Re:Case-C-2019-3015037

For Tracy Scopel for the hearing date of March 11,2020. I am aware of the last minute asking of a continuance. I thought I planned the time and day out but I cannot make the 10 am time on Wednesday. I would appreciate any considerance you could give me. I did mention to the other party I was maybe going to. Not sure if they are aware. Thank you again for your time and patience.

Tracy
