**PREHEARING MEMORANDUM
OF THE COALITION FOR AFFORDABLE UTILITY SERVICES
AND ENERGY EFFICIENCY IN PENNSYLVANIA**

On May 22, 2020, a Prehearing Conference Order was issued by Administrative Law Judge Katrina L. Dunderdale setting a telephonic prehearing conference for Wednesday, June 3, 2020, at 9:00 a.m., and requiring parties to file a Prehearing Memorandum no later than 12:00 pm on Tuesday, June 2, 2020. In response, the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (“CAUSE-PA”), through its counsel at the Pennsylvania Utility Law Project, hereby files this Prehearing Conference Memorandum.

I. Background

On April 24, 2020, Columbia Gas of Pennsylvania, Inc. (Columbia) submitted a rate filing, Supplement No. 307 to Tariff Gas Pa. P.U.C. No. 9, which proposes to increase overall rates by approximately \$100.4 million per year, or 17.54% over present revenues. Columbia’s proposal would increase the average residential customer bill from \$87.57 to \$103.19, or by approximately 17.84%. (Columbia St. 1 at 7).

On May 18, 2020, CAUSE-PA filed a Petition to Intervene, requesting full intervenor status as an active party to the proceeding.

On May 21, 2020, the Commission entered a Suspension and Investigation Order suspending the Columbia tariff by operation of law, and opening an investigation to determine the lawfulness, justness, and reasonableness of the rates, rules, and regulations contained therein. (S&I Order).

II. Issues to be Presented

In addition to compliance with sound rate making principles, including the requirement that rates be just and reasonable, Columbia must also ensure that its rates and tariff comply with universal service requirements. See 66 Pa. C.S. § 2203(8). In determining whether rates are just and reasonable, the Commission must examine whether rates are affordable and accessible those served.

In the event that the Commission approves any natural gas distribution rate increase, the Commission should condition approval on Columbia's agreement to perform such actions as are necessary to assure compliance with applicable sections of the Public Utility Code, Commission regulations and guidelines, and settlement agreements.

CAUSE-PA has conducted an initial review of Columbia's proposed tariff changes and testimony, and opposes Columbia's request on the grounds that the proposed rate increase and tariff changes may result in unjust and unreasonable rates that would impose severe hardship on low and moderate income residential customers. CAUSE-PA identifies the following specific issues of concern, which must be addressed in this proceeding, though it reserves the right to raise additional issues which may arise through the course of this proceeding:

- i. The conformity to law and the effect of Columbia's rate filing and proposed rate increase on low income households.
- ii. The effect of Columbia's proposed \$23.00 fixed residential customer charge on low income households, and the ability to achieve appreciable bill savings through adoption of energy efficiency measures.
- iii. The effect of Columbia's rate filing and proposed rate increase on low income households enrolled in or eligible for Columbia's Universal Service Programs, and the continued adequacy of those programs in delivering universally accessible natural gas service.

III. Witnesses and Testimony

CAUSE-PA intends to present the following witness to testify in this matter, and reserves the right to call additional witnesses as may be warranted upon proper notice to Your Honor and the parties:

Mitchell Miller

Mr. Miller will address the issues identified above, as well as other issues that may arise in the course of this proceeding.

IV. Discovery

CAUSE-PA supports the discovery modifications requested by the Office of Consumer Advocate (OCA) in its Prehearing Memorandum.
