RE: Surety Bond Certificate
Vista Energy Marketing LP

Dear Mr. Eriksen:

Please find under cover of this letter the financial instrument filed on behalf of Vista Energy Marketing LP because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including naming the **Pennsylvania Public Utility Commission** as the beneficiary or obligee of the security instrument along with all other required information on the document.

The enclosed Continuation Certificate names "Metropolitan Edison Company and/or Pennsylvania Electric Company" as the Obligee.

The cover letter that accompanies this filing requests the return of Bond [REDACTED], which the Commission does not possess. As this replacement bond is not accepted for filing, no bond currently held by the Commission is being returned.

Additionally, the bond language does not match the required language template. Please revise using the most recent version of the template (available on the Commission website).

Please file the corrected, originally signed and sealed security instrument with my office within 30 days of the date of this letter, preferably by overnight delivery. If you are unable to meet this deadline due to the ongoing pandemic emergency of COVID-19, please email Secretary Rosemary Chiavetta at rchiavetta@pa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta", written in a cursive style.

Rosemary Chiavetta
Secretary of the Commission
