OF THE  
COMMONWEALTH OF PENNSYLVANIA

Application Docket No. 1829-1918

In re: Application of **CARNEGIE NATURAL GAS COMPANY** for the approval of an agreement between said company and The Pennsylvania Railroad Company whereby the railroad company grants the gas company the right to construct under its right of way one 36 inch cast steel pipe at a location 1083 feet north of the railroad station, and to construct one concrete culvert over Thomson's Run, in Duquesne borough.

REPORT AND ORDER

BY THE COMMISSION:

This case being before the Commission upon petition of the **CARNEGIE NATURAL GAS COMPANY**, dated March 7th, 1918, for the approval of an agreement between said company and The Pennsylvania Railroad Company, whereby the railroad company grants the gas company the right to construct under its right of way one 36 inch cast steel pipe at a location 1083 feet north of the railroad station, and to construct one concrete culvert over Thomson's Run, in the borough of Duquesne, as more fully described in and under the terms and conditions of said lease, dated February 23rd, 1918; and having been duly heard and submitted by the parties, and due investigation of the matters and things involved having been had, the Commission finds and determines that the granting of said petition is necessary and proper for the service, accommodation, convenience and safety of the public, and that a Certificate of Public Convenience be issued evidencing the Commission's approval thereof:

NOW, to-wit, April 8th, 1918, IT IS ORDERED:  
That a Certificate of Public Convenience be issued evidencing the Commission's approval of the said lease hereto attached.
