Re: Eileen Walden v. PECO Energy Company – F-2019-3011507
Reply Exceptions Received April 23, 2020

Dear Secretary Chiavetta:

This is to advise re the above referenced filing that Complainant received said filing on April 23rd upon accessing her email account. In recognizing that the filing was emailed on April 9th, Complainant notes for the record that the submission by email was without agreement, 52 Pa Code @702, or even preadvisement.

Also, the date of filing, April 9th, does not appear to comply with the timeframe the Commission established for submittal: "Replies to Exceptions...must be filed...and served on each party of record...within ten (10) days of the date when Exceptions are due." Exceptions were due on March 24th in accord with your directive of March 4, 2020.

With due regard to these extraordinary times, Complainant anticipates, expects the Commission will issue appropriate guidance respecting any change to its procedure that may result.

Sincerely,

Eileen Walden

Complainant
