PPL Electric Utility

To whom it may concern:

I am requesting a continuance to this hearing. I understand I am in the 5 day guideline however with covid pandemic I had been working from home and today is the first day back in the office and I am unable to make my call in. I didn't remember the hearing call in until the alert in my calendar came up on my phone.

I am mailing a copy of the request to the attorney on file.

Please consider this request.

Thank you,

Tanya Reph Mack
