Application Docket No. 94143

Application of BUCKEYE PIPE LINE COMPANY for approval of the right to begin to offer, render, furnish or supply service by an existing pipeline in the transportation of petroleum and petroleum products, said pipeline extending from a point at or near the City of Pittsburgh, Allegheny County, thence in an eastwardly direction to a point at or near the Borough of Macungie, Lehigh County.

REPORT AND ORDER

BY THE COMMISSION:

This matter being before the Pennsylvania Public Utility Commission upon application of BUCKEYE PIPE LINE COMPANY, dated October 2, 1967, for approval of the right to begin to offer, render, furnish or supply service by an existing pipeline in the transportation of petroleum and petroleum products, said pipeline extending at or near the City of Pittsburgh, Allegheny County, thence in an eastwardly direction to a point at or near the Borough of Macungie, Lehigh County, and having been duly presented in accordance with the rules of the Commission and full investigation of the matters and things involved having been had, the Commission finds and determines that the granting of said application is necessary or proper for the service, accommodation, convenience or safety of the public, and that a certificate of public convenience issue evidencing the Commission's approval thereof;

NOW, to wit, January 22, 1968, IT IS ORDERED: That a certificate of public convenience issue evidencing the Commission's approval of the said application, as above determined.
