

Harmon v. PECO C-2020-3019158

Good Evening All,

Unfortunately, I allowed a representative from PECO to cancel my hearing. I initially thought that she was a PUC representative and was working on my behalf to investigate my claims. However, she just set up a payment arrangement that is not conducive to my financial situation, and didn't resolve my initial issue.

Moving forward, I would like to reschedule my hearing. In hopes that the judge can give a fair decision based upon the facts that are presented to him. I do apologize for any misunderstanding this may have caused because I did not do my due diligence, and just accepted the PECO representative arrangement. I'm not in agreement and would like to proceed with a new hearing date. I hope that this email will be indicative of pursuing a new hearing date! If you have any questions or other instructions you wish for me to follow, please feel free to contact me @ (215) 499- 6928. Thanks, for your time regarding this matter!

Sincerely,  
Rasheda Harmon
