4. This application is for the discontinuance of a Paratransit non-emergency medical transportation services for all.
5. I am a bilateral double above the knees an amputee, I walk on prosthesis, I was unable to find a job with having a degree, I decided to recruit a firm in medical (not an ambulance) transportation and provide transportation to many elderly patients in my region. I received the PUC A # license / certificate to own and operate the Paratransit on 9/6/2019, together with it I purchased a commercial auto liability that cost me \$1,044.98 a month for one vehicle, I immediately started to look for a contracts to work, until today 3/12/2020 I am still chasing after the NEMT (Non Emergency Medical Transportation Brokers) this is who provide this kind of transportation contracts / jobs.

This is insane and ridiculous, and I feel financially abused / ripped off, I paid so much, today instead of earning profit for my living, I have to repay all of my credit cards debt, I don't see a reason to continue hold the license it doesn't make sense. Unfortunately I have to let it go.
