

O'BRIEN'S MOVING AND STORAGE, INC.**Headquarters:****7066 Snowdrift Road****Allentown, Pennsylvania 18106****(610) 391-8300**

July 14, 2020

To Whom it May Concern,

The intent of the letter is to refute that Glose Moving Inc. DBA O'Brien's Moving and Storage failed to provide the shipper with the necessary documents 48 hours prior to the move and to refute that we overcharged the amount of the fuel surcharge.

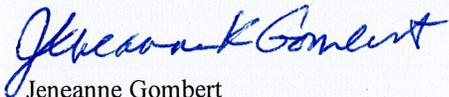

Attached you will find an email that clearly indicates that the customer was emailed the necessary documents on May 21, 2019 which would have been 8 business days prior to the load date of May 29, 2019. On May 23, 2019, the customer was contacted and reminded that the paperwork was still due. At the time of the move, the customer still failed to submit the documents therefore, the documents were sent with the crew and completed prior to loading the shipment. The fact remains, the customer did receive the documents well in advance of the 48 hours required.

In regards to the fuel surcharge, we dispute that the customer was overcharged. In fact, after review of all the documents, we have determined that the customer was actually undercharged. The move was slated to load on May 29, 2019 from Temple, PA 19560 and deliver on May 30, 2019 to Douglassville, PA 19518. However, the customer's closing fell through resulting in the need for storage therefore making this a two-part move. The move was slated for four men which automatically requires two vans. Therefore, the fuel surcharge from Temple, PA to Allentown, PA, an average of 30 miles would result in a charge of \$31.68 per van for a total of \$63.36. The second part of the move only required 1 van because the crew drove their personal vehicle to residence to meet the driver. Delivery occurred on June 20, 2019. The mileage between Allentown, PA and Orefield, PA is approximately 9 miles. The fuel surcharge at that time was \$18.69. The total fuel surcharge for the entire move should have been \$82.05. Glose Moving Inc. DBA O'Brien's Moving and Storage only charged \$72.04.

Attached you will find a copy of PUC complaint and penalty notice, the email sent to the customer on May 21, 2019 containing the required move documents, the work ticket for the move on May 29, 2019 requiring two vehicles, verification statement, and the Tristate fuel surcharge documents related to the time of both the move on May 29, 2019 and on June 20, 2019.

Please do not hesitate to contact me with any questions or concerns.

COMPLAINT

The Pennsylvania Public Utility Commission (Commission) is a duly constituted agency of the Commonwealth of Pennsylvania empowered to regulate public utilities within the Commonwealth. The Commission has delegated its authority to initiate proceedings which are prosecutory in nature to the Bureau of Investigation and Enforcement and other bureaus with enforcement responsibilities. Pursuant to that delegated authority and Section 701 of the Public Utility Code, the Bureau of Investigation and Enforcement Prosecutory Staff hereby represents as follows:

1. That Glose Moving, Inc. t/a O'Brien's Moving & Storage, Respondent, maintains its principal place of business at 7066 Snowdrift Road, Allentown, Pennsylvania, 18106.
2. That Respondent was issued a certificate of public convenience for household goods authority by this Commission on December 27, 1967, at PUC no. 759100.
3. That on February 10, 2020, a complaint was received at the Commission by phone and later by hard copy on February 17, 2020, alleging violations of the PUC code occurred during a move from Temple, Berks County, Pa. to Orefield, Lehigh County, Pa.
4. That PUC Motor Carrier Enforcement Manager Andrew Turriziani contacted Glose Moving, Inc. February 18, 2020 and spoke with Sam Bruce, claims manager, about the complaint. Manager Turriziani requested all documents associated with the move referenced in paragraph three. An examination of the documents revealed the following violations:
 - a) The Respondent failed to provide the information to shippers document to the shipper at least 48 hours before the move.
 - b) The Respondent overcharged the amount of the fuel surcharge. The local fuel surcharge should have been \$62.84 and Respondent charged \$72.04.
5. That Respondent, by failing to provide the information to shippers document to the shipper at least 48 hours before the move, violated 52 Pa. Code §31.121. The penalty for this violation is \$250.00.
6. That Respondent, by charging an amount for the fuel surcharge that is higher than allowed for the dates of the move, violated 52 Pa. Code §31.27. The penalty for this violation is \$500.00.

WHEREFORE, the Bureau of Investigation and Enforcement Prosecutory Staff hereby requests that the Commission fine Glose Moving Inc., t/a O'Briens Moving & Storage the sum of seven hundred and fifty dollars (\$750.00) for the illegal activity described in this Complaint and order such other remedy as the Commission may deem to be appropriate.
