Utility Commission v.  
Department of Highways,  
et al.  
PUC Docket No. C18922

Dear Mr. Rich:

I have spoken with Attorney Robert Capristo who represents the City of Duquesne in the above-referenced matter. Mr. Capristo requested from me an extension of time in which to file a Reply to Order to Show Cause which was entered on January 18, 1989. I have no objections to such an extension of time. I have agreed to provide Mr. Capristo with certain information regarding this matter. I believe that a settlement of this claim is possible. Therefore, I propose that the City of Duquesne be granted an extension of time to file a Reply. If it appears that their settlement of this issue is possible, I shall advise you by letter and shall request that the City be given a reasonable time period to respond to the Order to Show Cause.

If this proposal is acceptable, please advise me.

Thank you for your consideration in this matter.
