**RE: UGI Financial Security Requirements**

Dear Ms. Van Gelder,

It is our understanding that Titan Gas and Power (hereinafter "Titan") has made a request to the Pennsylvania Public Utility Commission (hereinafter "PUC") to add two fictitious names to its Natural Gas License at Docket No. A-2008-20054772.

In 2019, UGI Utilities, Inc. (hereinafter "UGIU") filed a Base Rate Case proceeding at Docket No. R-2018-3006814. As a result of settlement, UGIU implemented a uniform choice program on November 1, 2019. This resulted in changes to the administration of UGIU's three existing programs (UGI North, UGI Central and UGI South) and the consolidation into one financial security requirement.

Currently, UGIU holds a Surety Bond in the amount of \$360,000 on behalf of Titan. Based on UGIU's current Tariff and Titan's current customer base with UGIU, this Bond meets all financial security requirements of behalf of Titan.

Please feel free to contact me with any additional questions you may have.

Sincerely,

Sherry Epler  
Senior Manager  
Tariff & Supplier Administration
