RE: Goldstrohm Auto LLC
448 White oak Road
Rural Valley, PA 16249
Docket # C-2020-3019985

Dear Rosemary,

I am the insurance agent for the captioned insured, and received notice from Terry Goldstrohm that filings were needed (Forms E and H) the middle of May 2020. I sent a request to Erie Insurance on 5/18/20 for the forms to be issued with a 3/7/20 effective date, which is the date the insured placed his coverage with Erie Insurance.

The forms were incorrectly issued with a 5/29/20 effective date, and I have been working with Erie Insurance to have them corrected to the 3/7/20 effective date. Erie Insurance has sent the amended forms to the PA PUC electronically. I received PDF copies of the amended forms this morning, and they have been attached to my response electronically filed with the PA PUC this morning.

I trust you will find all is in order, and Goldstrohm Auto LLC will be placed back in good standing with the PA PUC. Please let me know immediately if otherwise.

Sincerely,

Keith A. Williamson, CPCU
