MISCELLANEOUS SERVICE AND EQUIPMENT
(continued)

H. SUSPENDED SERVICE AT THE CUSTOMER'S REQUEST - Grandfathered (C)
as of June 12, 2020 (C)

1. Business or residence service may be suspended at the customer's request without termination of contract. For suspension of less than 30 days, no allowance is made in the customer's charges during the period of suspension. A charge of one-half the monthly rate for local service, equipment, mileage and listings applies to service suspended for 30 days or longer. The minimum charge for the period of suspension is equal to the charge for reconnection, without change of existing facilities.
2. The Telephone Company assumes no responsibility to intercept calls and provide information on inward calls. However, where intercept equipment is available in the central office, the telephone operator may advise anyone calling the customer's telephone that service is temporarily suspended, or, if the customer desires calls referred to another telephone, the operator may give the call number of the designated telephone to the calling party.

¹ This service offering is limited to all existing subscribers at their existing locations as of June 12, 2020. (C)
