Public Utilities Act. :

ORDER

By the Commission:

I. INTRODUCTION

On May 29, 2012, Inertia Energy Advisors, LLC ("Applicant") filed a verified application with the Illinois Commerce Commission ("Commission") requesting a certificate of service authority to operate as an agent, broker, or consultant ("ABC") in Illinois pursuant to Section 16-115C of the Public Utilities Act ("Act"), 220 ILCS 5/1-101 et seq., and 83 Ill. Adm. Code 454, "Licensure of Retail Electric Agents, Brokers and Consultants" ("Part 454"). Applicant requests authority to offer services as an ABC for the procurement or sale of retail electricity supply for third parties in the State of Illinois. The Administrative Law Judge requested additional information and clarification of certain matters contained in the application. Applicant filed a verified response on June 28, 2012. The Administrative Law Judge sought additional information, which Applicant provided in a second verified response on August 10, 2012.

II. REQUIREMENTS FOR ALL APPLICANTS UNDER SECTION 16-115C OF THE ACT

Applicant is a business organized under the laws of Michigan and licensed to transact business in Illinois. Applicant has certified that it will comply with all applicable regulations; that it will comply with informational and reporting requirements established by Commission rule; that it will comply with informational and reporting requirements pursuant to Section 16-115C of the Act; and that it will comply with all other applicable laws, regulations, terms, and conditions required to the extent they have application to the services being offered by an ABC. Applicant has agreed to ensure that any person who acts on its behalf will comply with all applicable sections of Part 454. Applicant agrees that it will remain in compliance with the provisions of the Act and Part 454, and will ensure that authorizations received from customers, and all other applicable records are retained for a period of not less than three calendar years after the calendar year in which they were created. Applicant has agreed to adopt and follow rules and procedures to preserve the confidentiality of its customers' data. Applicant currently provides natural gas procurement in Illinois, Michigan, New York, and Ohio and

electricity procurement in New York and Texas. Applicant reports that no complaints have been filed against it for its provision of any services in the electric or gas industry in any jurisdiction.

III. FINANCIAL, TECHNICAL, AND MANAGERIAL REQUIREMENTS OF SECTION 16-115C

Applicant is required by Section 454.60 to demonstrate that it meets the managerial qualifications necessary to provide services as an ABC. Section 454.60 also requires Applicant to provide an organizational chart that indicates the position of the person(s) which satisfy the managerial qualification. Applicant has demonstrated that it meets the managerial qualifications set forth in Section 454.60 through Attachment A to the application. Attachment A contains the occupational background information of the person being used to meet the requirements of Section 454.60. Applicant did not provide a corporate organizational chart because there is only one employee.

Applicant is required by Section 454.70 to demonstrate that it meets the technical qualifications necessary to provide services as an ABC. Applicant has demonstrated that it meets the technical qualifications set forth in Section 454.70 through the occupational background information provided in Attachment B to its August 10, 2012 filing.

Pursuant to the requirements of Section 454.80 of Part 454, Applicant provided a surety bond in the amount of \$5,000 issued by a qualifying surety authorized to transact business in Illinois. Applicant further agrees to comply with the Code of Conduct for ABCs contained in Section 454.90.

IV. COMMISSION CONCLUSION AND CERTIFICATE OF SERVICE AUTHORITY

The Commission has reviewed the application and attachments along with the supplementary information provided by Applicant regarding the technical, managerial, and financial requirements and all other requirements of the Act and Part 454 and finds that the Applicant sufficiently demonstrates compliance with the requirements. The Commission concludes, therefore, that Applicant's request for a certificate of service authority to operate as an ABC in Illinois should be granted and should include the following authority:
