL FITNESS:

To ensure that the present quality and availability of service provided by electric utilities does not deteriorate, the Applicant shall provide sufficient information to demonstrate technical fitness commensurate with the service proposed to be provided.

a. **EXPERIENCE, PLAN, STRUCTURE:** such information may include:

- Applicant's previous experience in the electricity industry.
- Summary and proof of licenses as a supplier of electric services in other states or jurisdictions.
- Type of customers and number of customers Applicant currently serves in other jurisdictions.
- Staffing structure and numbers as well as employee training commitments.
- Business plans for operations within the Commonwealth.
- Documentation of membership in PJM, ECAR, MAAC, other regional reliability councils, or any other membership or certification that is deemed appropriate to justify competency to operate as an EGS within the Commonwealth.
- Any other information appropriate to ensure the technical capabilities of the Applicant.

Please see Exhibit 5 for applicants relevant experience, plan, and structure to demonstrate technical fitness to perform services proposed within Commonwealth of Pennsylvania.

b. **PROPOSED MARKETING METHOD** (*check all that apply*)

- Internal – Applicant will use its own internal resources/employees for marketing
- External EGS – Applicant will contract with a PUC **LICENSED EGS** broker/marketer
- Affiliate – Applicant will use a **NON-EGS** affiliate marketing company and or individuals.
- External Third-Party – Applicant will contract with a **NON-EGS** third party marketing company and or individuals
- Other (Describe):

c. **DOOR TO DOOR SALES:** Will the Applicant be implementing door to door sales activities?

- No

If yes, will the Applicant be using verification procedures?

- Yes
- No

If yes, describe the Applicant's verification procedures.

d. **OVERSIGHT OF MARKETING:** Explain all methods Applicant will use to ensure all marketing is performed in an ethical manner, for both employees and subcontractors.

Applicant will use extreme caution and care and ensure all marketing is ethical and accurate. Applicants officer will be only person providing collateral to customers. Previous experience will ensure accuracy and ethical marketing practices.

e. **OFFICERS:** Identify Applicant's chief officers, and include the professional resumes for any officers directly responsible for operations. All resumes should include date ranges and job descriptions containing actual work experience.

Eric Hutchins- President

Exhibit 6 is resume of officer who is directly responsible for operations

f. **FERC FILING:** Applicant has:

- Filed an Application with the Federal Energy Regulatory Commission to be a Power Marketer.
- Received approval from FERC to be a Power Marketer at Docket or Case Number _____.
- Not applicable

9. DISCLOSURE STATEMENTS:

Disclosure Statements: If proposing to serve Residential and/or Small Commercial (under 25 kW) Customers, provide a Residential and/or Small Commercial disclosure statement. A sample disclosure statement is provided as Appendix J to this Application.

- Electricity should be priced in clearly stated terms to the extent possible. Common definitions should be used. All consumer contracts or sales agreements should be written in plain language with any exclusions, exceptions, add-ons, package offers, limited time offers or other deadlines prominently communicated. Penalties and procedures for ending contracts should be clearly communicated.

Not applicable for an applicant applying for a license exclusively as a broker/marketer.

10. VERIFICATIONS, ACKNOWLEDGEMENTS, AND AGREEMENTS

a. **PJM LOAD SERVING ENTITY REQUIREMENT:** As a prospective EGS, the applicant understands that those EGSs which provide retail electric supply service (i.e. takes title to electricity) must provide either:

- proof of registration as a PJM Load Serving Entity (LSE), or
- proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

The Applicant understands that compliance with this requirement must be filed within 120 days of the Applicant receiving a license. As well, the Applicant understands that compliance with this requirement may be filed with this instant application.

- AGREED - Applicant has included compliance with this requirement in the instant application, labeled in correspondence with this section (10).
- AGREED - Applicant will provide compliance with this requirement within 120 days of receiving its license
- ACKNOWLEDGED - Applicant is not proposing to provide retail electric supply service at this time, and therefore is not presently obligated to provide such information

b. **STANDARDS OF CONDUCT AND DISCLOSURE:** As a condition of receiving a license, Applicant agrees to conform to any Uniform Standards of Conduct and Disclosure as set forth by the Commission. Further, the Applicant agrees that it must comply with and ensure that its employees, agents, representatives, and independent contractors comply with the standards of conduct and disclosure set out in Commission regulations at 52 Pa. Code § 54.43, as well as any future amendments.

AGREED

c. **REPORTING REQUIREMENTS:** Applicant agrees to provide the following information to the Commission or the Department of Revenue, as appropriate:

- Retail Electricity Choice Activity Reports: The regulations at 52 Pa. Code §§ 54.201--54.204 require that all active EGSs report sales activity information. An EGS will file an annual report reporting for customer groups defined by annual usage. Reports must be filed using the appropriate report form that may be obtained from the PUC's Secretary's Bureau or the forms officer, or may be down-loaded from the PUC's internet web site.
- Reports of Gross Receipts: Applicant shall report its Pennsylvania intrastate gross receipts to the Commission on a quarterly and year to date basis no later than 30 days following the end of the quarter.
- The Treasurer or other appropriate officer of Applicant shall transmit to the Department of Revenue by March 15, an annual report, and under oath or affirmation, of the amount of gross receipts received by Applicant during the prior calendar year.
- Net Metering Reports: Applicant shall be responsible to report any Net Metering per the Standards on http://www.puc.pa.gov/consumer_info/electricity/alternative_energy.aspx. Scroll down to the Net Metering Standards Section.
- Applicant shall report to the Commission the percentages of total electricity supplied by each fuel source on an annual basis per 52 Pa. Code § 54.39(d).
- Applicant will be required to meet periodic reporting requirements as may be issued by the Commission to fulfill the Commission's duty under Chapter 28 pertaining to reliability and to inform the Governor and Legislature of the progress of the transition to a fully competitive electric market.

AGREED

d. **TRANSFER OF LICENSE:** The Applicant understands that if it plans to transfer its license to another entity, it is required to request authority from the Commission for permission prior to transferring the license. See 66 Pa. C.S. Section 2809(D). Transferee will be required to file the appropriate licensing application.

- e. **ANNUAL FEES:** The Public Utility Code authorizes the PUC to collect an annual fee of \$350 from suppliers, brokers, marketers, and aggregators selling electricity in the Commonwealth of PA, and an annual supplemental fee based on annual gross intrastate revenues, applicable to suppliers only.

ACKNOWLEDGED

- f. **FURTHER DEVELOPMENTS:** Applicant is under a continuing obligation to amend its application if substantial changes occur to the information upon which the Commission relied in approving the original filing. See 52 Pa. Code § 54.34.

AGREED

- g. **FALSIFICATION:** The Applicant understands that the making of false statement(s) herein may be grounds for denying the Application or, if later discovered, for revoking any authority granted pursuant to the Application. This Application is subject to 18 Pa. C.S. §§4903 and 4904, relating to perjury and falsification in official matters.

AGREED

- h. **NOTIFICATION OF CHANGE:** If your answer to any of these items changes during the pendency of your application or if the information relative to any item herein changes while you are operating within the Commonwealth of Pennsylvania, you are under a duty to so inform the Commission, within twenty (20) days, as to the specifics of any changes which have a significant impact on the conduct of business in Pennsylvania. See 52 Pa. Code § 54.34.

AGREED

- i. **CEASING OF OPERATIONS:** Applicant is also required to officially notify the Commission if it plans to cease doing business in Pennsylvania, 90 days prior to ceasing operations.

AGREED

- j. **Electronic Data Interchange:** The Applicant acknowledges the Electronic Data Interchange (EDI) requirements and the relevant contacts for each EDC, as listed at Appendix M.

AGREED

- k. **FILING FEE:** The Applicant has enclosed or paid the required, non-refundable filing fee by **CERTIFIED CHECK OR MONEY ORDER** in the amount of \$350.00 payable to the Commonwealth of Pennsylvania. The Commission does not accept corporate or personal checks for filing fees.

PAYMENT ENCLOSED

11. AFFIDAVITS

Must be notarized before filing.

- a. **APPLICATION AFFIDAVIT:** Complete and submit with your filing an officially notarized Application Affidavit stating that all the information submitted in this application is truthful and correct. An example copy of this Affidavit can be found at Appendix A.
- b. **OPERATIONS AFFIDAVIT:** Provide an officially notarized affidavit stating that you will adhere to the reliability protocols of the North American Electric Reliability Council, the appropriate regional reliability council(s), and the Commission, and that you agree to comply with the operational requirements of the control area(s) within which you provide retail service. An example copy of this Affidavit can be found at Appendix B.

12. NEWSPAPER PUBLICATIONS

Required of ALL Applicants regardless of operating as a supplier, broker, marketer, or aggregator.

Notice of filing of this Application must be published in newspapers of general circulation covering each county in which the applicant intends to provide service. The newspapers in which proof of publication are required is dependent on the service territories the applicant is proposing to serve.

The chart below dictates which newspapers are necessary for each EDC. For example, an applicant that wants to operate in Penn Power would need to run ads in both The Erie Times-News and the Pittsburgh Post-Gazette. If the applicant is proposing to serve the entire Commonwealth, please file proof of publication in all seven newspapers.

The only acceptable verification of this requirement is with Notarized Proofs of Publication, which may be requested from each newspaper and must be supplied with this application. Applicants do not need a docket number in their publication. Docket numbers will be issued when all criteria on the Item 14 checklist (see below) are satisfied.

Exhibit 5- Technical Fitness, Experience, Plan and Structure:

Inertia Energy Advisors was founded in 2012 by a seasoned energy professional. Been providing customized energy solutions for commercial and industrial, while helping navigate the complexities of energy industry. Have over 10 years experience servicing customers through RES and broker channels.

Experience:

Mr. Hutchins joined the energy business in 2009, developing an understanding of business from the supply side and helping customers understand all aspects of energy buying process. Only after 5 years of learning the many intricacies of energy, a decision was made to establish Inertia Energy Advisors as a way to provide a broader energy management platform.

- Inertia Energy currently serves over 50 commercial and industrial customers with various locations in de-regulated markets.
- States we currently serve loads are; IL, OH, NJ, DC, MD, TX, MI, IN, KS, CT, CA, and Canada.

Structure and Plan:

Inertia Energy Advisors Principal is only contributor to business and fully understands the importance of education, transparency, and communication with our clients on a regular basis. Our plan is to provide detailed offers from different suppliers, highlighting the similarities and differences in programs. We also plan to review all contracts and make customers aware of risks, while encouraging them to have internal legal counsel review and redline. The utility, or third party suppliers will handle all billing, but it will be the responsibility of Inertia Energy Advisors to make sure it's correct and help resolve any issues that arise. Complaints will also be taken very seriously, all clients will have direct phone number of Inertia Energy Advisors Principal to discuss and resolve matters.

Proven talent for recruiting, cultivating and retaining top performers. Passion for creating strategic systems and processes that maximize efficiency and enhance bottom line results.

Professional Experience

Inertia Energy Advisors LLC, Headquarters – Western Springs, IL 03/ 2014 - Current
President

Owner of Energy consulting firm utilizing over 18 years of experience in sales and marketing. Currently helping companies achieve corporate initiatives, specializing in customized energy management solutions.

Notable Achievements

Established Managed buying Strategy: Developed a hedging strategy where companies take advantage index market, while layering fixed purchases when market opportunities present.

Developed Nationwide Energy Efficient Program: Identified "other" energy strategies to reduce overall demand and costs for QSR client.

IGS ENERGY, Headquarters – Columbus, OH 08/ 2010 - 3/2014
Senior Sales Manager

America's largest independent retail supplier of natural gas and electricity. My job function was to create marketing strategies, develop sales processes, analyze markets, business development, account management, coordination with internal IGS departments, all while managing a sales team.

Notable Achievements

Executed a national contract: Developed a risk management strategy for a top restaurant chain. Helped with contract negotiation and executed their first ever contract for natural gas supply.

Achieved 160% of budget: Exceeded budget in first 12 months of employment. Utilized my product knowledge, analytical skills, and consultative approach to build strong relationships with clients.

DIRECT ENERGY BUSINESS, Headquarters – Pittsburgh, PA

08/ 2009 - 08/2010

Business Development Manager

Multi- billion dollar wholly owned subsidiary of Centrica. My role was managing customer relationships, qualifying and initiating new prospects, performance sales calls / visits, developing and writing proposals and responses, contract negotiation, assess the energy savings potential for prospect facilities and to develop a list of energy improvements.

Notable Achievements

Established new territory: Took over a low revenue producing territory, developed an active pipeline and increased the gross margin by \$4 million within 6 months.

New customer impact: My innovative pipeline and strategy pushed me to the #2 ranking out of 6 in garnered new business for the company, and secured customer renewal.

EQUIFIRST CORPORATION, Headquarters - Charlotte, NC

04/2002 – 04/2009

Regional Sales Manager

Multi-million dollar wholly owned subsidiary of Barclays Capital. During tenure with company, managed 800 clients in 20 states and up to 20 outside sales representatives. Managed P&L budget ranging from \$8M to \$13M.

Notable Achievements

Achieved \$4 million a month in sales: Established a National Accounts program that produced greater than \$4 million a month in first 6 months. Prospected, closed and implemented program including development of joint marketing plan and collaborating with IT to integrate program participant databases with EquiFirst.

Achieved 130% of budget: Exceeded budget in first 12 months of employment and positioned team as the #1 region in the company. Developed existing sales force, recruited, hired and trained new representatives.

Increased sales 42% within 60 days: Took over underperforming territory. Developed, implemented and monitored new processes that enhanced sales efficiency and effectiveness.

Increased sales 40% within 30 days for brand new product and maintained highest initial conversion and pull through of any region: Company shut down for 3 months to prepare and train for brand new product line. During down period initiated weekly calls to train, present ideas, organize, and build excitement for the launch date. Made calls in advance of launch date to new customer base to understand clients and their needs.

Retained 100% of employees: Worked one-on-one with team members to identify needs and gaps, and worked to create collaborative communications among team. Region became #1 in sales and revenue with zero turnover in team members for 3 years.

Developed organization system that enhanced efficiency and improved sales per representative: Identified industry changes and created daily management system that would improve sales productivity. System drove increased daily sales contacts and decreased sales cycle.
