VIASAT CARRIER SERVICES, INC. SUPPLEMENT

Viasat Carrier Services, Inc. (“Viasat”), by its counsel, hereby submits this Supplement in accordance with the Order of the Pennsylvania Public Utility Commission (“Commission”)¹ approving Viasat’s Petition for Designation as an Eligible Telecommunications Carrier in all of the census blocks in Pennsylvania for which Viasat was awarded support in the Federal Communications Commission’s Connect America Fund (“CAF”) Phase II Auction. Appended to that Order was a list of local exchanges in which the CAF-eligible census blocks are located, prepared by staff based on a Supplemental Response previously submitted by Viasat at Commission Staff request.² That Supplemental Response to Staff’s data request included rate center information derived from 2014 data. As stated in that Supplemental Response, Viasat agreed to provide updated information in a future supplement and after further discussion with Staff. Accordingly, after further discussion with Staff and based on information provided by Staff, Viasat has prepared the attached revised Appendix B to the Order.

¹ The Order was published in the Pennsylvania Bulletin, 50 Pa.B. 2800, on May 30, 2020. In the Order, the Commission specified that this Supplement would be due within 60 days of entry of the Order. In Viasat’s discussions with Staff, Staff agreed that the deadline for filing the Supplement would be within 60 days after the Order was published in the Pennsylvania Bulletin. *See* 210 Pa. Code Sec. 108.
