

LIGHTSTAR
ENERGY GROUP
EVERY CLIENT. EVERY DOLLAR. VALUED.

June 8, 2020

To whom it may concern:

In response to the letter dated May 28, 2020 RE: Electric Generation Supplier License Application:

1. Light Star Energy Group LLC currently does not have an office, physical presence, or any active sales staff or consultants located in the state of Pennsylvania. However, over the past several years we have come across business customers through various referrals and cross selling techniques which is the extent of our operations in the state of PA. As a result, we have taken the opportunity to fill out the application to be approved as a licensed broker.
2. The total number of customers that have received electricity broker services from Light Star Energy Group LLC is 12. All of the customers are in the commercial business class.
3. Light Star Energy Group LLC began providing electricity services in January of 2017.
4. The current list of licensed EGS suppliers for which Light Star Energy Group LLC has acquired electricity customers within the Commonwealth of PA is as follows:
 - (a) Hudson Energy
 - (b) Spark Energy (Major Energy)
 - (c) Plymouth Rock Energy
 - (d) Nextera Energy

In addition, Light Star Energy Group LLC was not operating under contract to a single licensed EGS supplier when the electricity customers were acquired within the Commonwealth of PA.

I, Mosheh Afrah, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statement herein is made subject to the penalties of 18 Pa. C.S. 4904 (relating to unsworn falsification to authorities).

Sincerely,

Mosheh Afrah, CPA – Director of Finance
